**Objectives:**

The main objective of the NSS camp was to inculcate social responsibility and awareness among the youth about rural development. The camp also aimed to provide the NSS volunteers with an opportunity to contribute to the development of the adopted village.

**Summary:**

NSS unit of RNC Arts, JDB Commerce and NSC Science College, Nashik organized a program to celebrate International Yoga Day 2023 on 21st June 2023. The theme of the program was 'Yoga for Humanity'. Around 87 NSS volunteers and 30 staff members participated in the program. Ms. Priti Kukekar, Principal Kids Kingdom Pre-School, Nashik, was the chief guest. The program included lectures on the physical, mental and spiritual benefits of yoga, demonstration of yoga Asanas and Pranayama, and speeches by the Principal and NSS Programme Officer.

**Outcome:**

The NSS volunteers conducted various activities during the camp, including:

- Cleanliness drive: The volunteers cleaned the streets, houses, and public places in the village.
- Health awareness programs: The volunteers organized awareness programs on various health issues such as HIV/AIDS, malaria, and dengue fever.
- Educational programs: The volunteers conducted educational programs for the children in the village, focusing on literacy, numeracy, and hygiene.
- Tree plantation: The volunteers planted trees in the village to promote environmental protection.

The camp was a success in raising awareness about important social issues and promoting development in the village. The NSS volunteers gained valuable experience in social work and village development.

**Objectives:**

- The primary objective of the "Poshan Maah Saptah" was to promote awareness about good nutrition and its impact on overall health and well-being.
- The activity specifically aimed to educate pregnant women, children, and adolescents about their nutritional needs and encourage them to adopt healthy dietary practices.
- Furthermore, the initiative sought to highlight government efforts and interventions aimed at improving nutritional outcomes in India.

**Summary:**

The NSS unit of Savitribai Phule Pune University organized a "Poshan Maah Saptah" (Nutrition Month Week) from September 1st to 30th, 2021. The event aimed to raise awareness about good nutrition and healthy initiatives taken by the government.

**Activities:**

- Slogan writing competition: This competition focused on raising awareness about the importance of nutritious food for pregnant women.
- Yoga and AYUSH sessions: These sessions targeted specific groups like pregnant women, schoolchildren, adolescents, and girls, aiming to promote the benefits of yoga and traditional Indian medicine for improved nutrition.
- Free short-duration online yoga courses: These courses catered specifically to women and children, providing easily accessible learning opportunities on yoga for better health.
- Recipe competition: This competition encouraged the creation and sharing of nutritious food recipes, particularly focusing on dishes suitable for pregnant women.
- Distribution of regional nutritional kits: This initiative provided beneficiaries in burdened districts with access to essential nutrients through regional food kits.
- Identification of SAM children and community kitchen service: This activity focused on addressing malnutrition issues in children by identifying cases of severe acute malnutrition (SAM) and providing them with access to community kitchen services.

**Outcome:**

- The month-long campaign successfully reached a large number of people, spreading awareness about the importance of good nutrition and healthy habits.
- The various activities like competitions, yoga sessions, and recipe sharing provided practical guidance and encouraged people to adopt healthier lifestyles.
- Additionally, the distribution of nutritional kits and community kitchen services directly addressed the needs of vulnerable populations, contributing to improved nutritional outcomes.
- Tree plantation: The volunteers planted trees in the village to promote environmental protection.

## Report of the Inauguration Ceremony of Literary Circle

Dr. Sandeep Sangle, a member of the Marathi Studies Board of Savitribai Phule Pune University and Vice-Principal of Dhamdhare College, Shirur, said that along with various efforts to get Marathi language the status of a classical language, efforts should be made to make Marathi language more fluent. It is very important that the experience and review of the common man's struggle after the Kovid period and the subsequent scattered life should come extensively in the literature.

