Objectives:

- To allow students a chance to talk about a topic they are interested in.
- Assisting learners in developing self-assurance when making presentations in front of peers.

Summary:

- On September 5, 2022, Teachers Day,
 F.Y.B.Sc. Zoology students willingly shared their areas of interest.
- The students self-confidence increased as they presented the subject to their peers.
- The students explained concepts in an easy and lucid manner.

Outcome:

- Presenters gained confidence while presenting the talk
- Concepts were clarified in a simple and lucid way.
- Students who had not actively participated, were motivated.

Professor Dr. Satish Chavan conducted a hands-on qualitative analysis of organic compounds practical, engaging SY BSc students in a dynamic learning experience. The activity focused on enhancing students' understanding of organic chemistry through practical application. Prof. Chavan's interactive approach fostered active participation,

enabling students to grasp complex concepts effectively. The outcomes showcased improved comprehension, heightened lab skills, and a deeper appreciation for qualitative analysis. This demonstration exemplified the professor's commitment to experiential learning, contributing to the holistic development of students in the field of organic chemistry. Students also successfully performed the qualitative analysis of given unknown organic compounds under the supervision of

Report:

On the occasion of World life day, the Department of Zoology had organized a Quiz in the subject Zoology, through offline mode, on 25th February 2022. 24 Students (14 F.Y.B.Sc and 10 S.Y.B.Sc) had actively participated in the quiz. Students were grouped in six groups. The quiz was conducted in five rounds. First two rounds were the elimination rounds. Multiple choice questions including Pictures and Videos, were asked. The aim of conducting the quiz was to motivate the students to explore the zoological world. Participation certificates were given to the winners and all the participants.

Aim:

To celebrate World Wildlife Day 2022

Objectives:

- To educate students about the importance of conservation of wildlife
- To create awareness about the importance of conservation of wildlife.
- To promote creativity and critical thinking among students.
- To provide students with an opportunity to showcase their knowledge of wildlife

Objectives:

The following are the goals:

- · To teach students the value of using natural fertilizers like vermicompost;
- •To teach them how to set up the vermicompost beds.
- To instruct them on how to maintain vermibed and what safety measures to take.

Summary:

- Vermicomposting is a method that F.Y.B.Sc. students are required to learn as part of their syllabus.
- In order to provide the students with practical training, they were taken to the college's Botanical Garden, where the Department of Zoology has established a Vermicompost unit.
- The process of setting up a vermicompost unit was shown to the students.
- The maintenance and safety precautions to be taken, were explained

Ms. Khusbu Chaudhary explaining the maintenance of vermicompost pit to the students.

Outcome:

After completion of visit students came to know following details:

- After completion of the visit, students gained knowledge about recycling the organic waste from agricultural field, garden or kitchen.
- They experienced the concept,
 'From nature... To Nature'.
- They realized the harmful effects of chemical fertilizers and benefits of natural fertilizers like vermicompost.

Students' joyful expressions upon quenching their thirst for knowledge about vermicompost and the necessary maintenance.

Event	Performance of Ecology Practical
No. of Students	30

Objectives:

- To provide an opportunity of self-learning.
- Assisting learners in developing selfassurance.

Summary:

As a part of curriculum, students of F.Y.B.Sc
 Zoology have to learn quadrat method of measuring diversity of animals. Students were given an opportunity to place quadrat on ground, asked to observe different types of animals in the quadrate and further measure the diversity of animals.

- Students took keen interest while performing the practical.
- Concept of Quadrat method, line and Transact method was clarified.
- Students learned to do keen observation of animals.
- They observed variety of animals.

Class and specialization	F.Y.B.Sc. Students				
No. of students benefitted	150				
Solar lamps produced	80				

Topic Covered:

· Sources of renewable energy, Solar energy, energy swaraj concept

Objectives:

- To get knowledge of construction and working of solar energy based equipments like solar lamp
- Importance of solar equipments and solar energy sector

Summary:

- Under the aegis of the Department of Energy Science and Engineering, IIT Bombay the
 F.Y.B.Sc. students were gathered in the seminar hall college at 9.00 am for the Global
 Gandhi Solar Yatra Program organized by our college to celebrate the 150th Birth
 Anniversary of Mahatma Gandhi to bring "Energy Swaraj" on the lines of Mahatma
 Gandhi's epitomized philosophy of "Gram Swaraj."
- As a culmination of this yatra, a Students Solar Ambassador Workshop is organized to give hands-on training in solar lamp assembly on 2nd October 2019.
- The Global Gandhi Solar Yatra Program was inaugurated by our honourable Principal
 Dr. Dhanesh Kalal with Saraswati Poojan in the presence of Vice Principal Dr.
 Manjusha Kulkarni, Vice Principal Dr. Mahesh Auti, Dr. Prakash Landge, Head,
 Department of Physics, Asso. Prof. Geeta Jagirdar, Assist Prof. Rahul Uplaikar, Assist
 Prof. Ganesh Dilwale, Assist Prof. S.D.Nimbalkar, Pushkar Kulkarni.
- Assist Prof. Ganesh Dilwale and Assist Prof. Rahul Uplaikar conducted introductory
 and knowledge-oriented session about solar cell, solar energy, and solar lamp assembly
 in the morning session.
- In the afternoon, a solar lamp assembly session was conducted in the Physics
 Department for 4 hours.
- At the end of the workshop, students were flaunting the lighted solar lamp on the college campus and they were ecstatic and proudly happy about their creation of the solar lamp.

Outcomes:

- This activity can be viewed as a skill development program to enhance communication skills, leadership, problem-solving, active listening, team building, and task planning.
- It was a noble cause which is based on the Gandhian Principles of 'non-violence,' 'Swaraj' and 'self-sufficiency'

3. Students got knowledge about "Energy Swaraj" where people could start generating and consuming their own energy needs.

Skill Development Program
Introduction of Nevari Script Course, January 2020

The Introduction of Nevari Script course was organized by the Department of History college from 30/01/2020 to 01/02/2020 under the guidance of Prof. Dr. Manjusha Kulkarni, the Principal of the college. Mr. Pratik Deshpande, working as an Assistant Professor in the Department of History, successfully completed this 'Introduction of Nevari Script course' under the valuable guidance of Dr. Shashikant Sable, the Head of the Department of History.

