NATIONAL EDUCATION POLICY CELL

Celebrating 87th Birth anniversary of Hon'ble Sir Dr M. S. Gosavi

National Education Policy (2020): Implementation for Higher Education Institutions

The National Education Policy Cell of Gokhale Education Society's R. N. C. Arts, J. D. B. Commerce & N. S. C. Science College, Nashik-Road, on the occasion of 87th Birth Anniversary of Hon'ble Sir Dr M. S. Gosavi, organized a Lecture on '**National Education Policy (2020): Implementation for Higher Education Institutions**' wherein the chief speaker was Prin. Dr Sandhya Khedekar of G. E. Society's College of Education, Sangamner and Prin. Dr Manjusha Kulkarni was the president of the programme.

The programme commenced with the lightening of the lamp and thereafter with the introductory remark of Dr Vidyullata Hande, Vice-Principal, and also the coordinator of the programme. In her exordium she informed that the programme was organized on the occasion of 87th Birth Anniversary of Sir Dr. M. S. Gosavi. The National Education Policy (2020) was introduced by the Government for the augmentation of the new education system in the country therefore to understand the challenges for the implementation of NEP (2020) in Higher Education Institutions and what measures should be undertaken at the college level this event was organised. She welcomed all the participants and guests for the programme and added that a Workshop will be organised for thorough comprehension of the NEP (2020) in future

National Education Policy (2020): Implementation for HEIs (19/09/2022)

Dr. Vidyullata Hande delivering her Introductory Remark

She further apprised that there were five fundamental pillars of the NEP-2020 viz. Access, Equity, Quality, Affordability and Accountability. Similarly, present National Assessment and Accreditation Council (NAAC), which is responsible for HEIs accreditation will be replaced by the uniform National Accreditation Council (NAC) which accredit all the HEIs in future. All the state governments have set up a task force for the implementation and Maharashtra Government had also set up task force which has drawn the road-map for the implementation of the NEP-2020 till 2047 in the state, she informed. By 2030 all the accredited HEIs will have to opt for the autonomy and there won't be any affiliations to the universities in the future as all the HEIs will have to accept the autonomous status. She said that the purpose of autonomy was to give total freedom to HEIs in framing their syllabus and for students. In future institution rather than colleges will have importance as students can study various subjects offered by colleges run by one institution which will provide more opportunity to the students. All colleges will have to be multidisciplinary by nature if they want to survive in future. The future teaching would be a blend of technology and traditional teaching and a teacher or a professor will have to adapt to the changing scenarios if he/she wishes to survive. The NEP-2020 will be implemented on gradual basis.

Prin. Dr Sandhya Khedekar began her talk with the statement that the National Education Policy (NEP)-2020 would transform the education system in India. She further added that the role of the Teachers and Professors in NEP-2020 have become seminal for the implementation of NEP-2020. Likewise, NEP-2020 focuses on Capacity Building and Innovations and important aspect of NEP-2020 is its Multidisciplinary Nature and Credit Bank System for the Students, it's the student-oriented education policy and would surely benefit the students.

National Education Policy (2020): Implementation for HEIs (19/09/2022)

**National Education Policy (2020):
Implementation for HEIs (19/09/2022)
Prin. Dr. Manjusha Kulkarni
addressing the gatherings**

Prin. Dr. Manjusha Kulkarni in her presidential address appreciated Dr. Khedekar for her thorough discussion and detailed explanation of NEP-2022. She further added that such holistic approach was the need of the hour and professor should adapt to the changing system and blending teaching would be the future of HEIs. She further said that we all should consider NEP-2020 positively and accept it without criticizing the policy.

Prof. Dr. Anilkumar Pathare, Vice-Principal and Head, Department of Geography proposed a vote of thanks of the programme. Prof. Dr. Ashwini Ghanbahdur, Head, department of Zoology, compered the programme and Prof. Dr. Suvarna Kadam introduced the guest. All the faculty members of the college attended the programme and the session was an interactive session wherein many professors raised the queries regarding NEP-2020.