The inauguration of the Marathi Mandal of Bitco College, Nashik Road, of Gokhale Education Society was held on Thursday, December 23, 2021 in the seminar hall. He was speaking as the chief guest on the occasion. The program was chaired by the college's Principal Dr. Manjusha Kulkarni, Vice-Principal Dr. Vidyullata Hande, Marathi Department Head Dr. Vijaya Dhaneshwar, Dr. K.C. Takle and others were present. At the beginning, the dignitaries were welcomed by Dr. Sambhaji Shinde by lighting the lamp and introducing the dignitaries. Dr. Vijay Dhaneshwar presented an overview of the various programs of the Marathi department in the preface. Student representative Ms. Shraddha Gaikwad expressed her views. In the presidential address, Dr. Manjusha Kulkarni said that there is a need for a language board in the college to meet the needs of Marathi language and to provide a platform for the hidden talents of the students. The program was compered by Dr. Sharad Nagre and the vote of thanks was proposed by Prof. Rajesh Bagul. Prof. Bhimraj Pagare, Prof. Snehal Pawar, Prof. Vrushali Ugale and Dr. Uttam Karmakar worked hard for the success of the program.

### **The following are the key points of Dr. Sangle's speech:**

- Marathi language should be made more fluent.
- The experience and review of the common man's struggle after the Kovid period and the subsequent scattered life should come extensively in the literature.
- Efforts should be made to get Marathi language the status of a classical language.

The workshop was presided over by Professor Dr. Manjusha Kulkarni, Principal of the college. The event commenced with the traditional lighting of the lamp. Vice Principal Dr. Akash Thakur and Dr. K.C. Takale, the Coordinator of the Science faculty, graced the occasion with their presence.

Dr. Satish Chavan, Co-ordinator of the workshop introduced the resource person and the workshop to the attendees. The workshop was anchored by Dr. M.V. Rathi. The event witnessed participation from Dr. Sudesh Ghoderao, Asst. Prof. Waseem Beg, Dr. Kishori Dhumal, Asso. Prof. Balbhim Diwate, Dr. Kailas Borase, Dr. Ashwini Ghanbahadur, Asst. Prof. Vishal Mane, Dr. Deepak Tope, Asst. Prof. Pranali Pandit, Dr. Rajashree Naik, and many of the teachers of the science faculty and a large number of students made it a successful and enlightening session. The workshop provided valuable insights into the realm of Intellectual Property Rights, guiding the participants from the inception of an idea to its protection. It was a significant step towards fostering an environment that encourages innovation and respects intellectual property rights.

## Report

### World Geography Day

On January 14, 2022, the Geography Department organized the "World Geography Day" with great enthusiasm. Dr. Manjusha Kulkarni, the Principal of the college, presided over the event. As part of the occasion, a lecture was organized by Professor Ramesh Nanavare, from the Geoinformatics Department of Savitribai Phule Pune University. He extensively discussed the topic "Geographical Information System: Introduction, Scope, and Opportunity," providing detailed guidance to students. Using PowerPoint, he demonstrated GIS to the students and provided valuable insights into future opportunities in the field.

Additionally, he provided guidance on the significance of GIS and its importance in various fields, enlightening students about future prospects in this area. Dr. Anil Kumar Pathare, the Vice-Principal and Head of the Geography Department, emphasized the importance of World Geography Day and highlighted various departmental activities throughout the year, along with achievements of faculty members, contributing to the department's excellence. He also shared crucial information related to geography to enrich students' understanding.

Dr. Manjusha Kulkarni, in her presidential address, emphasized the significance of celebrating World Geography Day and provided important and scholarly information to the students. She also discussed various departmental activities conducted by the Geography Department.

### **Aim and Objectives:**

#### **Aim:**

The aim of celebrating World Geography Day is to promote awareness and appreciation of geography as a discipline that encompasses the study of Earth's landscapes, environments, and societies. It seeks to highlight the importance of geography in understanding global issues, fostering sustainable development, and promoting cultural diversity.

#### **Objectives:**

1. **Raise Awareness:** Increase public understanding of the significance of geography in comprehending global challenges such as climate change, natural disasters, population growth, and urbanization.
2. **Promote Education:** Encourage educational institutions to integrate geography into their curriculum and promote the study of geography at all levels of education.
3. **Celebrate Diversity:** Showcase the diversity of cultures, environments, and landscapes around the world, emphasizing the interconnectedness of human societies and the environment.
4. **Advocate for Sustainability:** Highlight the role of geography in sustainable development and environmental conservation, promoting responsible stewardship of Earth's resources.
5. **Foster Global Citizenship:** Encourage individuals to develop a global perspective and understand the interdependencies between regions, nations, and people worldwide.
6. **Engage Communities:** Organize events, workshops, and activities that engage communities in exploring geographical concepts, mapping initiatives, and spatial analysis to promote geographic literacy.
7. **Empower Action:** Inspire individuals and organizations to take action towards addressing global challenges, leveraging geographic knowledge to make informed decisions and promote positive change.
8. **Collaborate and Network:** Facilitate collaboration among geographers, educators, policymakers, and the public to exchange ideas, share best practices, and advance the field of geography.