Nevari Script is a beautiful script of Ancient Indian history. The Nevari Script Training Course is a good initiative to teach students about the Nevari Script and to advance their knowledge towards historical research. The students in the department were enthusiastic about learning the Nevari Script. Therefore, starting with basic knowledge of Nevari from the beginning, various exercises were conducted on paper practice until the students became proficient in reading the words and deciphering the texts, recognizing different periods, identifying files, and maintaining a continuous appraisal. The students actively participated in this training program with increasing enthusiasm, and finally, they submitted written reports in Nevari Script to the department.

The student's active participation and the difficulties they faced in learning Nevari Script made this Nevari Script training class a successful and enthusiastic event in the Department of History. During the organization of this training class, Principal Prof. Dr Manjusha Kulkarni's valuable advice and guidance, as well as the timely cooperation of Mrs. Nandini Deshmukh and Mr. Krushna Godhe, were received.

COVID-19 AAROGYA SETU AWARENESS QUIZ

Title of the activity:	Covid-19 Aarogya Setu Awareness Quiz
Name of Event Coordinator:	Dr. Satish M.chavan Assit. Prof. Vishal U. Mane
No. of students/participants benefitted	203

Topic Covered:

Various aspects of the Aarogya Setu App for COVID-19 eradication.

Objectives:

- The main objective of the COVID-19 Aarogya Setu Awareness Quiz was to get the information regarding Aarogya Setu App.
- To get knowledge of various uses of the Aarogya Setu App for the control of COVID-19 pandemic disease.

Summary:

Aarogya Setu is a mobile application developed by the Government of India which connects the various essential health services with the people of India. The application is playing a crucial role in our combined fight against COVID-19. The application has come up with an intuitive User Interface and comprehensive features such as creation, discovery & linking of health records to enable longitudinal digital health records, Simplified Consent Management for sharing these records, and a Seamless Search feature to find Nearby Hospitals, Labs and Blood Banks.

The following are some of the key features of the Aarogya Setu platform:

Various filters and some crucial information like contact number, email, distance, direction, navigation, etc. are also provided for users' convenience.

- · Self-Assessment test based on ICMR guidelines
- Facilitates the Registration of Covid-19 vaccine registration
- Facilitates the download of the Covid-19 vaccine certificate
- A completely revamped User Interface and User Experience
- Open API-based Health Status Check
- Updates, advisory, and best practices related to COVID-19
- Nation-wide COVID-19 statistics
- Emergency COVID-19 Helpline contacts
- List of ICMR approved Labs with COVID-19 testing facilities
- Provides the infection Status of the User
- QR Code scan feature to share Health Status
- Support for over 12 Languages

Considering all the above facts, the Department of Chemistry has decided to conduct an online COVID-19 Aarogya Setu Awareness Quiz after oral consent from Dr. S. J. Kharat, Head of the Chemistry Department, and the Principal Dr. Dhanesh Kalal.

Outcomes:

- √ After completion of the COVID-19 Arogya Setu Awareness Quiz, the students and their
 parents will get complete information on the efforts taken by the Government of India and
 the State Government of Maharashtra to control COVID-19.
- ✓ The total number of participants who participated was 203.

6.	Names of the committee Members	Dr.D.G. Shimpi
7.	Mode of Conduct of the Event (Online/Offline)	Offline
8.	Number of Participants	12

Aim:

- 1. To study herbaceous plant vegetation in their natural habitat by quadrant method.
- 2. To study plant diversity of a particular area like any ecosystem like grassland, forest etc...
- To study the frequency, abundance, density of plants found in the college campus.

Report:

Students of S.Y.B.Sc Botany have to study herbaceous plant vegetation by quadrant method as a part of their practical course. Students were asked to place ten, 1x 1 meter size quadrant on college playground for study of vegetation. They were asked to note down name & number of plants that they observed in each quadrant. From the obtained data they studied frequency, density & abundance of the plants.

Students Placing the Quadrant for studying the vegetation

Quadrant placed by one group of students

Outcomes:

- Students studied diveristy and abundance of herbaceous plants with the help of qudrat method.
- 2. They also studied which plant species are dominant & which species are rare in the particular area.
- They were introduced to various type of ecological methods like line transect method, belt method, quadtat method & by remote sensing method with the help of which vegetation can be studied.

Objectives:

The term "Modi Script" can refer to a historical script used for writing the Marathi language, particularly during the medieval period.

- Preserving Cultural Heritage: Training in Modi Script aims to preserve and promote a historical and culturally significant writing system, contributing to the conservation of linguistic heritage.
- Historical Understanding: Students undergoing Modi Script training gain insights into the historical context in which the script was used, understanding its evolution and significance in the region.
- Documenting Archives: Training facilitates the ability to read and transcribe historical documents, manuscripts, and inscriptions written in Modi Script, aiding in the documentation and preservation of historical records.
- Promoting Linguistic Diversity: Learning Modi Script contributes to the recognition and celebration of linguistic diversity, as it represents a distinct script within the broader landscape of Indian languages.
- 5. Research and Scholarship: Training in Modi Script equips individuals with the skills to engage in scholarly research focused on historical texts, literature, and documents that utilize this script.
- Educational Initiatives: Incorporating Modi Script training into educational programs supports broader initiatives to introduce students to diverse writing systems, fostering a well-rounded understanding of linguistic history.

Translated version of Report on Modi Script Training Workshop-2019

Department of History

Modi Script Training Workshop, February 2019

A Modi Script Training Workshop was organized by the Department of History college from 21/02/2019 to 02/03/2019 under the guidance of Dr. Dhanesh Kalal, the Principal of the college. Ms. Aditi Kulkarni, working as an Assistant Professor in the Department of History, successfully completed this Modi Script Training Workshop under the valuable guidance of Dr. Shashikant Sable, the Head of the Department of History.

Modi Script is a beautiful Marathi script of Indian history. The Modi Script Training workshop is as a good initiative to teach students about Modi Script and to advance their knowledge towards historical research. The students in the department were enthusiastic about learning Modi Script. Therefore, starting with the basic knowledge of Modi from the beginning, various exercises were conducted on paper practice until the students became proficient in reading the words and deciphering the texts, recognizing different time periods, identifying files, and maintaining a continuous appraisal. The students actively participated in this training program with increasing enthusiasm, and finally, they submitted written reports in Modi Script to the department.

The students' active participation and the difficulties they faced in learning Modi Script made this Modi Script training class a successful and enthusiastic event in the Department of History. During the organization of this training class, Principal Dr. Dhanesh Kalal's valuable advice and guidance, as well as the timely cooperation of Dr. Santosh Bodake and Mr. Pratik Deshpande, were received.

