No. of students benefitted	10

### Topic Covered:

- Banking Services
- Security Measures
- Financial Literacy
- Role In Economy
- Digital Banking

### Objectives:

- To Get Knowledge Of How Bank Operates, Its Daily Transactions
- Introduce Students To Career Opportunities Within Banking Industry
- To Know About Personal Finance Management, Budgeting, Saving, Investing, Borrowing
- Offer Insights Into Broader Financial Services Sector And Emerging Trends

### Summary

- All the T.Y.B. A. Economics and banking Students under the subject Business Management were gathered at R.N.C. Arts, J.D.B Commerce & N.S.C. Science College, Nashik at 10.30 am.
- Further all the students were gathered in the conference room of the Bank of Maharashtra, where they were guided by Branch Manager of the Bank. He explained the daily operations of banks, banking products, customer services.
- After visit Dr. Sunita B. Ahire proposed vote of thanks.

### Outcomes:

After completion of visit students came to know following details:

1. Various banking products like savings account, loans, deposits, customer service interactions, digital banking technologies, career opportunities. etc
2. The working principals of the accepting deposits, lending money, facilitating payments, managing risks, maintaining reserves, regulations, profit, government schemes.

Duration:	One day
Offline/Online:	Online
Name of Event Coordinator:	Dr. Sudesh B. Ghoderao
Day & Date of the Webinar:	Saturday, 12/02/2022 at 06:00 to 07:30 pm IST
Class and specialization	B.Sc. Students
No. of students benefitted	80

### Welcome and Introduction:

- Dr. Sudesh Ghoderao, the Coordinator, extended a warm welcome and introduced the session.

### Guidance:

- Prof. Dr. Manjusha Kulkarni, Incharge Principal, provided guidance and context for the workshop.

### Introduction of Dr. Abby Hafer:

- Prof. Rahul Upalaikar introduced Dr. Abby Hafer, a Board Member of the American Humanist Association at Curry College, Milton, Massachusetts, USA.

### Presentation: "How Darwin's Evolutionary Thinking Developed, and How Children's Can Too"

In her presentation titled "How Darwin's Evolutionary Thinking Developed, and How Children's Can Too," Dr. Abby Hafer embarked on a captivating journey through the evolution of Darwin's groundbreaking ideas and elucidated practical methods to impart these concepts to children effectively.

1. **Historical Context:** Dr. Hafer delved into the historical context surrounding Darwin's revolutionary theory of evolution by natural selection. She highlighted the societal and scientific challenges Darwin faced during his time, emphasizing the significance of his observations and conclusions.
2. **Development of Evolutionary Thinking:** Using engaging anecdotes and visual aids, Dr. Hafer traced the development of Darwin's evolutionary thinking, from his seminal voyage on the HMS Beagle to the publication of his seminal work, "On the Origin of Species." She elucidated the key principles of natural selection and its role in shaping biodiversity.
3. **Pedagogical Strategies:** Dr. Hafer provided insightful pedagogical strategies tailored to engage children in understanding evolution. She emphasized the importance of interactive learning approaches, such as hands-on activities, storytelling, and multimedia resources, to make evolutionary concepts accessible and engaging for young learners.

4. **Addressing Misconceptions:** Recognizing common misconceptions surrounding evolution, Dr. Hafer offered guidance on effectively addressing these misconceptions in educational settings. She underscored the importance of fostering critical thinking skills and providing factual information supported by scientific evidence.
5. **Ethical Considerations:** Dr. Hafer also discussed ethical considerations related to teaching evolution, particularly in contexts where religious beliefs may conflict with scientific principles. She advocated for promoting scientific literacy while respecting diverse perspectives, fostering open dialogue, and encouraging inquiry-based learning.
6. **Case Studies and Examples:** Throughout her presentation, Dr. Hafer illustrated her points with compelling case studies and real-world examples, demonstrating practical applications of evolutionary concepts in various fields, from biology and paleontology to medicine and agriculture.
7. **Interactive Engagement:** Dr. Hafer encouraged active participation from the audience, incorporating polls, quizzes, and interactive discussions to reinforce key concepts and stimulate critical thinking. Participants were invited to share their experiences and insights, fostering a collaborative learning environment.

Overall, Dr. Abby Hafer's presentation provided a comprehensive overview of Darwin's evolutionary theory and offered invaluable insights into effective strategies for teaching evolution to children, inspiring educators to instill a sense of wonder and curiosity about the natural world in young minds.

**Vote of Thanks:**

- Prof. Nilesh Mahajan expressed gratitude to all participants, organizers, and technical support personnel.

**Technical Support:**

- Prof. Ganesh Dilwale provided technical assistance throughout the session.

**News and Report Writing:**

- Prof. Kishori Dhumal was responsible for documenting the event and its outcomes.