By pursuing these objectives, World Geography Day serves as a platform to celebrate the richness and complexity of our planet while promoting the importance of geographical knowledge in shaping a sustainable and interconnected world.

**Outcomes:** Celebrating World Geography Day can lead to various positive outcomes, including:

1. **Increased Awareness:** Greater recognition among the public about the importance of geography in understanding global issues, leading to more informed decision-making at individual, community, and governmental levels.
2. **Enhanced Education:** Improved integration of geography into educational curricula, resulting in better geographic literacy and skills among students.
3. **Cultural Appreciation:** Increased appreciation for the diversity of cultures, environments, and landscapes worldwide, fostering cross-cultural understanding and respect.
4. **Environmental Stewardship:** Heightened awareness of environmental challenges and the role of geography in promoting sustainable development and conservation efforts.
5. **Career Opportunities:** Increased interest in geography-related fields, leading to greater participation in geographic research, teaching, and professional endeavors, thus contributing to the advancement of the discipline.
6. **Long-Term Impact:** Establishment of a foundation for sustained interest and investment in geography education and research, ultimately contributing to a more geographically informed and resilient society.

These outcomes collectively contribute to building a more geographically literate, culturally aware, and environmentally conscious global community, ultimately fostering a more sustainable and interconnected world.

**Notice for Students  
Department of Geography**

All FY, SY, TY B.A. / FY, SY B.Sc. students of the Geography Department are hereby informed that the department is observing "Geography Day" on January 14, 2022. An online lecture on "Geographical Information System (GIS): Introduction, scope, and opportunities" by Prof. Ramesh Nanavare (Department of Geoinformatics, Savitribai Phule Pune University) is scheduled for 11:00 AM. All students are required to participate via Google Meet Link: <https://meet.google.com/tgt-muzd-zmq>. Following the lecture, a Quiz Competition (Questions by Manjusha) will be conducted in honor of Geography Day. The link for the quiz will be shared on the WhatsApp group after the program concludes. All students are requested to actively participate in both events. E-certificates will be provided to participants of the Quiz Competition. Attendance in both events is mandatory for all students.

Thank you.

### REPORT ON

## National Daughter's Day

Activity	National Daughter's Day
Duration of activity	One day (Online)
Name of Coordinator:	Asst. Prof. Ganesh V. Dilwale Asst. Prof. Siddhartha D. Nimbalkar Dr. Archana D. Patil
Location:	RNC Arts, JDB Commerce and NSC Science College Nashik Road
Department	National Service Scheme
Day & Date of activity:	Thursday, 20/01/2022 at 9:45 am
No. of students benefitted	56

**Objective:**

- The primary objective of the program was likely to celebrate National Daughter Day and promote gender equality and women's empowerment.
- It aimed to raise awareness about the importance of valuing and nurturing girls within families and society.
- The program might have also sought to encourage positive relationships between daughters and their families and communities.

**Summary:**

National Daughter Day program organized by the NSS unit of Savitribai Phule Pune University. It likely took place at the R.N.C. Arts, J.D.B. Commerce & N.S.C. Science College, Nashik Road, on January 24, 2022.

The details you mentioned suggest the program involved:

- Encouraging girls to take selfies with their mothers, friends, and family, possibly under the theme "Selfie with Daughter."
- Creating awareness about the importance of daughters in society, likely through activities like essay writing, poems, or discussions.

**Outcome:**

- The program potentially raised awareness about gender equality and the significance of daughters within families and communities.
- It might have encouraged participants to celebrate and appreciate the girls and women in their lives.
- The selfie initiative could have fostered connections and created a sense of community among participants.

