COVID-19 AROGYA SETU AWARENESS QUIZ

Title of the activity:

Covid-19 Aarogya Setu Awareness Quiz

Name of Event Coordinator:

1. Dr. Satish M.chavan
2. Assit. Prof. Vishal U. Mane

No. of students/participants benefitted 203

Topic Covered:

Various aspects of the Aarogya Setu App for COVID-19 eradication.

Objectives:

1. The main objective of the COVID-19 Aarogya Setu Awareness Quiz was to get the information regarding Aarogya Setu App.
2. To get knowledge of various uses of the Aarogya Setu App for the control of COVID-19 pandemic disease.

Summary:

Aarogya Setu is a mobile application developed by the Government of India which connects the various essential health services with the people of India. The application is playing a crucial role in our combined fight against COVID-19. The application has come up with an intuitive User Interface and comprehensive features such as creation, discovery & linking of health records to enable longitudinal digital health records, Simplified Consent Management for sharing these records, and a Seamless Search feature to find Nearby Hospitals, Labs and Blood Banks.

The following are some of the key features of the Aarogya Setu platform:

Various filters and some crucial information like contact number, email, distance, direction, navigation, etc. are also provided for users' convenience.

- Self-Assessment test based on ICMR guidelines
- Facilitates the Registration of Covid-19 vaccine registration
- Facilitates the download of the Covid-19 vaccine certificate
- A completely revamped User Interface and User Experience
- Open API-based Health Status Check
- Updates, advisory, and best practices related to COVID-19
- Nation-wide COVID-19 statistics
- Emergency COVID-19 Helpline contacts
- List of ICMR approved Labs with COVID-19 testing facilities
- Provides the infection Status of the User
- QR Code scan feature to share Health Status
- Support for over 12 Languages

Considering all the above facts, the Department of Chemistry has decided to conduct an online COVID-19 Aarogya Setu Awareness Quiz after oral consent from Dr. S. J. Kharat, Head of the Chemistry Department, and the Principal Dr. Dhanesh Kalal.

Outcomes:

- ✓ After completion of the COVID-19 Aarogya Setu Awareness Quiz, the students and their parents will get complete information on the efforts taken by the Government of India and the State Government of Maharashtra to control COVID-19.
- ✓ The total number of participants who participated was 203.

Kargil Vijay Diwas

On July 26, 2019, Kargil Vijay Diwas was celebrated with great enthusiasm at R.N.C.ART.S, J.D.B., Commerce, and N.S.C. Science College at Nashik Road. July 26 marks the victory of the Indian Army in Kargil in 1999, when they hoisted the Indian flag on the Kargil peaks. The war began on May 8 and ended on July 26 with the Indian Army's victory. Many brave soldiers from Nashik district participated in this war.

On this occasion, a special screening of the Bollywood movie "Uri: The Surgical Strike" was organized for the students of R.N.C.ART.S, J.D.B., Commerce, and N.S.C. Science College at Nashik Road. The movie, starring Vicky Kaushal, is based on the surgical strike carried out by the Indian Army in response to the terrorist attack on the Indian Army camp in Uri, Jammu and Kashmir.

The Principal of R.N.C.ART.S, J.D.B., Commerce, and N.S.C. Science College at Nashik Road, Dr. Dhanesh Kalal, and Dr. Chaudhari addressed the students and spoke about the importance of Kargil Vijay Diwas and the sacrifices made by the Indian Army. The event was attended by over 500 students, including the NCC cadets, non-teaching staff, and other employees of R.N.C.ART.S, J.D.B., Commerce, and N.S.C. Science College at Nashik Road.

Rally for Flood Relief in Kolhapur and Sangli Districts

On August 20, 2019, students and teachers from various colleges and schools organized a rally to raise funds for the flood victims in Kolhapur and Sangli districts. The rally aimed to raise awareness and collect donations for the affected communities. Around 200 students and teachers participated in the event.

