### **Objectives:**

- The primary objective of the "Poshan Maah Saptah" was to promote awareness about good nutrition and its impact on overall health and well-being.
- The activity specifically aimed to educate pregnant women, children, and adolescents about their nutritional needs and encourage them to adopt healthy dietary practices.
- Furthermore, the initiative sought to highlight government efforts and interventions aimed at improving nutritional outcomes in India.

### **Summary:**

The NSS unit of Savitribai Phule Pune University organized a "Poshan Maah Saptah" (Nutrition Month Week) from September 1st to 30th, 2021. The event aimed to raise awareness about good nutrition and health initiatives taken by the government.

### **Activities:**

- Slogan writing competition: This competition focused on raising awareness about the importance of nutritious food for pregnant women.
- Yoga and AYUSH sessions: These sessions targeted specific groups like pregnant women, schoolchildren, adolescents, and girls, aiming to promote the benefits of yoga and traditional Indian medicine for improved nutrition.
- Free short-duration online yoga courses: These courses catered specifically to women and children, providing easily accessible learning opportunities on yoga for better health.
- Recipe competition: This competition encouraged the creation and sharing of nutritious food recipes, particularly focusing on dishes suitable for pregnant women.
- Distribution of regional nutritional kits: This initiative provided beneficiaries in burdened districts with access to essential nutrients through regional food kits.
- Identification of SAM children and community kitchen service: This activity focused on addressing malnutrition issues in children by identifying cases of severe acute malnutrition (SAM) and providing them with access to community kitchen services.

**Outcome:**

- The month-long campaign successfully reached a large number of people, spreading awareness about the importance of good nutrition and healthy habits.
- The various activities like competitions, yoga sessions, and recipe sharing provided practical guidance and encouraged people to adopt healthier lifestyles.
- Additionally, the distribution of nutritional kits and community kitchen services directly addressed the needs of vulnerable populations, contributing to improved nutritional outcomes.
- Tree plantation: The volunteers planted trees in the village to promote environmental protection.

### Covid-19 Vaccination Camp

RNC Arts, JDB Commerce, and NSC Science College Nashik Road, in collaboration with Bytco Hospital Nashik Road, orchestrated a COVID-19 Vaccination Camp Program as part of their commitment to mitigating the ongoing pandemic. The primary objective was to facilitate vaccination for students, faculty, and staff, fostering a safer and healthier campus environment. This initiative took place on October 27, 2021, at 10:30 am, with 55 individuals receiving the Covishield vaccine. The vaccination camp targeted both the general public and college students, taking place in the Kothari building of the college. The In-Charge Principal, Prof. Dr. S. N. Tupe, extended felicitations and a warm welcome to the attending doctors and medical team members. During the program, Dr. Tupe addressed the participants, emphasizing the crucial significance of COVID-19 vaccination in the prevailing pandemic situation. He also provided guidance on precautions to be taken to avoid COVID-19 infections. The Vice-Principal, Dr. M.M. Kulkarni, and other teaching staff were present, further enhancing the event's significance.

The successful execution of the program was conducted under the keen observation of NSS Program Officer, Asst. Prof. Dilwale G.V., and Asst. Prof. Nimbalkar S.D. Their diligent efforts ensured the smooth operation of the vaccination camp, contributing significantly to the overall well-being of the college community and the surrounding populace. The collaborative effort between the college and Bytco Hospital exemplifies a commendable initiative in promoting public health and safety.

## Objectives:

1. Introduction to Google Forms: The primary objective of this workshop was to introduce students to the fundamental concepts and features of Google Forms.
2. Creating Forms: Participants were guided through the process of creating different types of forms including multiple-choice, short answer, and dropdown questions.
3. Customization and Design: The session focused on exploring the customization options available in Google Forms such as themes, colors, and images to enhance form aesthetics and user experience.
4. Data Analysis: Students were taught how to analyze the data collected through Google Forms using built-in tools such as charts and graphs for meaningful insights.
5. Collaboration and Sharing: The activity aimed to demonstrate effective collaboration techniques, sharing of forms, and managing permissions among peers.

## Report:

On the 13th of January 2022, a comprehensive session on Google Forms was conducted for the T.Y.B. Sc students under the guidance of Dr. Rathi Madam. The activity aimed to familiarize students with the functionalities and applications of Google Forms, a versatile tool for data collection and surveys in various domains. The activity on Google Forms proved to be highly beneficial for the participants, equipping them with practical skills and knowledge essential for academic and professional pursuits. Dr. Rathi Madam's guidance played a pivotal role in the success of the session, ensuring that students derived maximum value from the learning experience. Overall, the activity contributed significantly to enhancing the ICT skills and capabilities of the T.Y.B. Sc students.