## National Youth Day-2022

As per the guideline issued by NSS coordinator Savitribai Phule Pune University Pune virtual (online through zoom platform) youth program has been held by our NSS unit D-50 on 22<sup>nd</sup> January 2022. We celebrated Swami Vivekananda birth anniversary. Following this occasion, due to Corona norms we held an online guest lecture. The guest speaker for the day was Tushar Sangale Sir (senior manager Deloitte United State). The anchor for the evening was NSS volunteer Aishwarya Kusundal, the program started with sir Ganesh Dilwale (NSS program officer) giving his ideology and thoughts on youth the challenges we face as a youth and a way to overcome youth problems. Later NSS volunteer Rohit introduced the guest of the day.

Tushar Sangale sir gave his speech on the occasion of youth Saptah. Sir started their speech with giving brief information about Swami Vivekananda being himself studied from Swami Vivekanand College enlighten that clarity is the at most important thing in life and it should be implemented in life and it should be implemented in life "Arise, Awake and Stop Not" till the goal is achieved is the quote that particularly affected his life and we should take positivity ourselves from this quote later. He made us think whether our lives is wind-blown or self-propelled ask this question to ourselves create your own path if you know the path it is good chance that it is someone else part. Don't judge a book by its cover sir magnified this concept by telling us not to judge a person by his attire or language. Particular quote of his that crashed everyone's is not necessary to be brilliant we can be successful by implementing discipline and hard work. We often like to watch highlights of cricket match but it is not the the six and four that makes a match but the singles. This ideology definitely helped the listener that we need to come out of our comfort zone. At the end our principal Professor Dr. Manjusha Kulkarni madam gave a speech on her thought for youth. Her speech helped the NSS volunteers with the new energy the evening ended with the vote of thanks proposed by NSS volunteer Anushka Jadhav. Around 175 participants were benefitted by thing program.

### Welcome and Introduction:

- Dr. Sudesh Ghoderao, the Coordinator, extended a warm welcome and introduced the session.

### Guidance:

- Prof. Dr. Manjusha Kulkarni, Incharge Principal, provided guidance and context for the workshop.

### Introduction of Dr. Abby Hafer:

- Prof. Rahul Upalaikar introduced Dr. Abby Hafer, a Board Member of the American Humanist Association at Curry College, Milton, Massachusetts, USA.

### Presentation: "How Darwin's Evolutionary Thinking Developed, and How Children's Can Too"

In her presentation titled "How Darwin's Evolutionary Thinking Developed, and How Children's Can Too," Dr. Abby Hafer embarked on a captivating journey through the evolution of Darwin's groundbreaking ideas and elucidated practical methods to impart these concepts to children effectively.

1. **Historical Context:** Dr. Hafer delved into the historical context surrounding Darwin's revolutionary theory of evolution by natural selection. She highlighted the societal and scientific challenges Darwin faced during his time, emphasizing the significance of his observations and conclusions.
2. **Development of Evolutionary Thinking:** Using engaging anecdotes and visual aids, Dr. Hafer traced the development of Darwin's evolutionary thinking, from his seminal voyage on the HMS Beagle to the publication of his seminal work, "On the Origin of Species." She elucidated the key principles of natural selection and its role in shaping biodiversity.
3. **Pedagogical Strategies:** Dr. Hafer provided insightful pedagogical strategies tailored to engage children in understanding evolution. She emphasized the importance of interactive learning approaches, such as hands-on activities, storytelling, and multimedia resources, to make evolutionary concepts accessible and engaging for young learners.

4. **Addressing Misconceptions:** Recognizing common misconceptions surrounding evolution, Dr. Hafer offered guidance on effectively addressing these misconceptions in educational settings. She underscored the importance of fostering critical thinking skills and providing factual information supported by scientific evidence.
5. **Ethical Considerations:** Dr. Hafer also discussed ethical considerations related to teaching evolution, particularly in contexts where religious beliefs may conflict with scientific principles. She advocated for promoting scientific literacy while respecting diverse perspectives, fostering open dialogue, and encouraging inquiry-based learning.
6. **Case Studies and Examples:** Throughout her presentation, Dr. Hafer illustrated her points with compelling case studies and real-world examples, demonstrating practical applications of evolutionary concepts in various fields, from biology and paleontology to medicine and agriculture.
7. **Interactive Engagement:** Dr. Hafer encouraged active participation from the audience, incorporating polls, quizzes, and interactive discussions to reinforce key concepts and stimulate critical thinking. Participants were invited to share their experiences and insights, fostering a collaborative learning environment.