A "Mitra Box" was circulated among each class to collect donations. The boxes were collected on August 30th and the collected amount was counted in the presence of teachers and student representatives. The total sum collected was Rs. 14,770.

This amount was then deposited into the "Kolhapur and Sangli Flood Relief Fund" at the "Swatantra Jeev Savarkar University, Pune" via RTGS/NEFT.

The rally was organized by Dr. Dhanaji Kalal (Principal), Ms. Mimik Khamenar (National Service Scheme Coordinator), Ms. Sudha Borase (Student Council Coordinator), Mr. Laxman Pendge, and Mr. Vilas Mane, along with the active participation of students and teachers under the National Service Scheme and Kaushalya Vikas Yojana programs.

'Fit India Movement'

Fit India movement aims to encourage people to inculcate physical activity and sports in their everyday lives. Prime Minister Narendra Modi launched the nation-wide "Fit India Movement" on the 29th August 2019 and appealed to every citizen to remain healthy and fit. The events was launched at the Indira Gandhi Stadium in New Delhi at 10.00 am.

After colourful presentation of India's indigenous marital art forms, dances and sports, PM Modi paid tribute to Dhyani Chand. He said, "On this day, a great sportsperson was born. Major Dhyani Chand. He amazed the world with his fitness. Stamina, and hockey stick." At the event, PM Modi said technology contributed to a sedentary lifestyle. "Fitness has always been an integral part of our culture. But, there is indifference towards fitness issues now. A few decades back, a normal person would walk 8-10km in a day, do cycling or run," Modi said. "But, with technology, physical activity has reduced. We walk less now and the same technology tells us that we are not walking enough," he added.

The launch was also attended by Sports Minister Kiren Rijiju and National Sports Awards 2019 winners among others.

The prime minister congratulated the winners of the national sports awards and lauded India's sporting achievements. "Be it boxing, badminton, tennis or any sport, our athletes are giving new wings to our aspirations. Their medals are not just a result of their hard work but also a reflection of a new India's confidence," he said.

The event was organized under the guidance of Dr. Dhanesh Kalal, Principal of the college. Our college showed the entire program live in the seminar hall. On this occasion, Prof. Wasim Beg, Prof. Naresh Patil, Prof. Shashikant Khemnar and Sudhakar Borse successfully organized the event.

Dr. K. C. Takale, the Judge of the Poster competition

Title of activity/ programme:	Poster Competition on Women Empowerment
Duration:	01 day
Day & Date/s of programme:	Thursday, 03/09/2019
Venue:	Department of Statistics
Name of Event Coordinator:	Assistant Prof. Dr. Satish Chavan Assistant Prof. Vishal Mane
Judges:	Assistant Prof. Dr. K. C. Takale (Mathematics) Assistant Prof. Dr. Rajashree Naik (Statistics)
Subject:	Women Empowerment
No. of students participated	17

Objectives:

1. To raise awareness about the importance of Women's Empowerment among college students.
2. To encourage students to actively participate in promoting gender equality and women's rights.
3. To provide a creative platform for students to express their thoughts, ideas, and perspectives on women empowerment through poster making.
4. To foster a supportive and inclusive environment that celebrates the achievements and potential of women.
5. To create a dialogue and generate discussions on women's empowerment within the college community.

Outcomes:**1. Increased awareness:**

The poster competition successfully raised awareness about Women's Empowerment among college students. It brought attention to the challenges faced by women and the importance of empowering and supporting them.

2. Active participation:

The event encouraged active participation from college students, allowing them to engage with the topic of Women's Empowerment in a creative and meaningful way. The participation in the competition demonstrated a commitment to gender equality and women's rights.

3. Artistic expression:

The competition provided a platform for students to express their thoughts and ideas through poster making. This allowed for artistic expression and creativity to be showcased while highlighting key aspects of women's empowerment.

4. Empowerment messages:

The posters created during the competition conveyed powerful messages on Women's Empowerment, emphasizing the need for gender equality and highlighting the achievements and potential of women. The messages portrayed through the posters inspired and motivated both participants and viewers.