**Outcomes:**

- Increased understanding of Darwin's evolutionary theory among participants.
- Strategies identified for effectively teaching evolution to children.
- Enhanced engagement between academia and the American Humanist Association.
- Strengthened collaboration potential between Curry College and educational institutions in India.
- Improved awareness of evolutionary science and its relevance in education.
- Enhanced skills in moderating and conducting virtual workshops.

**Stepping stones  
 for Darwin in developing the  
 theory of evolution by natural  
 selection**

**Evolution** (that is, the idea that biological species change over time) already existed as an idea that people were discussing.

Examples:

- Lamarck (who thought that acquired traits could be inherited)
- Erasmus Darwin (Charles Darwin's grandfather. He wrote about evolution as a possibility)

However, the idea was not widely accepted.

The National Science Day was celebrated on Monday, February 28, 2022, through a webinar based on the theme "Integrated Approach in Science and Technology for Sustainable Development", organized by the Science Association and IQAC of Bytco College. The keynote speaker for this webinar was retired Professor Dr. Sudhakar Agarkar, former Dean of the Academy of International Education and Research of the Vidya Prasarak Mandal and the Homi Bhabha Center for Science Education, Thane. He provided numerous examples emphasizing the necessity of understanding nature for sustainable development and balance. He highlighted the challenges faced in achieving sustainable development due to the difficult utilization of various synthetic substances created by humans, referencing natural cycles such as the water cycle, nitrogen cycle, carbon cycle, etc. He conveyed a valuable message of understanding nature.

The principal of the college, Dr. Manjusha Kulkarni, also expressed her thoughts on this occasion. Dr. Kalyanrao Takle, the coordinator of the Science Department, put in efforts for the successful organization of the webinar.

The prospective and enthusiastic participation of the audience was welcomed by Dr. Sudesh Ghoderao, coordinator of the Science Association, along with introductions by Mr. Siddharth Nimbalkar, moderation by Ms. Priya Sonavane, technical assistance by Mr. Nilesh Mahajan, report writing by Mr. Ganesh Dilwale, and gratitude expression by Mr. Rahul Upalaikar.

#### **Outcomes:**

- The webinar emphasized the importance of an integrated approach in science and technology for achieving sustainable development.
- It highlighted challenges in utilizing synthetic substances and emphasized understanding natural cycles for sustainable development.
- Dr. Sudhakar Agarkar provided insightful examples to illustrate the message of balancing development with nature.
- The event facilitated discussions on the role of science education in promoting sustainable practices.
- Participants gained valuable insights into the nexus between science, technology, and environmental sustainability.

### REPORT ON

## Guest Lecture on Career Paths in Chemistry

Venue	Seminar Hall RNC Arts, JDB Commerce, NSC Science College
Duration:	One hour 12.00 pm-1.00 pm
Name of Event Coordinator:	Dr. Meenakshi V.rathi
Day & Date of Visit:	23/04/2022
Class and specialization	T.Y.B.Sc. and M.Sc.Chemistry Students
No. of students benefitted	100

## Topic Covered:

Career Paths in Chemistry and Research opportunities

## Objectives:

To get knowledge of Career Paths in Chemistry and Research opportunities etc.

## Report:

Principal Dr. Manjusha Kulkarni facilitated this lecture by Dr. Varun Singh an alumnus of this college for the career guidance of the chemistry department students. They chose the seminar hall as the venue. The event started with the great introduction of Dr. Varun, his past, and his achievements.

Soon after that Dr. Varun recited his academic journey, how he shifted to RYK College in order to pursue nuclear chemistry and then to many other colleges in order to receive his higher education, in this journey of DRDO was a huge part of it where he worked on a lot of projects including forming a material used in COVID testing during the pandemic. The students were introduced to a lot of other projects Dr. Varun worked on that included a variety of fields including warfare, the food industry, a whole new variety of magnets, neurotransmitters, etc. The students were excited to hear about the research and innovations.

After the introduction about all the different innovative projects, Dr. Varun went on to share the world of opportunities present all over the world and in the field of science and research. The different sets of exams you can give after and before doing your master's and the different research centers that you can be part of. He introduced us to a lot of valuable lessons about approaching your studies and being part of things around us.

Among multiple valuable lessons we got from the whole session one of them was how research is not only about trending things or problems, sometimes you do things just for the sheer joy of learning and knowing more. The amount of excitement with which he talked, surely reflected the enthusiasm he contains in himself for science. surely reflected the enthusiasm he containing himself for science. The event came towards an end with Aishwarya giving a wonderful vote of thanks to our chief guest. The event was fruitful for a lot of students who were trying to figure out what to do next, surely the amount of confusion was a lot slower and the amount of excitement for research significantly increased. Such sessions help calm down the students and introduce them to a whole lot of opportunities and we were all grateful to the Principal, Dr. Manjusha Kulkarni, and all the teaching staff members who were an equal part in organizing and making this event a success.