Overall, Dr. Abby Hafer's presentation provided a comprehensive overview of Darwin's evolutionary theory and offered invaluable insights into effective strategies for teaching evolution to children, inspiring educators to instill a sense of wonder and curiosity about the natural world in young minds.

**Vote of Thanks:**

- Prof. Nilesh Mahajan expressed gratitude to all participants, organizers, and technical support personnel.

**Technical Support:**

- Prof. Ganesh Dilwale provided technical assistance throughout the session.

**News and Report Writing:**

- Prof. Kishori Dhumal was responsible for documenting the event and its outcomes.

**Outcomes:**

- Increased understanding of Darwin's evolutionary theory among participants.
- Strategies identified for effectively teaching evolution to children.
- Enhanced engagement between academia and the American Humanist Association.
- Strengthened collaboration potential between Curry College and educational institutions in India.
- Improved awareness of evolutionary science and its relevance in education.
- Enhanced skills in moderating and conducting virtual workshops.

**Darwin Day Lecture  
 2022**

**Stepping stones  
 for Darwin in developing the  
 theory of evolution by natural  
 selection**

**Evolution** (that is, the idea that biological species change over time) already existed as an idea that people were discussing.

Examples:

- Lamarck (who thought that acquired traits could be inherited)
- Erasmus Darwin (Charles Darwin's grandfather. He wrote about evolution as a possibility)

However, the idea was not widely accepted.

**Introductory Session:**

Dr Sudesh Ghoderao, Member of the Executive Council of ACT and Convener of the webinar welcome the resource person, Prof. Dr Upasana Bora Sinha, Dept of Chemistry, Nagaland University, Nagaland. He has also welcomed Prof. Brijesh Pare, President, ACT, Prof D. V. Prabhu, General Secretary, ACT, Prof. Dr Manjusha Kulkarni, HOD, Chemistry and Incharge Principal, Dr. K.C.Takale, Coordinator, Science faculty and the members of organizing committee and the participants of the webinar. He has briefed with the PowerPoint slide show the theme of the webinar and the aims and objectives of the International Union of Pure and Applied Chemistry (IUPAC), the organizers, of the global event - Global Women's Breakfast - Emerging Diversity in Science. He has also briefed about the Association of Chemistry Teachers (ACT) and said that ACT has recently completed its 21<sup>st</sup> year of establishment. He has also briefed about activities like organizing the National Convention of Chemistry Teachers (NCCT), national level concept test in chemistry, selection of the team for representing India at the international level, Science – Chemistry Olympiad, outreach activities for the students and teachers and to establish the link between international, national educational and research institutes, etc. He has also appealed to the audience to become members of ACT. He has also mentioned the continuous positive support for academic activities received from the authorities of Gokhale Education Society, Hon. Sir, Dr. M. S. Gosavi, Director General, and Secretary, Dr Deepti Deshpande, Director, Human Resource and Dr. Ram Kulkarni, Zonal Secretary. He has also mentioned the support of Prof Brijesh Pare, President, and Prof. Dr. D .V. Prabhu, General Secretary of the Association of Chemistry Teachers (ACT) for collaboration to organize this webinar. In her introductory speech, Prof. Dr. Manjusha Kulkarni, HOD and In-charge Principal also welcomed the resource person and office bearers of ACT. She has appreciated the linkage with ACT and expected to continue it in the future also.

**Technical Session:** The speaker for this session was Prof. Dr Upasana Bora Sinha, Dept of Chemistry, Nagaland University, Nagaland who guided on the topic titled “Towards Greater Participation of Women in STEM Research – Setting the Agenda”. She said that women scientists must understand the importance of the soft skills required and try to acquire them for a successful life. The management, social networking, communication skills, and teamwork are of much importance. They should choose an essential research topic of interest, and curiosity. The women scientist also needs to pay more attention to their families along with academic activities and research. They must identify themselves to overcome the various hurdles in their life. She has also emphasized that women must be encouraged for their contribution in all fields and their work must be recognized. She also said that women scientists should fight against every odd situation, knowing the strength in them.