The event fostered a sense of community within the college by bringing students together to learn, discuss, and understand the importance of women's empowerment. It facilitated conversations and generated awareness beyond the competition.

The event's objectives and outcomes had a lasting impact on the college community. It ignited conversations on women's empowerment and gender equality, encouraging students to take further action and support initiatives in this area.

The poster competition on Women's Empowerment during the Ganesh Utsav-2019 in the college succeeded in raising awareness, promoting active participation, showcasing artistic expression, fostering community engagement, and leaving a lasting impact on the college community regarding the importance of women's empowerment.

Report on Guest Lecture on "Soft Skills", 2019

11th September 2019: RNC Arts, JDB Commerce & NSC Science College, Nashik Road had organized a guest lecture on "Soft Skills". It was conducted by Prof. D. Belguskar (Faculty of Commerce). He emphasized that is a very popular term nowadays, used to initiate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job. Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

These activities of the department and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc.

The students are given in depth lessons by organizing workshops, state level elocation competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills. To improve the Presentation Skills the departments conducted seminars of the students. The students get participated and perform active role in the Seminars. Topics are given to them to prepare and present to assess their performance.

Water Resource Environment Cleaning Campaign (Waldevi River): 2019-20

On behalf of Savitribai Phule Pune University, National Service Scheme, during the academic year 2019-20, Gokhale Education Society's R. N. C. Arts, J. D. B. Commerce and N. S. Science College, Nashik Road 422101.

Following the circular of Savitribai Phule Pune University NSS dated October 2, 2019, a water resource environment cleaning program was successfully implemented by our college's NSS department on the morning of October 2, 2019, from 7.00 AM to 10.00 AM. In this initiative, a rally was taken from the college to the Waldevi River in the morning and slogans were given on cleanliness. After the rally reached Waldevi River, plastic, glass bottles, and other garbage that had flowed into the river bed were collected and the river bed area was cleaned. Also, the college's drinking water tanks were cleaned during this time.

After the cleanliness drive in the morning, lectures were organized in the college from 10.30 am to 1.00 pm on the occasion of the birth anniversary of Mahatma Gandhi and Lal Bahadur Shastri. During this time, Dr. Mahesh Auti and Dr. Uttam Karmarkar guided the students as the chief speakers. Mr. Amol Gore and Shruti Nikam also expressed their views. During this time, the students submitted essays written on the life of Mahatma Gandhi and prepared posters and presented them. Nearly 182 volunteers participated in all the above initiatives. NSS volunteers also participated in the solar lamp program. The Principal of the College Dr. Dhanesh Kalal, Vice-Principal Dr. Manjusha Kulkarni, Dr. Mahesh Auti, Assistant Professor Shashikant Khemaner, Assistant Professor Vijaya Dhaneshwar, Assistant Professor Laxman Shendge, Assistant Professor Sudhakar Borse, Assistant Professor Vijay Sakte, Assistant Professor Vishal Mane, Mr. Sanjay Parmasagar and other teaching and non-teaching staff of the college contributed to the success of all the above programs.

Respected Sir

Our College has planned to organize study tour for M.Sc. Organic Chemistry students (intake 45) & 5 teachers in your reputed Training Center. In the study tour, we look forward to gather information about analytical techniques & instruments in your Training Center such as HPLC, GC, Dissolution Techniques, Spectrophotometry, etc.

We are willing to visit your study center on Monday, 7th October 2019.

Waiting for your kind reply

Thanking You.

Dr. S. J. Kharat
(Head, Chemistry Dept.)

Yours Faithfully

speaking skills, fostering a spirit of healthy competition. The program was skillfully coordinated by Asst. Prof. Pramod Dhumale.