**Outcome: Guest lecture helped students to**

1. Explore diverse career paths: Analytical chemistry, pharmaceuticals, academia, and industry.
2. Discover research opportunities: Engage in cutting-edge projects, fostering innovation.
3. Network with professionals: Build connections for career advancement and collaboration.
4. Develop essential skills: Enhance critical thinking, problem-solving, and laboratory techniques.
5. Access resources: Utilize mentorship, grants, and publications for research success.

**Objectives:**

- To promote cycling as a healthy and sustainable mode of transportation.
- To raise awareness about the environmental benefits of cycling.
- To encourage people to adopt an eco-friendlier lifestyle.

**Summary:**

The NSS unit of Savitribai Phule Pune University organized a cycle rally on 3 June 2022, World Bicycle Day, to promote the benefits of cycling and raise awareness about environmental issues. The rally was flagged off by the Principal of the college, Dr. Manjusha Kulkarni, who spoke about the importance of cycling for a healthy lifestyle and a clean environment. The NSS volunteers cycled through the streets of Pune, distributing pamphlets and talking to people about the benefits of cycling. They also organized a poster competition on the theme of cycling and the environment.

**Outcome:**

The outcome of the activity was that the NSS volunteers were able to reach a large number of people and spread awareness about the benefits of cycling. The activity was also successful in promoting a sense of community among the NSS volunteers

### **Online Quiz Competition on Occasion of World Population Day 2022-23**

World population Day is observed every year on 11<sup>th</sup> July, inspired by the public interest in Five Billion Day on 11<sup>th</sup> July, 1987. The event was established by the Governing Council Of the United Nations Development Programme in 1989. Department of Geography, RNC Arts, JDB Commerce and NSC Science College, Nasik road, also observed this day on 11<sup>th</sup> July 2022. Online quiz competition was organized for UG and PG students. e- Certificates of participation were given to the students.

#### **Aim and Objectives:**

1. To raise awareness and educate students about the challenges and consequences associated with global population growth
2. To promote understanding among students regarding tackling the impacts of population growth.
3. To raise awareness about various challenges such as Unemployment, poverty, economic crises, gender inequality etc. arising due to increasing population.

#### **Outcomes:**

1. Students became aware about the challenges caused due to increasing world population.
2. Questions in the quiz forced the students to think broadly over the problems arising due to population growth.
3. Certain questions were also framed in a way that asked suggestions and solutions for various challenges.

4. They were inspired, by numerous examples cited during the talk, to think out of box.
5. They learned the importance of protecting their Intellectual Property.

**Report:**

One-day Seminar on Intellectual Property was organized by the Department of Mathematics in collaboration with Internal Quality Assurance Cell (IQAC) of college on Wednesday, 18<sup>th</sup> October 2022. Dr. K.C. Takale, Co-ordinator of Science and Co-ordinator of Seminar gave the brief idea about one-day seminar. The Principal and IQAC Co-Ordinator Prof. Dr. Manjusha Kulkarni welcomed Dr. Kishori T. Dhumal and Dr. Akash Thakur both are alumni of this college and the resource persons for this one-day seminar on Intellectual Property Rights. The event started with the brief introduction of Asst. Prof. Dr. Kishori T. Dhumal Mam and Asst. Prof. Dr. Akash Thakur.

**Session-I**

In this session Asst. Prof. Dr. Kishori T. Dhumal discussed about Intellectual property, needs and introduction and necessity of IPR, copyright, the similarities and distinctions between patents, Trademarks, and IPR, among other important topics, are covered in her talk.

IP is protected in law by, for example, patents, copyright and trademarks, which enable people to earn recognition or financial benefit from what they invent or create.

A patent is a right granted for an invention. It provides the owner with the right to decide how - or whether - the invention can be used by others. Which is properly publish and register.

An industrial design constitutes the ornamental or aesthetic aspect of an article. A design may consist of three-dimensional features, such as the shape or surface of an article, or of two-dimensional features, such as patterns, lines or color. Geographical indications and appellations of origin are signs used on goods that have a specific geographical origin and possess qualities,

***Asst. Prof. Kishori Dhumal addressing the students during seminar on IPR***

a reputation or characteristics that are essentially attributable to that place of origin. Most commonly, a geographical indication includes the name of the place of origin of the goods

## **Session-II**

Asst. Prof. Dr. Akash Thakur in his talk discussed about Intellectual property, need and ways to safe guard it. He provided numerous everyday instances of trademarks copy right and patents. He urged the students to uncover and protect their creative ideas, through means of Patents, Trademarks or copyright. Intellectual property (IP) refers to creations of the mind, such as inventions; literary and artistic works; designs; and symbols, names and images used in commerce.

