Minutes of Meeting

10th May 2022.

Mentee Mentor meeting was held on 10th May 2022, 12 pm. In this meeting following points were discussed:

Questions asked by Mentor:-

What do you consider to be your strengths?

How do you mitigate your weakness?

What do you wish you did differently in your career?

What obstacles do you see that might prevent you from achieving your goals?

What was a period in your life or career where you felt like you had the most growth?

Questions asked by Mentee.

What was the most rewarding for you?

What was the greatest challenge you faced? What did learn from it?

How and where do you find inspiration.

Discussion on the above questions:-

It's challenge to face and recognize your weakness. But doing so is an important step to activating success in your career. If you struggle with time management, working purposefully toward using your time more efficiently, mastering your weakness, improving your productivity and becoming stronger in specific competency areas can help you increase your self-assurance and confidence in your performances.

Mentee Mentor meeting was held on 10th Nov 2021 at 12 pm. Due to COVID-19 meeting was held online on Google meet. Students was confused because of online lecture & studies. Following points were described & discussed.

Questions asked by mentee?

How to increase concentration on studies

When YouTube channels are useful for studies.

How to overcome on mobile addiction.

Questions asked by mentor

Online lectures are significant for you?

How you all are facing COVID-19.

Have you taken vaccines?

Following points were discussed from the above questions.

Because of COVID-19 students was disturbed as they were studying online. Many of them are not able to grasp the online lectures. They should set their goals so that they could concentrate on their studies.

YouTube Channels like IFAS, Unacademy are useful for their studies. They can refer these channels as they are good.

Mobile addiction can be overcome by decreasing the screen time. If students will use laptops for their studies they will decrease using their habits of using mobile.

Online lectures are significant for students those who are intelligent. But those who are average students they are facing problems in studies.

5) Students were advised to take vaccines as college will not allow them to sit for offline lectures.