Outcomes:

1. Engaging in storytelling sharpens verbal communication skills, aiding students in expressing ideas coherently and engagingly.
2. Successfully narrating a story before an audience contributes to increased self-confidence and poise in public speaking situations.
3. Students have the opportunity to unleash their creativity through storytelling, expressing ideas, emotions, and narratives uniquely and imaginatively.
4. The act of storytelling often involves exploring diverse themes and cultural contexts, fostering an appreciation for different narratives and perspectives.
5. Actively participating in storytelling competitions encourages students to actively listen to others, enhancing their comprehension and attentiveness.
6. The process of memorizing and delivering a story helps improve memory retention and recall abilities.

Mrs.R.D.Naik conducting quiz and students solving quiz questions.

Report:

Dr.Mrs. R.D.Naik and Mr. T.V.Navghare conducted a quiz for FYBSc and SYBSc Statistics. This quiz is organised by PUSA(Pune University Statistics Association)for all Pune University undergraduate Statistic students.

For FYBSc students there is only one level multiple choice examination based on syllabus of first year. Questions are framed on applied statistics, that is how to apply statistics theory in practice. This helps students for preparation of competitive examination also. There are 30 questions of 2 marks each. Time period is one hour. College wise centers are allotted. That college has to conduct the examination. Question paper and answer papers are mailed from PUSA. On the same date and same time all centers have to conduct the examination. After examination is over, center head has to submit the answer sheets to the coordinator and then he/she declares the result center wise. The first three students get the prize.

For SYBSc students there are two levels. First is multiple choice examination of 30 questions of 2 marks each, for 1 hour. No negative marking. Calculator, log table are not allowed. For the second round first three students are selected from each center. Second round is conducted at only one center in five different modes. From each mode first two students are selected and given prizes also certificates.

This year from our college 20 students participated from FYBSc class and 08 students participated from SYBSc class. Mr. Om Darekar stood first from FYBSc class and Mr. Neve Sidhesh stood first from SYBSc class. We congratulate both the winners.

Out Comes:

- **Enhanced Understanding:** Students deepened their understanding of Statistics applications in various situations and in various fields.
- **Diverse Evaluation:** The inclusion of various question formats provided a holistic assessment.
- **Competitive Spirit:** The quiz fostered healthy competition, motivating students to excel.
- **Active Participation:** The dynamic nature of the quiz encouraged widespread student involvement.
- **Improved Analytical Skills:** Sharpened students' quick thinking and analytical abilities.

Objectives:

1. Assessment of Fundamental Knowledge:

- Evaluate candidates' understanding of core principles and theories in physics.
- Assess their grasp of mathematical techniques relevant to physics problems.

2. Research Skills:

- Measure candidates' ability to apply research methodologies in solving physics problems.
- Evaluate their capacity to design and conduct experiments.

3. Critical Thinking and Problem Solving:

- Test candidates' analytical skills in solving complex physics problems.
- Assess their ability to think critically and apply theoretical concepts to practical situations.

4. Integration of Knowledge:

- Evaluate candidates' capability to integrate knowledge from different branches of physics.
- Test their understanding of interdisciplinary connections within physics.

Outcomes:

1. Identification of Competent Graduates:

- Recognize and identify individuals who possess a strong foundation in physics and are ready for advanced studies or professional roles.

2. Benchmarking Academic Standards:

- Provide a benchmark for academic institutions to gauge the effectiveness of their physics programs.

- Contribute to the improvement of physics education at the graduate level.

3. Facilitation of Further Studies:

- Enable successful candidates to pursue higher education and research in physics.

- Serve as a stepping stone for candidates interested in doctoral programs or specialized fields within physics.

4. Professional Development:

- Contribute to the professional development of physicists by ensuring a high level of competence.

- Enhance the overall quality of the physics workforce within the nation.

5. Promotion of Scientific Inquiry:

- Encourage a culture of scientific curiosity and inquiry.

- Inspire individuals to contribute meaningfully to the advancement of physics and related fields.