Short Report

The Department of Geography celebrated World Geography Day on January 14, 2023 with great enthusiasm. The program was presided over by the Principal-in-charge, Dr. Manjusha Kulkarni. In his introductory speech, Dr. Sudhakar Borse highlighted the importance of World Geography Day and gave an overview of the department's activities throughout the year, including its excellent results and the achievements of its faculty members. He also shared some important information about the subject of Geography. Apart from guest lecture, a Geography Quiz Competition was organized through online mode, with the aim of enhancing students' knowledge and understanding of the subject. A total of 195 students participated in the quiz, which consisted of 25 questions of 2 marks each, administered through a Google form. Students from S.Y. and T.Y.B.A., F.Y. and S.Y.B.Sc. (Geography Special) and F.Y./S.Y. and T.Y. B.A. (General Geography) participated in the competition. E-certificates were sent to all participants who scored more than 40 marks.

Aim and Objectives:

- Enhance students' knowledge and understanding of geography.
- Spark interest and enthusiasm for the subject.
- Promote healthy competition and collaborative learning.
- Recognize and appreciate outstanding academic achievement.
- To raising awareness about the importance of geography, promoting its study, and encouraging global understanding.

Outcomes:

- The quiz results provided a valuable insight into students' strengths and weaknesses in geography, allowing educators to tailor their teaching methods and address any learning gaps.
- The quiz prompted students to analyze information, make connections, and apply their knowledge to solve questions, fostering critical thinking and problem-solving abilities.
- The act of participating in the quiz and revisiting geographical information helped students retain knowledge and improve their ability to recall facts and concepts.

Short Report

Online Quiz Competition on Occasion of World Population Day

2022-23

World population Day is observed every year on 11th July, inspired by the public interest in Five Billion Day on 11th July, 1987. The event was established by the Governing Council Of the United Nations Development Programme in 1989. Department of Geography, RNC Arts, JDB Commerce and NSC Science College, Nasik road, also observed this day on 11th July 2022. Online quiz competition was organized for UG and PG students. e- Certificates of participation were given to the students.

Aim and Objectives:

- To raise awareness and educate students about the challenges and consequences associated with global population growth
- To promote understanding among students regarding tackling the impacts of population growth.
- To raise awareness about various challenges such as Unemployment, poverty, economic crises, gender inequality etc. arising due to increasing population.

Outcomes:

- Students became aware about the challenges caused due to increasing world population.
- Questions in the quiz forced the students to think broadly over the problems arising due to population growth.
- Certain questions were also framed in a way that asked suggestions and solutions for various challenges.

Report of State-Level Poetry Recitation Competition on the Birth Anniversary of Krantijyoti Savitribai Phule 3 Janevary, 2023

On the occasion of Savitribai Phule Jayanti, an Intercollegiate Dr. Babasaheb Ambedkar Poetry Recitation Competition was organized in the seminar hall on Tuesday, January 3, 2023. The program was graced by the presence of renowned poet Shri. Prakash Holkar, Dr. Chandrashekhar Ghughe, Prof. Smita Malve, Dr. Manjusha Kulkarni, and Marathi Department Head Dr. K. M. Lokhande.

The program began with the lighting of the lamp by the dignitaries.

A welcome song was presented by Ku. Vidya Sangle, Vaishnavi
Chauthve, Nikita Sanap, and Vidya Deshmukh. Prof. Dr. K. M.

Lokhande welcomed the guests and gave an introductory speech. Dr.

Sharad Nagare introduced the chief guest.

In her presidential address, the college principal, Dr. Manjusha Kulkarni, said that this was the 25th year of the competition being organized on the occasion of the 192nd birth anniversary of Savitribai Phule. She said that women are power and their identity is not limited to the context of men only. Their freedom is essential for nation building.

A total of 33 students from 17 teams from different colleges participated in the competition. In the morning inaugural session, the branch secretary of the institute's Nashik Road branch, Mr. RP Deshpande, was the chairman, while Principal Dr. BN Suryavanshi was the special guest. Vice-Principal Dr. Anil Kumar Pathare, Dr. Akash

Thakur, Junior College Vice-Principal Sunita Nemade and other dignitaries were present.

In his address, Principal Dr. BN Suryavanshi said that poetry recitation is a skill and poetry recitation competitions are a platform to showcase it. He said that such competitions help in personality development and urged the students to participate in them and express themselves.

स्पर्धेतील सहमाग हा
पारितोषिक इतकाच महत्त्वाचा.
मातीचा गंध शब्दातून व्यक्त व्हावा,
जे सापडतं ते आपलं नाही जे
उगवतं ते आपलं आहे ही धारणा
ठेवा. लव्हाळ्यासारखे आपल्याला
दुःखातून सावरता आले पाहिजे.
वास्तवाची कविता लिहायला शिका.
प्रतिमा व प्रतिभा यांचा अविष्कार
कवितेतून प्रकट व्हावा कान व डोळे
सजग ठेवा, झाडे व निसर्गाला आपले
आदर्श माना,असे मत कवी प्रकाश
होळकर यांनी व्यक्त केले.

Marathi Language Day Celebration

Marathi Language Day Celebration

On Wednesday, 1 March, 2023 on the ocetiion of February 27, 2023, the Marathi department of the college organized various programs to celebrate Marathi Language Day. In this, the students presented various art forms such as Bharud, Lavani, Powada, Kavita Vachan and Loknritya. The introductory speech of the program was given by the Marathi department head, Prof. Dr. K.M. Lokhande. On this occasion, Marathi department professors Rajesh Bagul, Prof. Dr. Uttam Karmakar, Prof. Dr. Sambhaji Shinde, Prof. Dr. Sharad Nagre, Prof. Vrushali Ugale, Prof. Usha Patil, Prof. Dr. Arti Gaikwad and Prof. Kavita Katare were present along with a large number of students.

Here are some additional details about the programs that were organized:

· Bharud:

Bharud is a traditional Marathi folk art form that is performed by a group of singers and dancers. The songs are typically about historical events or religious themes.

Lavani:

Lavani is a popular Marathi folk dance that is performed by women. The dances are typically accompanied by songs that are about love, beauty, and social issues.

Powada:

Powada is a Marathi ballad that is typically about historical events or heroic figures.