**Concluding session:** At the end of the webinar, Prof. Vishal Mane expressed a vote of thanks to resource person Prof Dr Upasana Bora Sinha of Nagaland. He also expressed thanks to collaborators of the webinar Prof Brijesh Pare and Prof D V Prabhu of ACT. He also expressed thanks to the organizers of the webinar Prof Dr Manjusha Kulkarni, Dr K C Takale, Dr Sudesh Ghoderao, and the management of the college. He also expressed thanks to organizing committee members – Dr. Satish Chavan, Dr. Deepak R. Tope, Dr. Asha Jangale, Assistant Prof. Naina Chhabadya, and Assistant Prof. Swapnil Kulkarni and the participants. The resource person was introduced by Dr. Meenakshi Rathi. The technical support was given by Assistant Prof. Waseem Beg and the brief report and news writing was done by Assistant Prof. Pritam Shete. The entire webinar program was compered by Assistant Prof. Melissa Crasto

#### About RNC Arts, JDB Commerce and NSC Science College, Nashik Road

Since its inception in 1963 the history of our college is replete with many great landmarks and achievements both in the field of academics as well as sports and co-curricular activities. The college has grown into a gigantic structure, housing more than 6000 students with more than three hundred and fifty teaching and non-teaching staff. The college has a number of academic courses at UG and PG level, professional courses, and variety of certificate and diploma courses too. Our graduates are in great demand all over because our approach to education is one that develops the whole person and provides the student with a realistic view of what to expect in their career. The Management and the staff has always strived to anticipate the needs of the future and fulfill them through innovative value-embedded quality education under the dynamic leadership of Sir Dr M.S.Gosavi, Secretary and Director General of Gokhale Education Society.

#### About Association of Chemistry Teachers (ACT)

The ACT was launched in the year 2000 to serve as an apex national body to promote excellence in chemistry education. The idea to formulate ACT was conceptualized by HBCSE (TIFR), Mumbai. The association brings together on common platform teachers of higher secondary school, college, university professors, scientists, industrial researchers for organizing subject related activities. ACT has worked tirelessly to strengthen chemistry education in India and to motivate students to pursue chemistry as a career. The activities of ACT are growing under the dynamic leadership of Prof. Brijesh Pare, President of ACT and Prof. Dr D.V.Prabhu, Founder General Secretary.

## Selfie with Slogan on TB and AIDS Competition

Activity	Selfie with Slogan on TB and AIDS Competition
Duration of activity	One day (Online)
Name of Coordinator:	Asst. Prof. Ganesh V. Dilwale Asst. Prof. Siddhartha D. Nimbalkar Dr. Archana D. Patil
Location:	RNC Arts, JDB Commerce and NSC Science College Nashik Road
Department	National Service Scheme
Day & Date of activity:	Friday, 18/02/2022 at 11 am
No. of students benefitted	41

**Objective:**

- The main objective of the competition was to raise awareness about TB and AIDS among young people.
- The competition aimed to encourage students to use creative methods to communicate important health messages to their peers and the wider community.
- By organizing this event, the NSS unit likely sought to contribute to the national efforts in controlling the spread of TB and AIDS.

**Summary:**

- The NSS unit of Savitribai Phule Pune University organized a competition on "Selfie with Slogan" and "Video Making" to raise awareness about Tuberculosis (TB) and acquired immunodeficiency syndrome (AIDS).
- The competition was held on 18/02/2022, in collaboration with the District Tuberculosis Control Department, Nashik.
- Students from various departments participated in the competition.
- For the "Selfie with Slogan" category, participants had to click a selfie with a creative slogan raising awareness about TB and AIDS.
- For the "Video Making" category, participants had to create a short video highlighting the causes, symptoms, preventive measures, and importance of seeking treatment for TB and AIDS.
- A committee of experts judged the entries based on creativity, message clarity, and overall impact.
- Winners were awarded prizes in both categories.

**Outcome:**

- The competition successfully generated awareness about TB and AIDS among the student community.
- The creative entries, including selfies with slogans and informative videos, helped spread important messages about these diseases.
- The competition encouraged students to actively participate in raising awareness about public health issues.

Department	National Service Scheme
Day & Date of activity:	Friday, 18/02/2022 at 10:00 am
No. of students benefitted	15

**Objective:**

- The main objective of the competition was to raise awareness about TB and AIDS among young people.
- It aimed to encourage students to use video as a creative medium to communicate important health messages to their peers and the wider community.
- By organizing this event, the NSS unit likely sought to contribute to the national efforts in controlling the spread of TB and AIDS.