Report

Geographical Study Report (Toranmal) (2019-20)

S.Y. B.A. and T.Y. B.A. students specializing in geography at Savitribai Phule Pune University were involved in a field study from January 18 to January 20, 2020, at Toranmal, Akranij in Nandurbar district, Maharashtra, known for its cold climate and scenic surroundings. During this study, Dr. Dhanesh Kalal, Prof. Sudhakar Borse, Prof. Laxman Shendge, along with staff members and accompanied 18 male and 16 female total 34 students enrolled in this study tour

The field study primarily focused on the natural and cultural components of Toranmal. Emphasis was placed on observing various geological formations, diverse types of flora and fauna found in the region, natural water sources such as springs, as well as cultural elements including local settlements, the lifestyle of indigenous tribes, their occupations, village schools, available healthcare facilities, markets, religious sites including temples and churches, various festivals and events, and tourism development initiatives undertaken by the Maharashtra Tourism Development Corporation. Detailed studies were conducted on various aspects to understand the region comprehensively.

Aim and Objectives:

The aim of a geographical study tour is to provide participants with a firsthand experience of the geographical features, processes, and human-environment interactions within a specific area. The objectives of such a tour may include:

- 1. Exploration of Geographic Features:** To observe and study the physical features of the study area, including landforms, rivers, ecosystems, and geological formations.
- 2. Understanding Geographic Processes:** To gain insights into the processes shaping the landscape, such as erosion, weathering, glaciations, and tectonic activity.
- 3. Analysis of Human-Environment Interactions:** To examine how human activities, such as agriculture, urbanization, industrialization, and infrastructure development, interact with and impact the natural environment.
- 4. Cultural and Historical Context:** To explore the cultural and historical significance of geographical features, landmarks, and settlements within the study area.
- 5. Data Collection and Fieldwork Skills:** To develop practical skills in data collection, field measurements, observation techniques, and geographical mapping.

6. Interdisciplinary Learning: To foster connections between geography and other disciplines such as geology, ecology, sociology, anthropology, economics, and urban planning.

7. Environmental Awareness and Conservation: To raise awareness about environmental issues, conservation challenges, and sustainability initiatives relevant to the study area.

Overall, the aim and objectives of a geographical study tour are to deepen participants' understanding of geographical concepts, foster practical skills in fieldwork and data analysis, promote environmental awareness and conservation ethics, and encourage interdisciplinary learning and personal growth.

Outcomes:

The outcomes of a geographical study report can vary depending on the scope of the study, the methodologies employed, and the objectives set forth. However, here are some common outcomes:

- 1. Increased Understanding:** The study report enhances understanding of the geographical features, processes, and interactions within the study area among readers, stakeholders, and policymakers.
- 2. Informative Resource:** The report serves as an informative resource for academics, researchers, students, and professionals interested in the geography of the study area.
- 3. Policy Recommendations:** Based on the findings and analysis, the report may provide recommendations for policy formulation, land-use planning, environmental management, or development initiatives.
- 4. Community Awareness:** The report raises awareness among local communities about the geographical characteristics, challenges, and opportunities in their area, fostering informed decision-making and community engagement.
- 5. Contribution to Knowledge:** The report contributes to the body of knowledge in the field of geography, adding to our understanding of specific geographical regions, processes, or phenomena.

Overall, the outcomes of a geographical study report include increased understanding, informed decision-making, policy recommendations, community engagement, educational benefits, and contributions to knowledge in the field of geography.

Objectives:

The term "Nevari Script" can refer to a historical script used for writing the Ancient language, particularly during the Ancient period.