Kavita Vachan:

Kavita Vachan is a poetry recitation competition. The students recited poems in Marathi on a variety of topics.

Loknritya:

Loknritya is a traditional Marathi folk dance. The dances are typically performed to the accompaniment of traditional Marathi music.

The Marathi Language Day celebration was a successful event that helped to promote the Marathi language and culture. The various programs that were organized were informative and engaging, and they provided students with an opportunity to learn more about the Marathi language and its importance.

Report of the Inauguration Ceremony of Literary Circle

Dr. Sandeep Sangle, a member of the Marathi Studies Board of Savitribai Phule Pune University and Vice-Principal of Dhamdhere College, Shirur, said that along with various efforts to get Marathi language the status of a classical language, efforts should be made to make Marathi language more fluent. It is very important that the experience and review of the common man's struggle after the Kovid period and the subsequent scattered life should come extensively in the literature.

The inauguration of the Marathi Mandal of Bitco College, Nashik Road, of Gokhale Education Society was held on Thursday, December 23, 2021 in the seminar hall. He was speaking as the chief guest on the occasion. The program was chaired by the college's Principal Dr. Manjusha Kulkarni, Vice-Principal Dr. Vidyullata Hande, Marathi Department Head Dr. Vijaya Dhaneshwar, Dr. K.C. Takle and others were present. At the beginning, the dignitaries were welcomed by Dr. Sambhaji Shinde by lighting the lamp and introducing the dignitaries. Dr. Vijay Dhaneshwar presented an overview of the various programs of the Marathi department in the preface. Student representative Ms. Shraddha Gaikwad expressed her views. In the presidential address, Dr. Manjusha Kulkarni said that there is a need for a language board in the college to meet the needs of Marathi language and to provide a platform for the hidden talents of the students. The program was compered by Dr. Sharad Nagre and the vote of thanks was proposed by Prof. Rajesh Bagul. Prof. Bhimraj Pagare, Prof. Snehal Pawar, Prof. Vrushali Ugale and Dr. Uttam Karmakar worked hard for the success of the program.

The following are the key points of Dr. Sangle's speech:

- Marathi language should be made more fluent.
- The experience and review of the common man's struggle after the Kovid period and the subsequent scattered life should come extensively in the literature.

 Efforts should be made to get Marathi language the status of a classical language.

I hope this translation is helpful. Please let me know if you have any other questions.

Asst.Prof.Dr.Vijaya Dhaneshwar Head of the Departement

Report:

In the academic year 2020-21, the Marathi department organized the Dr. Babasaheb Ambedkar State-level poetry competition on the occasion of Savitribai Phule Jayanti. The competition saw participation from 26 students representing 12 colleges across Maharashtra. The winners were Nishant Sanjay Deshpande (Shrimati Kashibai Navale Engineering College, Pune) securing the first prize, Gautam Kedarnath Jagtap (Maharaja Sayajirao Gaekwad College, Malegaon Camp) winning the second prize, and Sushir Shashikant Ushi (KK Wagh Engineering College, Nashik) and Siddheshwari Subhash Bhojdare (Bytco College, Nashik Road) jointly securing the third place.

M.S. Gosavi, Secretary of Gokhale Education Society, Nashik, presided over the event, with Zonal Secretary Dr. Ram Kulkarni as the chief guest. The competition was adjudicated by Dr. Pratibha Jadhav from Lasalgaon College and renowned poetess Alka Kulkarni. The event was attended by In-charge Principal Dr. S.N. Tupe, Vice Principals Dr. D.G. Belgaonkar, Dr. Manjusha Kulkarni, and Dr. Mahesh Auti, along with students and professors from various departments.

Additionally, on the occasion of Marathi Official Language Pride Day, Shri. Nilesh Madane, the Public Relations Officer of Maharashtra Vidhan Bhavan Secretary, delivered a lecture on the significance of Marathi in the administrative sector.

The success of the competition was attributed to the hard work of all teachers in the department, including Dr. Vijaya Dhaneshwar, Prof. Rajesh Bagul, Dr. Uttam Karmalkar, Prof. Dr. Sambhaji Shinde, Dr. Sharad Nagre, Vrishali, Prof. Bhimraj Pagare, and Prof. Usha Patil.

Outcomes:

- Enhanced Creativity: Engaging in poetry reading and recitation allowed students to express themselves creatively, fostering a deeper appreciation for literature and language.
- Skill Development: Students had the opportunity to hone their public speaking and presentation skills through the competition, gaining confidence in expressing their thoughts and emotions.
- Cultural Awareness: The competition provided a platform for students from diverse backgrounds to showcase their cultural perspectives through poetry, promoting cultural awareness and understanding.

- Competition Experience: Participating in a state-level competition exposed students to a higher level of competition, challenging them to strive for excellence and encouraging healthy competition.
- 5. Recognition and Achievement: Winning or even participating in the competition offered students a sense of recognition and achievement, boosting their confidence and motivating them to pursue their literary interests further.

Objective of Quiz: The Objective behind to organize Quiz competition is to evaluate the knowledge of the participants within academics as well as beyond academics and to make them familiar with the prospects of quizzes and the objectivity of the questions. To know contribution of statisticians in national development.

National Statistics Day

The Government has been celebrating the Statistics Day, to popularise the use of Statistics in everyday life and sensitise the public as to how Statistics helps in shaping and framing policies. It has been designated as one of the Special Days to be celebrated at the national level and is celebrated on the birth anniversary of Prof. P C Mahalanobis, on 29thJune, in recognition of his invaluable contribution in establishing the National Statistical System.

This year it has been decided to celebrate the Statistics Day, 2020 virtually, in view of the travel and safety advisories on account of the global COVID-19 pandemic. The event will be chaired by Union Minister of State (Independent Charge) of Ministry of Statistics and Program Implementation and Ministry of Planning, Rao Inderjit Singh. Dr. Bibek Debroy, Chairman, Economic Advisory Council to the Prime Minister and President, Council of Indian Statistical Institute, Shri Pravin Srivastava, Chief Statistician of India-cum-Secretary, Ministry of Statistics and Program Implementation, along with senior officers of Central/ State Governments and other stakeholders will be present on the occasion.

Prof Bimal Roy, Chairman, National Statistical Commission, Dr. Preeti Sudan, Secretary, Ministry of Health and Family Welfare, Prof. Sanghamitra Bandyopadhyay, Director, Indian Statistical Institute, International Participants from UN Women, UN ESCAP and other stakeholders will also participate in the event through video conferencing.

