BBt-508 & BBt-608 SEC – II & SEC IV: Project formulation and presentation

TY B.Sc Biotechnology students have completed 2 credit course of BBt-508 & BBt-608 Project formulation & Presentation. The objective of this course is to help students in organization of research ideas material and objectives for their dissertation and development of their communication skills. The student may opt for this course in the 5th semester and it will continue in the 6th semester making it a total of 6 credit course it involves laboratory/experimental/field work under the guidance of supervisor leading to presentation of a comprehensive report based on the experimental learning, through focused skill building activity. All the students of TY Biotechnology have successfully completed the course. Guides were allotted to students at the beginning of the semester. Under the guidance of teachers all the students successfully completed the projects and presented the PowerPoint presentation in front of external examiners.