IP is protected in law by, for example, patents, copyright and trademarks, which enable people to earn recognition or financial benefit from what they invent or create. By striking the right balance between the interests of innovators and the wider public interest, the IP system aims to foster an environment in which creativity and innovation can flourish.

A patent is an exclusive right granted for an invention. Generally speaking, a patent provides the patent owner with the right to decide how - or whether - the invention can be used by

others. In exchange for this right, the patent owner makes technical information about the invention publicly available in the published patent document.

***Asst. Prof. Dr. Akash Thakur addressing the students during seminar on IPR***

Copyright is a legal term used to describe the rights that creators have over their literary and artistic works. Works covered by copyright range from books, music, paintings, sculpture and films, to computer programs, databases, advertisements, maps and technical drawings.

***The student participants during seminar on IPR***

Such sessions help calm down the students and introduce them to a whole lot of opportunities and we were all grateful to the Principal, Dr. Manjusha Kulkarni, and all the teaching staff members who were an equal part in organizing and making this event a success.

## DEPARTMENT OF HISTORY

### **Report on "Sarkarwada Vastu Sangrahalay" (Sarkarwada Museum)**

As a wise man said you can understand better when you see things with your own eyes than reading about it in the classroom. We department of History follow the same principle and that's why we regularly conduct Study tours for our students. In this process, we conduct One day Study Tour on **24/ 11/ 2022 Thursday** to "*Sarkarwada Vastu Sangrahalay, Nashik*" operated by the Directorate of Archives & Museum, Government of Maharashtra. Our BA Special Students participate in it. We took them to the Sarkarwada Museum to understand our Local History better. The Museum officer Mr. Sojawal Sali gave brief Information about artefacts & Archaeological sculptures which were present there. "Sarkarwada" itself is a Historical Monument it was the administration office of Marathas during the Peshwa Period for the Nashik Region. Students understand how the medieval period Architecture was built. Because of this tour students understand the local history of Nashik also the importance of the Museum and its role in preserving History.

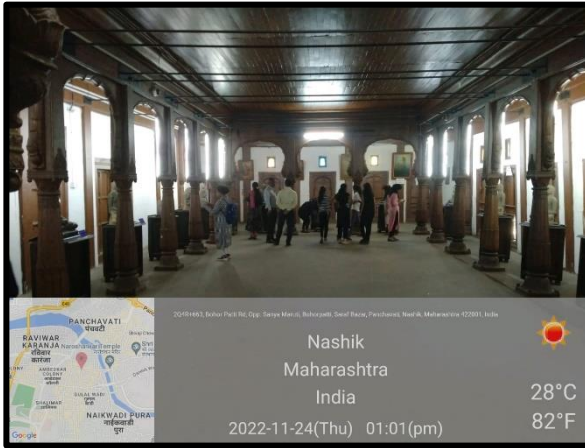

For the Success of this tour my colleagues Mr. Pratik Deshpande, Mr. Krushna Godhe & Mr. Sandeep Hirgal took lots of Effort I like to thank them also I would like to thank the principal of the college Prof. Dr. Mrs. Manjusha Kulkarni Ma'am to support and give us permission for this one day trip.

Anniversary of Krantijyoti Savitribai Phule 3 January, 2023**

On the occasion of Savitribai Phule Jayanti, an Intercollegiate Dr. Babasaheb Ambedkar Poetry Recitation Competition was organized in the seminar hall on Tuesday, January 3, 2023. The program was graced by the presence of renowned poet Shri. Prakash Holkar, Dr. Chandrashekhar Ghughe, Prof. Smita Malve, Dr. Manjusha Kulkarni, and Marathi Department Head Dr. K. M. Lokhande.

The program began with the lighting of the lamp by the dignitaries. A welcome song was presented by Ku. Vidya Sangle, Vaishnavi Chauthve, Nikita Sanap, and Vidya Deshmukh. Prof. Dr. K. M. Lokhande welcomed the guests and gave an introductory speech. Dr. Sharad Nagare introduced the chief guest.

In her presidential address, the college principal, Dr. Manjusha Kulkarni, said that this was the 25th year of the competition being organized on the occasion of the 192nd birth anniversary of Savitribai Phule. She said that women are power and their identity is not limited to the context of men only. Their freedom is essential for nation building.

A total of 33 students from 17 teams from different colleges participated in the competition. In the morning inaugural session, the branch secretary of the institute's Nashik Road branch, Mr. RP Deshpande, was the chairman, while Principal Dr. BN Suryavanshi was the special guest. Vice-Principal Dr. Anil Kumar Pathare, Dr. Akash

Thakur, Junior College Vice-Principal Sunita Nemade and other dignitaries were present.

In his address, Principal Dr. BN Suryavanshi said that poetry recitation is a skill and poetry recitation competitions are a platform to showcase it. He said that such competitions help in personality development and urged the students to participate in them and express themselves.