In 2019, the Ministry instituted a new award, namely, the Prof. P.C. Mahalanobis National Award in Official Statistics for recognizing outstanding achievement of official statisticians in Central Government, State Governments and Institutions. The Prof.P.C. Mahalanobis National Award winner, 2020 will be felicitated during the event.

The Ministry recognises the outstanding contribution for high quality research work in the field of applied and theoretical statistics benefitting the official statistical system through the

Prof. C. R. Rao and Prof. P. V. Sukhatme awards, awarded in alternate years. For 2020, the award winner for Prof. P. V. Sukhatme will be declared during the event. The winners of 'On the Spot Essay Writing Competition, 2020' for Post Graduate Students on the subject relevant to Statistics organized at All India level will also be felicitated.

Every year, Statistics Day is celebrated with a theme of current national importance, which runs for a year by way of several workshops and seminars, aimed at bringing about improvements in the selected area. The theme of Statistics Day, 2019 was "Sustainable Development Goals (SDGs)" and carrying this forward the theme of Statistics Day, 2020 is selected as SDG- 3 (Ensure healthy lives and promote well-being for all at all ages) & SDG- 5 (Achieve gender equality and empower all women and girls).

Ministry of Statistics & Programme Implementation(MOSPI) celebrates this day on national level.

Professor Prasanta Chandra Mahalanobis was a renowned scientist and statistician who had contributed a lot to Indian statistics. He was a recipient of the 'Padma Vibhushan', which is a prestigious civilian award in India.

National Statistics Day History:

The government of India decided in 2006 to celebrate Prasanta Chandra Mahalanobis's birthday, 29 June, every year as "National Statistics Day" of India.

National Statistics Day was first celebrated on June 29, 2007 to acknowledge the outstanding contributions of Prof. P C Mahalanobis in the fields of economic planning and statistical development.

His birth anniversary on June 29 was chosen as the National Statistics Day and a notification for this was first published in the Gazette of India on June 5, 2007.

On the occasion of his 125th birth anniversary on 29 June 2018, Indian Vice-President M Venkaiah Naidu released a commemorative coin at a programme at ISI, Kolkata.

National Statistics Day is organized by the Ministry of Statistics and Programme Implementation and various seminars, programs, competitions, and discussions are also organized on this day.

On the same background we all SPPU Statistics teachers decided to celebrate National Statistics Day through quiz followed by a lecture of expert at their college level.

Report of Event:

This year due to pandemic situation we celebrate this day in online mode.

Two to three days before we give idea to students regarding this day. So they will be prepared.

We prepare a multiple choice quiz question paper based on information about statistics day and renowned statisticians.

Circulate that paper through Google class room to the students, students solved the paper and submit to us. They get their score immediately. Total 19 students from FYBSc and SYBSc class participated in this quiz. After that Dr.Mrs. Naik talk with the students regarding this celebration.

Out Comes:

Students enjoy the online quiz. Get familiar with Google Class, Google form and how to solve questions online and to submit. Immediate they can see their score, that makes them happy. Get knowledge about Statisticians, their contribution in statistics development, their research. Get information about various statistical offices, their work. Get motivated towards Statistics

Quiz Question Paper

- When is National Statistics Day celebrated in India?
- o (A) June 28
- (B) June 29
- (C) July 1
- o (D) July 2
- 2. Who is the "father of Indian statistics"?
- c (A) Prasanta Chandra Mahalanobis
- (B) C.R. Rao
- (C) P.C. Joshi
- c (D) M.S. Swaminathan
- 3. What is the theme for National Statistics Day 2020?
- o (A) Data for Sustainable Development
- (B) Statistics for Resilient Nation
- o (C) Statistics for Inclusive Growth
- (D) Statistics for Good Governance
- 4. When was the first National Statistics Day celebrated in India?
- (A) 2006
- (B) 2007
- o (C) 2008
- c (D) 2009
- 5. What is the significance of National Statistics Day?
- (A) To commemorate the birth of Prasanta Chandra Mahalanobis
- $_{\circ}$ (B) To raise awareness of the importance of statistics in our lives
- o (C) To celebrate the achievements of Indian statisticians
- o (D) All of the above

- 6. Which organization is responsible for organizing National Statistics Day?
- o (A) Ministry of Statistics and Programme Implementation
- (B) Indian Statistical Institute
- (C) United Nations Statistical Commission
- o (D) World Bank
- 7. What are some of the ways to celebrate National Statistics Day?
- c (A) Attend a local event or seminar on statistics
- (B) Read a book or article about statistics
- (C) Learn how to use a statistical software package
- c (D) All of the above
- 8. What is the Mahalanobis distance?
- (A) A statistical measure of the distance between two data points
- (B) A statistical measure of the distance between a data point and a population mean
- (C) A statistical measure of the distance between two populations
- o (D) A statistical measure of the distance between a data point and a line
- 9. What is the Indian Statistical Institute?
- (A) A premier research institute in India that conducts research in statistics and related fields
- (B) A government organization that is responsible for collecting and compiling statistical data in India
- o (C) A non-profit organization that promotes the use of statistics in India
- c (D) All of the above

Objectives:

1. Assessment of Fundamental Knowledge:

- Evaluate candidates' understanding of core principles and theories in physics.
- Assess their grasp of mathematical techniques relevant to physics problems.

2. Research Skills:

- Measure candidates' ability to apply research methodologies in solving physics problems.
- Evaluate their capacity to design and conduct experiments.

3. Critical Thinking and Problem Solving:

- Test candidates' analytical skills in solving complex physics problems.
- Assess their ability to think critically and apply theoretical concepts to practical situations.

4. Integration of Knowledge:

- Evaluate candidates' capability to integrate knowledge from different branches of physics.
- Test their understanding of interdisciplinary connections within physics.

Outcomes:

1. Identification of Competent Graduates:

 Recognize and identify individuals who possess a strong foundation in physics and are ready for advanced studies or professional roles.

2. Benchmarking Academic Standards:

- Provide a benchmark for academic institutions to gauge the effectiveness of their physics programs.
 - Contribute to the improvement of physics education at the graduate level.

3. Facilitation of Further Studies:

- Enable successful candidates to pursue higher education and research in physics.
- Serve as a stepping stone for candidates interested in doctoral programs or specialized fields within physics.

4. Professional Development:

- Contribute to the professional development of physicists by ensuring a high level of competence.
- Enhance the overall quality of the physics workforce within the nation.