**Summary:**

- The competition focused on raising awareness about Tuberculosis (TB) and acquired immunodeficiency syndrome (AIDS).
- It was held on 18/02/2022, in collaboration with the District Tuberculosis Control Department, Nashik.
- Students from various departments participated in the competition.
- Participants created short videos highlighting the causes, symptoms, preventive measures, and importance of seeking treatment for TB and AIDS.
- A committee of experts judged the entries based on creativity, message clarity, accuracy of information, and overall impact.
- Winners were awarded prizes for their videos.

**Outcome:**

- The competition likely generated awareness about TB and AIDS among the student community and potentially the wider audience reached through the videos.
- The creative videos helped spread important messages about these diseases in an engaging and impactful way.
- The competition encouraged students to actively participate in raising awareness about public health issues using their creativity and digital skills.

## **Objectives:**

A quiz competition on Chatrapati Shivaji Maharaj could serve multiple objectives:

**1. Educational Purpose:** The primary aim could be to educate participants and the audience about the life, achievements, and legacy of Chatrapati Shivaji Maharaj. This could include his military strategies, administrative reforms, cultural contributions, and his role in shaping the history of Maharashtra and India.

**2. Cultural Awareness:** Such a quiz can help in fostering a sense of cultural pride and awareness among participants by highlighting the rich cultural heritage associated with Shivaji Maharaj and his era.

**3. Historical Appreciation:** It can encourage participants to delve deeper into Indian history, specifically the Maratha Empire, and appreciate its significance in the broader context of Indian history.

**4. Leadership and Values:** The quiz could focus on highlighting the leadership qualities, values, and principles upheld by Chhatrapati Shivaji Maharaj, such as bravery, strategic thinking, justice, and inclusive governance.

**5. Promotion of Research and Learning:** By engaging participants in researching and preparing for the quiz, it can promote further study and understanding of historical figures and events.

**6. Community Engagement:** Organizing such a competition can bring together people from diverse backgrounds to celebrate and honor the legacy of Shivaji Maharaj, fostering a sense of community and unity.

**7. Inspiration for Youth:** Highlighting Shivaji Maharaj's life story and achievements can serve as inspiration for young minds, instilling values of courage, determination, and resilience.

**8. Preservation of Heritage:** By keeping the memory of Chatrapati Shivaji Maharaj alive through such events, it contributes to the preservation and promotion of cultural heritage.

Overall, a quiz competition on Chatrapati Shivaji Maharaj can serve as a platform to celebrate, commemorate, and learn from one of the most revered historical figures in Indian history.

**Objective:**

- The main objective of the competition was to raise awareness about blood donation and AIDS prevention among young people.
- The competition aimed to encourage students to use creative methods to communicate important health messages to their peers and the wider community.
- By organizing this event, the NSS unit likely sought to contribute to the national efforts in promoting blood donation and preventing the spread of AIDS.

**Summary:**

- The NSS unit of Savitribai Phule Pune University organized a "Mask Making Competition with Slogan" event to raise awareness about blood donation and AIDS prevention.
- The competition was held on December 1, 2021, in collaboration with the District AIDS Control Program (DACP) and Nashik District Blood Bank.
- Students from various departments participated in the competition.
- Participants had to create a mask and write a slogan promoting blood donation and AIDS awareness.
- The masks were judged based on creativity, message clarity, and relevance to the theme.
- Winners were awarded prizes in different categories.

**Outcome:**

- The competition successfully generated awareness about blood donation and AIDS prevention among the student community.
- The creative masks and slogans helped spread important messages about these topics in an engaging and visually appealing way.
- The competition encouraged students to actively participate in raising awareness about public health issues.

#### Report:

The Post Graduate Department of Economics, RNC Arts, JDB Commerce & NSC Science College, Nashik Road has organized Two-day workshop on the 10th and 11th of May 2022. The inaugural ceremony commenced on the morning of May 10th, 2022, with the lighting of the lamp and Saraswati puja performed by Principal Dr. Manjusha Kulkarni along with the esteemed presence of Dr. Ram Kulkuni, Zonal Secretary, Gokhale Education Society, Nashik. Asst. Prof. Dr. Anil Sawale, the Coordinator of the workshop provided overview of activities conducted by the P.G. Department of Economics and introductory remarks on the seminar's objectives. Asst. Prof. Dr. Manish Pawar introduced the honored guests. The compering was done by Asst. Prof. Dr. Uttam Karmalkar. Asst. Prof. Geetanjali Indayat extended her gratitude towards the attendees.