### नाशिकरोड : प्रतिनिधी

स्पर्धेतील सहभाग हा पारितोषिक इतकाच महत्त्वाचा. मातीचा गंध शब्दातून व्यक्त व्हावा, जे सापडतं ते आपलं नाही जे उगवतं ते आपलं आहे ही धारणा ठेवा. लव्हाव्यासारखे आपल्याला दुःखातून सांवरता आले पाहिजे. वास्तवाची कविता लिहायला शिका. प्रतिभा व प्रतिभा यांचा अविष्कार कवितेतून प्रकट व्हावा कान व डोळे सजग ठेवा, झाडे व निसर्गाला आपले आदर्श माना, असे मत कवी प्रकाश होळकर यांनी व्यक्त केले.

गोखले एज्युकेशन सोसायटीच्या नाशिकरोड येथील बिटको महाविद्यालय व फुले-आंबेडकर स्टुडंट्स असोसिएशन (फासा) यांच्या संयुक्त विद्यमाने क्रांतिज्योती सावित्रीबाई फुले जयंतीनिमित्त आयोजित आंतरमहाविद्यालयीन भारतरत्न डॉ. बाबासाहेब आंबेडकर

राज्यस्तरीय काव्यवाचन स्पर्धा महाविद्यालयाच्या सेमिनार हॉलमध्ये उत्साहात संपन्न झाली. याप्रसंगी व्यासपीठावर प्रमुख अतिथी म्हणून प्रसिद्ध कवी व गीतकार प्रकाश होळकर मार्गदर्शन करताना बोलत होते. त्यांनी काही प्रसिद्ध कवितेतील ओळी सादर केल्या. याप्रसंगी व्यासपीठावर परीक्षक - प्रा. डॉ. चंद्रशेखर घुगे व प्रा. स्मिता माळवे, कार्यक्रमाचे अध्यक्ष व प्राचार्या डॉ. मंजुषा कुलकर्णी, उपप्राचार्य डॉ. आकाश ठाकूर, मराठी विभागप्रमुख डॉ. के.एम. लोखंडे आदी उपस्थित होते. प्रारंभी मान्यवरांच्या हस्ते दीप प्रज्वलन करण्यात आले. विद्या सांगळे, वैष्णवी चोथवे, निकिता सानप, विद्या देशमुख यांनी सावित्री फुले यांच्या कार्याचे गौरव गीत सादर केले. डॉ. के. एम. लोखंडे यांनी प्रास्ताविक केले. प्रमुख पाहुण्यांचा परिचय डॉ. शरद नागरे यांनी केला.

### Report

The annual activities of the Science Association of R.N.C. Arts, J.D.B. Commerce and N.S.C. Science College, Nashik-Road were inaugurated at the college by Professor Dr. Sabyasachi Chatterjee of the Institute of Astrophysics Bengaluru and former national president of All India People's Science Network on 7<sup>th</sup> January 2023.

Speaking on the occasion, Dr Chatterjee stated that science is not just for science students but is required on a global scale to bind all of mankind together and bind all faculties of education too. A holistic approach is required for its development. The progress of science happens in stages. In order to combat epidemics, preventive measures are more crucial than treatment. On this occasion, he also delivered a crucial message: managing your diet and taking the right medications are more important than using alternate therapies like yoga and meditation to recover from chronic illnesses.

Throughout the interactive session, he also responded to various questions related to space science from the audience. Principal in charge of the college, Professor Dr Manjusha Kulkarni, also spoke on the occasion. She welcomed the guests, while Professor Dinesh Bobade introduced the guests. Professor Sanjay Pawar proposed the vote of thanks, and Professor Dr Sudesh Ghoderao, Coordinator of the Science Association, coordinated and delivered the introductory address.

## **Marathi Language Conservation Fortnight 2023**

The Marathi Language Conservation Fortnight 2023 was organized at the college from Saturday, January 14 to Saturday, January 28, 2023. On this occasion, various programs were organized in the college.

On Monday, January 23, 2023, Dr. D.P. Pawar delivered a lecture on the topic "Marathi Language and Employment Opportunities". He gave informative guidance on the areas where job opportunities are available for the youth of today.

On Tuesday, January 24, 2023, Prof. Sunil Hingane delivered a lecture on the topic "Humor and Health". In this, he gave a research-based guidance on how important laughter is in human life.

On Wednesday, January 25, 2023, Mr. Swapnil Sanap delivered a lecture on the topic "Competitive Examination Guidance". In this, he guided the youth on how to prepare for competitive examinations and what their study direction should be.

Along with this, the Marathi department organized the "Marathi Signature Competition and Online Marathi Language Quiz". At the beginning of each program, Dr. Vijaya Dhaneshwar introduced the chief guest. The Marathi department head, Prof. Dr. K.M. Lokhande, gave the introductory speech. On this occasion, Marathi department professors Rajesh Bagul, Prof. Dr. Uttam Karmakar, Prof. Dr. Sambhaji Shinde, Prof. Dr. Sharad Nagre, Prof. Vrushali Ugale, Prof. Dr. Arti Gaikwad,

Prof. Usha Patil, Prof. Kavita Katare and a large number of students were present.