5. Promotion of Scientific Inquiry:

- Encourage a culture of scientific curiosity and inquiry.
- Inspire individuals to contribute meaningfully to the advancement of physics and related fields.

Attention all undergraduate science students!

The Indian Association of Physics Teachers (IAPT) is pleased to announce the National Graduate Physics Examination (NGPE) 2020-21. This prestigious exam is an opportunity for talented undergraduate students to showcase their understanding of physics and compete for scholarships and research opportunities.

Schedule of examination:

Date: Sunday, January 17, 2021

Center: RNC Arts, JDB Commerce and NSC Science College Nashik Road

Time: 10 am to 1 pm.

Gokhale Education Society's RNC Arts, JDB Commerce and NSC Science College Nashik Road IAPT EXAMINATION REPORT 2020-21

The Indian Association of Physics Teachers (IAPT) examination was conducted on Saturday, January 17, 2021, in collaboration with the Department of Physics at RNC Arts, JDB Commerce, and NSC Science College, Nashik Road. A total of 16 students enrolled for this competitive exam.

11 students participated in the examination, while 5 were absent. As per the IAPT guidelines, the top 10% of students at the center would be awarded certificates.

The IAPT results were declared on March 01, 2021, and Riya Magnani and Omprakash Yadav emerged as the top scorers at the Nashik Road center. The Principal and Head of the Physics Department congratulated the qualified students for their achievement.

speaking skills, fostering a spirit of healthy competition. The program was skillfully coordinated by Asst. Prof. Pramod Dhumale.

Outcomes:

- 1. Engaging in storytelling sharpens verbal communication skills, aiding students in expressing ideas coherently and engagingly.
- 2. Successfully narrating a story before an audience contributes to increased self-confidence and poise in public speaking situations.
- 3. Students have the opportunity to unleash their creativity through storytelling, expressing ideas, emotions, and narratives uniquely and imaginatively.
- 4. The act of storytelling often involves exploring diverse themes and cultural contexts, fostering an appreciation for different narratives and perspectives.
- Actively participating in storytelling competitions encourages students to actively listen to others, enhancing their comprehension and attentiveness.
- The process of memorizing and delivering a story helps improve memory retention and recall abilities.

The Poetry Recitation Competition held at RNC Arts, JDB Commerce & NSC Science College, Nashik Road on Tuesday, 17/09/2019 showcased the vibrant poetic talents of the students. Participants exhibited their literary prowess, delivering expressive recitations of both classic and contemporary poems.

Diverse themes and emotions were explored, adding a rich layer of creativity to the competition. The event not only celebrated the beauty of language and expression but also promoted public speaking skills among the participants.

The competition judge Asst. Prof. Sachin Bagul evaluated participants based on their articulation, expression, and overall presentation. The competition fostered a spirit of healthy competition among the students. The event was coordinated by Asst. Prof. Pratibha Ghuge.

Student Participants during Poetry Recitation Competition

Outcomes:

- Engaging in public speaking through poetry recitation helps students refine their articulation and communication skills.
- Successfully presenting poetry before an audience contributes to increased self-confidence and a sense of accomplishment.
- Exploring and reciting poems exposes students to diverse cultures, fostering an appreciation for different literary traditions.
- Students gain exposure to various genres and themes of poetry, broadening their literary knowledge and encouraging a love for language.
- Poetry recitation encourages students to express emotions, ideas, and narratives in a creative and personal manner, promoting self-expression.

Purpose of Quiz: Quizzes can be used as a brief assessment in education and similar fields to measure growth in knowledge, abilities, and skills Quizzes can be used to motivate learners, help them remember what they learned, and assess what they learned.

Mrs.R.D.Naik conducting quizand students solving quiz questions.

Report:

Dr. Mrs. R.D. Naik and Mr. T.V. Navghare conducted a quiz for FYBSc and SYBSc Statistics.

This quiz is organised by PUSA(Pune University Statistics Association) for all Pune University undergraduate Statistic students.

For FYBSc students there is only one level multiple choice examination based on syllabus of first year. Questions are framed on applied statistics, that is how to apply statistics theory in practice. This helps students for preparation of competitive examination also. There are 30 questions of 2 marks each. Time period is one hour. College wise centers are allotted. That college has to conduct the examination. Question paper and answer papers are mailed from PUSA. On the same date and same time all centers have to conduct the examination. After examination is over, center head has to submit the answer sheets to the coordinator and then he/she declares the result center wise. The first three students get the prize.

For SYBSc students there are two levels. First is multiple choice examination of 30 questions of 2 marks each, for 1 hour. No negative marking. Calculator, log table are not allowed. For the second round first three students are selected from each center. Second round is conducted at only one center in five different modes. From each mode first two students are selected and given prizes also certificates.

This year from our college 20 students participated from FYBSc class and 08 students participated from SYBSc class. Mr. Om Darekar stood first from FYBSc class and Mr. Neve Sidhesh stood first from SYBSc class. We congratulate both the winners.

Out Comes:

- Enhanced Understanding: Students deepened their understanding of Statistics aplications in various situations and in various fields.
- Diverse Evaluation: The inclusion of various question formats provided a holistic assessment.
- · Competitive Spirit: The quiz fostered healthy competition, motivating students to excel.
- Active Participation: The dynamic nature of the quiz encouraged widespread student involvement.
- Improved Analytical Skills: Sharpened students' quick thinking and analytical abilities.

Ganesh Utsav 2019: Poster Competition on Women Empowerment

Dr. K. C. Takale, the Judge of the Poster competition

Title of activity/ programme:	Poster Competition on Women Empowerment
Duration:	01 day
Day & Date/s of programme:	Thursday, 03/09/2019
Venue:	Department of Statistics
Name of Event Coordinator:	Assistant Prof. Dr. Satish Chavan Assistant Prof. Vishal Mane
Judges:	Assistant Prof. Dr. K. C. Takale (Mathematics) Assistant Prof. Dr. Rajashree Naik (Statistics)
Subject:	Women Empowerment
No. of students participated	17

Objectives:

- To raise awareness about the importance of Women's Empowerment among college students.
- 2. To encourage students to actively participate in promoting gender equality and women's rights.
- 3. To provide a creative platform for students to express their thoughts, ideas, and perspectives on women empowerment through poster making.
- 4. To foster a supportive and inclusive environment that celebrates the achievements and potential of women.
- 5. To create a dialogue and generate discussions on women's empowerment within the college community.

