Fully Satisfied

In Last Year Some Subject Not taken any lecture in a year, only one time they come in classroom give some assignments for submission, And some of the teachers not taken our assignment from us after the due date with the valid reason of submission, i think teacher

needs to encourage the student (No Guidance received by teachers to us) and also they have used very poor quality of teaching techniques

This college is Amazing and it help to students to increase their knowledge. I'm such a grateful for this college.

Good teaching

Great satisfaction

This college is very good for education and sports department

Teachers are very supportive and cooperative but teacher should try make candidate ready for Industry in teams for manufacturing industry because it's in the syllabus

Very good satisfaction to education

I am partially satisfied with institute and hope for some improvement in internship opportunities, field visits, etc. Rather than I am satisfied with the curriculum of the Institution.