Over the course of the two-day event, esteemed educators including Dr. Sunil Joshi from Bhosla College, Dr. Anil Kumar Pathare from Bytco College, Dr. Vijaykumar Wavle from RYK

College, Dr. Mangesh Bhavsar from BYK College, and Dr. Anil Sawale from Bytco College, Dr. Naik R.D., Dr. Manish Pawar and Dr. K.M. Lokhande from Bytco College imparted valuable guidance on various research methodologies to the attending students.

The seminar concluded its productive sessions on May 11th, 2022, between 1:00 p.m. to 1:40 p.m. Principal Dr. Manjusha Kulkarni and Vice Principal Dr. Anilkumar Pathare graced the concluding function with their presence. Dr. Anil Sawale presented the seminar's report, expressing gratitude to all contributors for their significant contributions. It was evident that the seminar immensely benefitted the students of the college in enhancing their research skills.

### **Outcomes:**

1. **Understanding of Research Principles:** Students will gain a comprehensive understanding of the fundamental principles of research, including its purpose, process, and various methodologies employed in different disciplines.
2. **Critical Thinking Skills:** Through engaging with case studies and examples, students will develop critical thinking skills necessary for evaluating research methodologies, identifying strengths and weaknesses, and making informed decisions in their own research projects.
3. **Research Design Proficiency:** Students will acquire proficiency in designing research studies, including formulating research questions, selecting appropriate methodologies, designing data collection instruments, and implementing ethical considerations.
4. **Data Analysis Competence:** Participants will develop skills in data analysis techniques relevant to their field of study, including quantitative and qualitative analysis methods, statistical software proficiency, and interpretation of findings.
5. **Communication Skills Enhancement:** The seminar will provide opportunities for students to enhance their communication skills, both orally and in writing, through presenting research proposals, defending methodologies, and communicating findings effectively to different audiences.
6. **Ethical Awareness and Research Integrity:** Students will gain an understanding of ethical considerations in research, including issues related to human subjects, data integrity, plagiarism, and conflicts of interest, and learn how to conduct research with integrity and responsibility.
7. **Interdisciplinary Perspective:** The seminar will foster an interdisciplinary perspective by exposing students to a variety of research methodologies used across different academic disciplines, allowing them to appreciate the diversity of approaches to inquiry.
8. **Problem-Solving Abilities:** Through practical exercises and discussions, students will develop problem-solving abilities necessary for addressing challenges encountered during the research process, such as data collection difficulties, methodological limitations, and unexpected findings.

9. Preparation for Further Research: Participants will be better prepared to undertake further research at advanced levels, whether pursuing graduate studies or engaging in professional research activities, equipped with the knowledge and skills necessary for conducting rigorous and impactful research.

अतिप्राचीन काळापासून संशोधनाद्वारे खूप वेगळ्या गोष्टी ज्ञानसमेत आल्या. नवनवीन सिद्धांत मिळाले, ज्याद्वारे मानवाला स्वतःच्या समस्या सोडविण्यासाठी मदत झाली. त्यामुळे विद्यार्थी व प्राध्यापकांनी संशोधनाकडे अधिकाधिक वळावे, असे प्रतिपादन गोखले एज्युकेशन संस्थेचे विभागीय सचिव डॉ. राम कुलकर्णी यांनी केले.

**मान्यवरांकडून मार्गदर्शन**

भोसला मिलिटरी महाविद्यालयाचे उपप्राचार्य डॉ. सुनील चौशी, उपप्राचार्य डॉ. पवार, एचपीटी-आरवायके महाविद्यालयाचे अर्थशास्त्र विभाग प्रमुख डॉ. विजयकुमार दावळे, बिटकॉमचे डॉ. अनिल सायळे यांनी मार्गदर्शन केले. दुसऱ्या दिवशी प्रा. आर. डी. नाईक, डॉ. मनीश भावसार आणि डॉ. के. एन. लोखंडे यांनी संशोधन साहित्याचे महत्त्व, माहिती संकलन व वर्गीकरण, यीबलोग्राफी या विषयांवर मार्गदर्शन केले.