Outcomes:

1. Increased awareness:

The poster competition successfully raised awareness about Women's Empowerment among college students. It brought attention to the challenges faced by women and the importance of empowering and supporting them.

2. Active participation:

The event encouraged active participation from college students, allowing them to engage with the topic of Women's Empowerment in a creative and meaningful way. The participation in the competition demonstrated a commitment to gender equality and women's rights.

3. Artistic expression:

The competition provided a platform for students to express their thoughts and ideas through poster making. This allowed for artistic expression and creativity to be showcased while highlighting key aspects of women's empowerment.

4. Empowerment messages:

The posters created during the competition conveyed powerful messages on Women's Empowerment, emphasizing the need for gender equality and highlighting the achievements and potential of women. The messages portrayed through the posters inspired and motivated both participants and viewers.

The event fostered a sense of community within the college by bringing students together to learn, discuss, and understand the importance of women's empowerment. It facilitated conversations and generated awareness beyond the competition.

The event's objectives and outcomes had a lasting impact on the college community. It ignited conversations on women's empowerment and gender equality, encouraging students to take further action and support initiatives in this area.

The poster competition on Women's Empowerment during the Ganesh Utsav-2019 in the college succeeded in raising awareness, promoting active participation, showcasing artistic expression, fostering community engagement, and leaving a lasting impact on the college community regarding the importance of women's empowerment.

Report:

The Poetry Recitation Competition held at RNC Arts, JDB Commerce & NSC Science College, Nashik Road on Tuesday, 17/09/2019 showcased the vibrant poetic talents of the students. Participants exhibited their literary prowess, delivering expressive recitations of both classic and contemporary poems.

Diverse themes and emotions were explored, adding a rich layer of creativity to the competition. The event not only celebrated the beauty of language and expression but also promoted public speaking skills among the participants.

The competition judge Asst. Prof. Sachin Bagul evaluated participants based on their articulation, expression, and overall presentation. The competition fostered a spirit of healthy competition among the students. The event was coordinated by Asst. Prof. Pratibha Ghuge.

Students Participating in Poetry Recitation Competition

Outcomes:

- Engaging in public speaking through poetry recitation helps students refine their articulation and communication skills.
- Successfully presenting poetry before an audience contributes to increased self-confidence and a sense of accomplishment.
- Exploring and reciting poems exposes students to diverse cultures, fostering an appreciation for different literary traditions.
- Students gain exposure to various genres and themes of poetry, broadening their literary knowledge and encouraging a love for language.
- Poetry recitation encourages students to express emotions, ideas, and narratives in a creative and personal manner, promoting self-expression.

Objectives:

1. Assessment of Fundamental Knowledge:

- Evaluate candidates' understanding of core principles and theories in physics.
- Assess their grasp of mathematical techniques relevant to physics problems.

2. Research Skills:

- Measure candidates' ability to apply research methodologies in solving physics problems.
- Evaluate their capacity to design and conduct experiments.

3. Critical Thinking and Problem Solving:

- Test candidates' analytical skills in solving complex physics problems.
- Assess their ability to think critically and apply theoretical concepts to practical situations.

4. Integration of Knowledge:

- Evaluate candidates' capability to integrate knowledge from different branches of physics.
- Test their understanding of interdisciplinary connections within physics.

Outcomes:

1. Identification of Competent Graduates:

- Recognize and identify individuals who possess a strong foundation in physics and are ready for advanced studies or professional roles.

2. Benchmarking Academic Standards:

- Provide a benchmark for academic institutions to gauge the effectiveness of their physics programs.
 - Contribute to the improvement of physics education at the graduate level.

3. Facilitation of Further Studies:

- Enable successful candidates to pursue higher education and research in physics.
- Serve as a stepping stone for candidates interested in doctoral programs or specialized fields within physics.

4. Professional Development:

- Contribute to the professional development of physicists by ensuring a high level of competence.
- Enhance the overall quality of the physics workforce within the nation.

5. Promotion of Scientific Inquiry:

- Encourage a culture of scientific curiosity and inquiry.

Gokhale Education Society's RNC Arts, JDB Commerce and NSC Science College Nashik Road IAPT EXAMINATION REPORT 2019-20

The Indian Association of Physics Teachers (IAPT) examination was conducted on Sunday, January 19, 20, in collaboration with the Department of Physics at RNC Arts, JDB Commerce, and NSC Science College, Nashik Road. A total of 13 students enrolled for this competitive exam.

10 students participated in the examination, while three were absent. As per the IAPT guidelines, the top 10% of students at the center would be awarded certificates.

The IAPT results were declared on March 1, 2020, and Prafulla Pawar and Shiwani Lingayat emerged as the top scorers at the Nashik Road center. The Principal and Head of the Physics Department congratulated the qualified students for their achievement.

Report:

In the academic year 2020-21, the Marathi department organized the Dr. Babasaheb Ambedkar State-level poetry competition on the occasion of Savitribai Phule Jayanti. The competition saw participation from 26 students representing 12 colleges across Maharashtra. The winners were Nishant Sanjay Deshpande (Shrimati Kashibai Navale Engineering College, Pune) securing the first prize, Gautam Kedarnath Jagtap (Maharaja Sayajirao Gaekwad College, Malegaon Camp) winning the second prize, and Sushir Shashikant Ushi (KK Wagh Engineering College, Nashik) and Siddheshwari Subhash Bhojdare (Bytco College, Nashik Road) jointly securing the third place.

M.S. Gosavi, Secretary of Gokhale Education Society, Nashik, presided over the event, with Zonal Secretary Dr. Ram Kulkarni as the chief guest. The competition was adjudicated by Dr. Pratibha Jadhav from Lasalgaon College and renowned poetess Alka Kulkarni. The event was attended by In-charge Principal Dr. S.N. Tupe, Vice Principals Dr. D.G. Belgaonkar, Dr. Manjusha Kulkarni, and Dr. Mahesh Auti, along with students and professors from various departments.

Additionally, on the occasion of Marathi Official Language Pride Day, Shri. Nilesh Madane, the Public Relations Officer of Maharashtra Vidhan Bhavan Secretary, delivered a lecture on the significance of Marathi in the administrative sector.

The success of the competition was attributed to the hard work of all teachers in the department, including Dr. Vijaya Dhaneshwar, Prof. Rajesh Bagul, Dr. Uttam Karmalkar, Prof. Dr. Sambhaji Shinde, Dr. Sharad Nagre, Vrishali, Prof. Bhimraj Pagare, and Prof. Usha Patil.