1. Preserving Cultural Heritage: Training in Nevari Script aims to preserve and promote a historical and culturally significant writing system, contributing to the conservation of linguistic heritage.
2. Historical Understanding: Students undergoing Nevari Script training gain insights into the historical context in which the script was used, understanding its evolution and significance in the region.
3. Documenting Archives: Training facilitates the ability to read and transcribe historical documents, manuscripts, and inscriptions written in Nevari Script, aiding in the documentation and preservation of historical records.
4. Promoting Linguistic Diversity: Learning Nevari Script contributes to the recognition and celebration of linguistic diversity, as it represents a distinct script within the broader landscape of Indian languages.
5. Research and Scholarship: Training in the Nevari Script equips individuals with the skills to engage in scholarly research focused on historical texts, literature, and documents that utilize this script.
6. Educational Initiatives: Incorporating Nevari Script training into educational programs supports broader initiatives to introduce students to diverse writing systems, fostering a well-rounded understanding of linguistic history.

Introduction of Nevari Script Course, January 2020

The Introduction of Nevari Script course was organized by the Department of History college from 30/01/2020 to 01/02/2020 under the guidance of Prof. Dr. Manjusha Kulkarni, the Principal of the college. Mr. Pratik Deshpande, working as an Assistant Professor in the Department of History, successfully completed this '*Introduction of Nevari Script course*' under the valuable guidance of Dr. Shashikant Sable, the Head of the Department of History.

Nevari Script is a beautiful script of Ancient Indian history. The Nevari Script Training Course is a good initiative to teach students about the Nevari Script and to advance their knowledge towards historical research. The students in the department were enthusiastic about learning the Nevari Script. Therefore, starting with basic knowledge of Nevari from the beginning, various exercises were conducted on paper practice until the students became proficient in reading the words and deciphering the texts, recognizing different periods, identifying files, and maintaining a continuous appraisal. The students actively participated in this training program with increasing enthusiasm, and finally, they submitted written reports in Nevari Script to the department.

The student's active participation and the difficulties they faced in learning Nevari Script made this Nevari Script training class a successful and enthusiastic event in the Department of History. During the organization of this training class, Principal Prof. Dr Manjusha Kulkarni's valuable advice and guidance, as well as the timely cooperation of Mrs. Nandini Deshmukh and Mr. Krushna Godhe, were received.

REPORT ON EDUCATIONAL VISIT

INDIAN INSTITUTE OF TECHNOLOGY, MUMBAI

M.Sc. Organic Chemistry students during visit to IIT, Bombay

Visit Title:	Educational Visit of the M.Sc. Chemistry students at Indian Institute of Technology, Mumbai
Visit Duration:	One day
Visit Location:	Indian Institute of Technology, Mumbai
Name of Event Coordinator:	Assistant Professor Pritam Shete
Subject:	Organic Chemistry
Day & Date of Visit:	Friday, 28/02/2020 at 11.00 am
Class and specialization	M.Sc. Organic Chemistry
No. of students benefitted	30

Objectives:

To get knowledge of the construction and working of sophisticated instruments like ^1H NMR, GC-MS, LCMS, AAS, XRD, SEM, TEM, HPLC, TGA/DTA, etc.

Summary:

- All the M.Sc. students in the subject of Organic Chemistry were gathered at the Sophisticated Analytical Instrument Facility Centre, IIT, Bombay at 10.30 am by train
- Further all the students were gathered in the conference room of the Sophisticated Analytical Instrument Facility Centre where they were guided by the charge of the Sophisticated Instrumentation laboratory. He explained the construction and working principles of all instruments.
- Then all students also visited to Center for Research in Nano Technology and Science and got information about various nano science-related research areas.
- After the visit Assistant Professor Pritam Shete proposed a vote of thanks.

Subject: Permission for study tour.

Dear Sir,
Department of Chemistry has organized a one day study tour for M.Sc. Organic Chemistry students as a part of Curriculum activity. Tour will be conducted on 19th Feb 2020 at **CENTRE FOR RESEARCH IN NANOTECHNOLOGY AND SCIENCE (CRNTS) IIT, Powai, Mumbai.**
Ms. Melissa H. Crasto, Mr. Pritam A. Shete, Mr. Swapnil S. Kulkarni and Ms. Sunita B. Tore will be accompanying the tour as In-charge teachers.
Requesting you to grant the permission for the same.

Thanking you.