**Here are some additional details about the events that were organized:**

- **Lecture on "Marathi Language and Employment Opportunities" by Dr. D.P. Pawar:**

Dr. Pawar spoke about the importance of the Marathi language in the current job market. He highlighted the various sectors where Marathi speakers can find employment, such as education, government, and the media. He also gave tips on how to improve one's Marathi language skills.

- **Lecture on "Humor and Health" by Prof. Sunil Hingane:**

Prof. Hingane spoke about the benefits of laughter for physical and mental health. He shared research findings that show that laughter can reduce stress, boost the immune system, and improve mood. He also led the audience in some laughter exercises.

- **Lecture on "Competitive Examination Guidance" by Mr. Swapnil Sanap:**

Mr. Sanap shared tips on how to prepare for competitive examinations. He spoke about the importance of setting a goal, creating a study plan, and practicing regularly. He also gave advice on how to stay motivated and manage stress during the exam preparation process.

- **Marathi Signature Competition and Online Marathi Language Quiz:**

The Marathi department organized two competitions to promote the Marathi language. The Marathi Signature Competition was open to all students. The Online Marathi Language Quiz was conducted online and was open to students from all over the world.

The Marathi Language Conservation Fortnight 2023 was a successful event that helped to promote the Marathi language and culture. The various programs that were organized were informative and engaging, and they provided students with an opportunity to learn more about the Marathi language and its importance.

## Report

### Online Quiz Competition 2022-23

---

The Department of Geography celebrated World Geography Day on January 14, 2023 with great enthusiasm. The program was presided over by the Principal-in-charge, Dr. Manjusha Kulkarni. In his introductory speech, Dr. Sudhakar Borse highlighted the importance of World Geography Day and gave an overview of the department's activities throughout the year, including its excellent results and the achievements of its faculty members. He also shared some important information about the subject of Geography. Apart from guest lecture, a Geography Quiz Competition was organized through online mode, with the aim of enhancing students' knowledge and understanding of the subject. A total of 195 students participated in the quiz, which consisted of 25 questions of 2 marks each, administered through a Google form. Students from S.Y. and T.Y.B.A., F.Y. and S.Y.B.Sc. (Geography Special) and F.Y./S.Y. and T.Y. B.A. (General Geography) participated in the competition. E-certificates were sent to all participants who scored more than 40 marks.

#### **Aim and Objectives:**

- Enhance students' knowledge and understanding of geography.
- Spark interest and enthusiasm for the subject.
- Promote healthy competition and collaborative learning.
- Recognize and appreciate outstanding academic achievement.
- To raising awareness about the importance of geography, promoting its study, and encouraging global understanding.

#### **Outcomes:**

- The quiz results provided a valuable insight into students' strengths and weaknesses in geography, allowing educators to tailor their teaching methods and address any learning gaps.
- The quiz prompted students to analyze information, make connections, and apply their knowledge to solve questions, fostering critical thinking and problem-solving abilities.
- The act of participating in the quiz and revisiting geographical information helped students retain knowledge and improve their ability to recall facts and concepts.

### Report:

Dr. Meenakshi Rathi recently organized a comprehensive UV Spectroscopy quiz for TYBSc Chemistry students, covering various question formats such as one-word answers, multiple-choice questions (MCQs), fill in the blanks, and a rapid-fire round. The quiz aimed to assess the students' understanding of UV spectroscopy principles and applications.

The quiz generated a dynamic learning environment, challenging students' knowledge and analytical skills. Dr. Rathi's strategic inclusion of different question types ensured a well-rounded evaluation of the participants. The event fostered a competitive yet supportive atmosphere, encouraging active participation and engagement among the students.

*Dr. Meenakshi Rathi is interacting with TYBSc students and conducting a quiz competition with them.*

**Out Comes:**

- Enhanced Understanding: Students deepened their understanding of UV spectroscopy principles.
- Diverse Evaluation: The inclusion of various question formats provided a holistic assessment.
- Competitive Spirit: The quiz fostered healthy competition, motivating students to excel.
- Active Participation: The dynamic nature of the quiz encouraged widespread student involvement.
- Improved Analytical Skills: The challenging rapid-fire round sharpened students' quick thinking and analytical abilities.

## DEPARTMENT OF ENGLISH

# Report on Power Point Presentation Competition

## 11 February 2023

**Aims:** To promote soft skills among students and enhance their computer compatibility.

**Objectives:**

1. To enhance public speaking skills
2. To nurture corporate communication among students
3. To provide a platform to student to exhibit their presentation skills

**Introduction:**

The department of English organized a Power Point Presentation competition for MA Part I Students on 11 February 2023. The main purpose of this competition was to provide a platform for students to display their presentation skills, kill their stage phobia and enhance their public speaking skills. The students used mobile apps for presentation.