Outcomes:

- Enhanced Creativity: Engaging in poetry reading and recitation allowed students to express themselves creatively, fostering a deeper appreciation for literature and language.
- Skill Development: Students had the opportunity to hone their public speaking and presentation skills through the competition, gaining confidence in expressing their thoughts and emotions.
- Cultural Awareness: The competition provided a platform for students from diverse backgrounds to showcase their cultural perspectives through poetry, promoting cultural awareness and understanding.

Competition Experience:	Participating in	a state-level	competition	exposed	students	to a
higher level of competition,	challenging them	to strive for	excellence an	d encour	aging hea	lthy
competition.						

 Recognition and Achievement: Winning or even participating in the competition offered students a sense of recognition and achievement, boosting their confidence and motivating them to pursue their literary interests further.

Purpose of Quiz: Quizzes can be used as a brief assessment in education and similar fields to measure growth in knowledge, abilities, and skills

Quizzes can be used to motivate learners, help them remember what they learned, and assess what they learned.

Mr. S.K. Wanjale conducting quiz and students solving quiz questions.

Report:

Mr. S.K. Wanjale and Mr. S.B. Ghatpande conducted a quiz for FYBSc and SYBSc Statistics.

This quiz is organised by PUSA(Pune University Statistics Association) for all Pune University undergraduate Statistic students.

For FYBSc students there is only one level multiple choice examination based on syllabus of first year. Questions are framed on applied statistics, that is how to apply statistics theory in practice. This helps students for preparation of competitive examination also. There are 30 questions of 2 marks each. Time period is one hour. College wise centers are allotted. That college has to conduct the examination. Question paper and answer papers are mailed from PUSA. On the same date and same time all centers have to conduct the examination. After examination is over, center head has to submit the answer sheets to the coordinator and then he/she declares the result center wise. The first three students get the prize.

For SYBSc students there are two levels. First is multiple choice examination of 30 questions of 2 marks each, for 1 hour. No negative marking. Calculator, log table are not allowed. For the second round first three students are selected from each center. Second round is conducted at only one center in five different modes. From each mode first two students are selected and given prizes also certificates.

This year from our college 31 students participated from FYBSc class and 15 students participated from SYBSc class. Mr. Neve Sidhesh stood first from FYBSc class and from SYBSc class first three students were, Ms. Bhalerao Pranita, Ms. Prasad Pallavi and Tie between Ms. Ms. Pandit Nishakumari & Ms. Adke Poonam We congratulate all the winners.

Out Comes:

- Enhanced Understanding: Students deepened their understanding of statistics applications in various situations and in various fields.
- Diverse Evaluation: The inclusion of various question formats provided a holistic assessment.
- Competitive Spirit: The quiz fostered healthy competition, motivating students to excel.
- Active Participation: The dynamic nature of the quiz encouraged widespread student involvement.
- Improved Analytical Skills: Sharpened students' quick thinking and analytical abilities.

REPORT ON

National Graduate Physics Examination (NGPE)

Competitive Examination	National Graduate Physics Examination			
Level	National Level			
Name of Coordinator	Asst. Prof. Ganesh V. Dilwale			
Centre	RNC Arts, JDB Commerce and NSC Science College Nashik Road			
Department	Physics			
Day & Date of activity	Sunday, November 17, 2019			
No. of students Enrolled	15			
No. of students appeared	14			

Objectives:

1. Assessment of Fundamental Knowledge:

- Evaluate candidates' understanding of core principles and theories in physics.
- Assess their grasp of mathematical techniques relevant to physics problems.

2. Research Skills:

- Measure candidates' ability to apply research methodologies in solving physics problems.
- Evaluate their capacity to design and conduct experiments.

3. Critical Thinking and Problem Solving:

- Test candidates' analytical skills in solving complex physics problems.
- Assess their ability to think critically and apply theoretical concepts to practical situations.

4. Integration of Knowledge:

- Evaluate candidates' capability to integrate knowledge from different branches of physics.
- Test their understanding of interdisciplinary connections within physics.

Outcomes:

1. Identification of Competent Graduates:

 Recognize and identify individuals who possess a strong foundation in physics and are ready for advanced studies or professional roles.

2. Benchmarking Academic Standards:

- Provide a benchmark for academic institutions to gauge the effectiveness of their physics programs.
 - Contribute to the improvement of physics education at the graduate level.

3. Facilitation of Further Studies:

- Enable successful candidates to pursue higher education and research in physics.
- Serve as a stepping stone for candidates interested in doctoral programs or specialized fields within physics.

4. Professional Development:

- Contribute to the professional development of physicists by ensuring a high level of competence.
- Enhance the overall quality of the physics workforce within the nation.

5. Promotion of Scientific Inquiry:

- Encourage a culture of scientific curiosity and inquiry.
- Inspire individuals to contribute meaningfully to the advancement of physics and related fields.

Gokhale Education Society's RNC Arts, JDB Commerce and NSC Science College Nashik Road IAPT EXAMINATION 2018-19 Notice

Attention all undergraduate science students!

The Indian Association of Physics Teachers (IAPT) is pleased to announce the National Graduate Physics Examination (NGPE) 2018-19. This prestigious exam is an opportunity for talented undergraduate students to showcase their understanding of physics and compete for scholarships and research opportunities.

Schedule of examination:

Date: Sunday, November 17, 2019

Center: RNC Arts, JDB Commerce and NSC Science College Nashik Road

Time: 10 am to 1 pm.

For more details, please see the notification chart placed on the notice board of physics department or contact the exam co-ordinator.

Gokhale Education Society's RNC Arts, JDB Commerce and NSC Science College Nashik Road IAPT EXAMINATION REPORT 2018-19

The Indian Association of Physics Teachers (IAPT) examination was conducted on Saturday, November 17, 2019, in collaboration with the Department of Physics at RNC Arts, JDB Commerce, and NSC Science College, Nashik Road. A total of 15 students enrolled for this competitive exam.

14 students were present for the examination. As per the IAPT guidelines, the top 10% of students at the center would be awarded certificates.

The IAPT results were declared on March 01, 2019, and Shilpa Mugde and Riya Damke emerged as the top scorers at the Nashik Road center. The Principal and Head of the Physics Department congratulated the qualified students for their achievement.