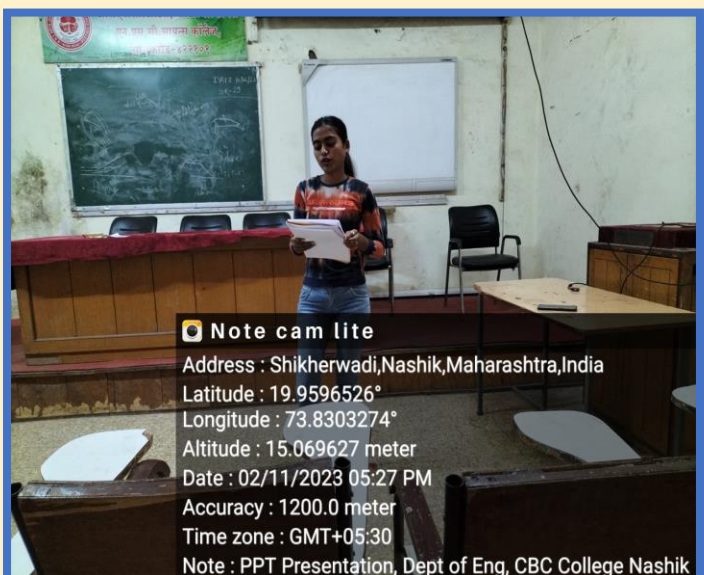

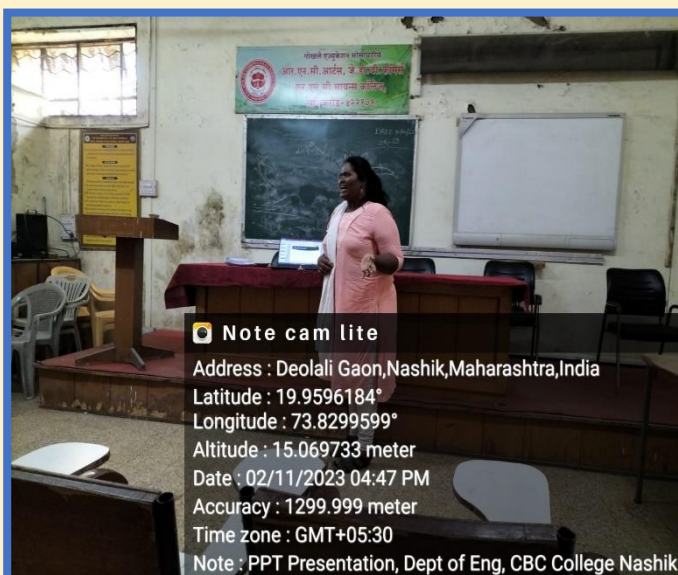

All the MA Part-I Students enthusiastically participated in the Power Point Presentation Competition. To inculcate self-learning the students were asked to prepare a PPT on the subject of their own choice and present it. Assist. Prof. Kavita Khare and Assist. Prof. Swapnil Alhat worked as jury of the competition.

First position was bagged by Miss Rutuja Sathe, second position bagged by Miss Akanksha Kalwale and third position bagged by Shahista Shaikh

**Summary:**

Savitribai Phule Pune University, Student Development Board, Academic Year 2022-2023 under the auspices of Gokhale Education Society's R.N.C. Arts, J.D.B. Commerce and N.S.C. Science College, Nashik Road 422909.

A two-day workshop on the Nirbhaya Kanya Abhiyan was organized at our college on February 17 and 20, 2023. The workshop was inaugurated by the Principal of the College, Dr. Manjusha Kulkarni. The workshop was attended by 35 students and 334 girl students, a total of 369 students, along with teachers and non-teaching staff.

In this workshop, the following speakers delivered lectures on various topics. These lectures were very beneficial for the students. The speakers gave valuable guidance to the students on how to live in a fear-free environment and how women should remain strong mentally and intellectually. Self-defense lessons were also given to the students.

**Outcome:**

The outcome of the workshop was that the participants gained valuable knowledge and skills that they can use to stay safe and empowered. They also learned about the importance of speaking out against gender-based violence and discrimination.

## भरड धान्य रेशनवरही द्यावे : जोरवर

» ना.रोड । दि. १ प्रतिनिधी

सरकारने भरड धान्यांचा समावेश शालेय विद्यार्थ्यांच्या मध्यान्ह भोजनात, गर्भवती आणि स्तनदा मातांच्या आहारात करावा. तसेच भरड धान्य रेशन दुकानात उपलब्ध करावे, असे प्रतिपादन कळसूबाई मिलेट फार्मर्स कंपनीच्या अध्यक्षा नीलिमा जोरवर यांनी केले.

बिटको महाविद्यालयातील सायन्स असोसिएशनतर्फे आंतरराष्ट्रीय भरडधान्य वर्षानिमित्त कार्यक्रम झाला. त्यावेळी त्या बोलत होत्या. प्रभारी प्राचार्या प्रा. डॉ. मंजुषा कुलकर्णी, उपप्राचार्य डॉ. अनिल पठारे, डॉ. आकाश ठकूर प्रा. डॉ. कल्याणराव टक्ले, प्रा. डॉ. सुदेश घोडेराव यांची प्रमुख उपस्थिती होती. यावेळी नीलिमा जोरवर म्हणाल्या की, भरड

धान्याला आदिवासी लोक देवधान्य तर शासन जादुई धान्य म्हणते. त्यात औषधी, विष विरोधी, शाश्वत, पर्यावरणपूरकसह विविध गुणधर्म आहेत. हे कोरडवाहू पीक असून त्यांच्यापासून झटपट अन्नपदार्थ तयार करता येतात. जनावरांना चारा म्हणूनही या धान्य पिकांचा उपयोग होतो. भरडच्या देशी धान्याच्या बियाणांची प्रतिकारशक्ती वाढलेली असून पीक घेण्यासाठी खतांची किंवा औषधांची गरज पडत नाही. भरड धान्य घेतल्यास कृत्रिम अन्नघटक

द्यावे लागत नाही. भरड धान्याबाबत ज्ञानाचा अभाव, रासायनिक शेतीचे वाढते प्रमाण, तांदूळ, गहू यांची सोप्या पद्धतीने विक्री आदींमुळे भरड धान्याचा प्रसार झाला नाही. याप्रसंगी प्रा. वंदना शेवाळे, प्रा. डॉ. हेमंत भट, प्रा. डॉ. किशोरी धुमाळ, प्रा. डॉ. संजय पवार, प्रा. राहुल उपळाईकर, प्रा. निलेश महाजन, प्रा. गणेश दिलवाले, प्रा. डॉ. विशाल माने, प्रा. डॉ. अश्विनी घनबहादूर मोरे, प्रा. प्रणाली पंडित, प्रा. राजश्री नाईक, प्रा. वसीम बेग उपस्थित होते.

## **Marathi Language Day Celebration**

### **Marathi Language Day Celebration**

On Wednesday, 1 March, 2023 on the occasion of February 27, 2023, the Marathi department of the college organized various programs to celebrate Marathi Language Day. In this, the students presented various art forms such as Bharud, Lavani, Powada, Kavita Vachan and Loknritya. The introductory speech of the program was given by the Marathi department head, Prof. Dr. K.M. Lokhande. On this occasion, Marathi department professors Rajesh Bagul, Prof. Dr. Uttam Karmakar, Prof. Dr. Sambhaji Shinde, Prof. Dr. Sharad Nagre, Prof. Vrushali Ugale, Prof. Usha Patil, Prof. Dr. Arti Gaikwad and Prof. Kavita Katare were present along with a large number of students.

**Here are some additional details about the programs that were organized:**

- **Bharud:**

Bharud is a traditional Marathi folk art form that is performed by a group of singers and dancers. The songs are typically about historical events or religious themes.

- **Lavani:**

Lavani is a popular Marathi folk dance that is performed by women. The dances are typically accompanied by songs that are about love, beauty, and social issues.

- **Powada:**

Powada is a Marathi ballad that is typically about historical events or heroic figures.

- **Kavita Vachan:**

Kavita Vachan is a poetry recitation competition. The students recited poems in Marathi on a variety of topics.

- **Loknritya:**

Loknritya is a traditional Marathi folk dance. The dances are typically performed to the accompaniment of traditional Marathi music.

The Marathi Language Day celebration was a successful event that helped to promote the Marathi language and culture. The various programs that were organized were informative and engaging, and they provided students with an opportunity to learn more about the Marathi language and its importance.

Speaking on the occasion, Dr Chatterjee stated that science is not just for science students but is required on a global scale to bind all of mankind together and bind all faculties of education too. A holistic approach is required for its development. The progress of science happens in stages. In order to combat epidemics, preventive measures are more crucial than treatment.

On this occasion, he also delivered a crucial message: managing your diet and taking the right medications are more important than using alternate therapies like yoga and meditation to recover

from chronic illnesses. Throughout the interactive session, he also responded to various questions related to space science from the audience.

Principal in charge of the college, Professor Dr Manjusha Kulkarni, also spoke on the occasion. She welcomed the guests, while Professor Dinesh Bobde introduced the guests. Professor Sanjay Pawar proposed the vote of thanks, and Professor Dr Sudesh Ghoderao, Coordinator of the Science Association, coordinated and delivered the introductory address.