## Outcomes:

1. Enhanced Understanding: Participants gained a deeper understanding of Google Forms, its uses, and its significance in various contexts.
2. Proficiency in Form Creation: Students acquired the skills necessary to create customized forms tailored to specific requirements.
3. Creative Design Skills: The session fostered creativity among participants, enabling them to design visually appealing and user-friendly forms.
4. Data Analysis Proficiency: Students developed proficiency in analyzing data collected through Google Forms, facilitating informed decision-making.
5. Effective Collaboration: Participants learned how to collaborate efficiently with peers on form creation projects and manage sharing permissions effectively.

### **Objective:**

- The main objective of the competition was to raise awareness about TB and AIDS among young people.
- The competition aimed to encourage students to use creative methods to communicate important health messages to their peers and the wider community.
- By organizing this event, the NSS unit likely sought to contribute to the national efforts in controlling the spread of TB and AIDS.

### **Summary:**

- The NSS unit of Savitribai Phule Pune University organized a competition on "Selfie with Slogan" and "Video Making" to raise awareness about Tuberculosis (TB) and acquired immunodeficiency syndrome (AIDS).
- The competition was held on 18/02/2022, in collaboration with the District Tuberculosis Control Department, Nashik.
- Students from various departments participated in the competition.
- For the "Selfie with Slogan" category, participants had to click a selfie with a creative slogan raising awareness about TB and AIDS.
- For the "Video Making" category, participants had to create a short video highlighting the causes, symptoms, preventive measures, and importance of seeking treatment for TB and AIDS.
- A committee of experts judged the entries based on creativity, message clarity, and overall impact.
- Winners were awarded prizes in both categories.

### **Outcome:**

- The competition successfully generated awareness about TB and AIDS among the student community.
- The creative entries, including selfies with slogans and informative videos, helped spread important messages about these diseases.
- The competition encouraged students to actively participate in raising awareness about public health issues.

**Academic Year 2021-22**

All the staff members and Third year students of department of biotechnology are hereby informed that the online lecture on Agrobiodiversity is arranged on 28/02/2022. Lecture will be given by Dr. Sanjay Patil at 11:00am. Everyone should be present for the same.

Head

Department of Biotechnology  
Department of Biotechnology

## **Objectives:**

1. To educate students about the significance of agro biodiversity and its conservation to foster awareness and understanding among the youth.
2. To showcase the remarkable contributions of individuals like Padmashree Rahibai Popare in preserving crop diversity, highlighting the importance of grassroots efforts.
3. To examine the challenges faced by endangered species in the agricultural landscape and explore effective strategies for their conservation.
4. To inspire students to actively participate in biodiversity preservation initiatives, fostering a sense of responsibility towards sustainable agriculture.
5. To facilitate discussions on the role of research and innovation in advancing conservation efforts, encouraging students to explore interdisciplinary approaches.

## **Report:**

The Department of Biotechnology organized a workshop on Agro biodiversity and its conservation, held on February 28, 2022. Dr. Sanjay Patil, from BAIF, served as the distinguished speaker for the event, providing invaluable insights into crop diversity and conservation efforts.

During his presentation, Dr. Patil discussed various aspects of Agro biodiversity, including endangered species and strategies for their conservation. He highlighted the remarkable contributions of Padmashree Rahibai Popare, affectionately known as the "seed mother of Maharashtra," who has dedicated her life to preserving biodiversity. Dr. Patil underscored Popare's significant role in safeguarding numerous wild seeds on her farm, which has become a destination for research scholars, including those pursuing Ph.D. studies from the United States.

Moreover, Dr. Patil encouraged the students to actively engage in biodiversity preservation for a sustainable future, emphasizing the importance of their role in this endeavor.

Overall, the workshop provided students with valuable knowledge and inspiration to contribute to the conservation of Agro biodiversity, underscoring the critical need for collective efforts to ensure a better future for generations to come.

## **Outcomes:**

1. **Enhanced Understanding:** Students gained a deeper understanding of the concept of Agrobiodiversity, including the importance of preserving crop diversity and the conservation efforts involved.
2. **Awareness of Endangered Species:** The workshop raised awareness among students about endangered species and the significance of their conservation to maintain biodiversity and ecological balance.
3. **Inspiration from Role Models:** Learning about Padmashree Rahibai Popare's remarkable efforts in seed preservation and her impact on biodiversity conservation served as inspiration for students, motivating them to actively engage in similar initiatives.
4. **Exposure to Research Opportunities:** Students learned about the research potential in Agrobiodiversity conservation, including the opportunity to conduct Ph.D. studies and collaborate with experts in the field.
5. **Encouragement to Take Action:** Dr. Sanjay Patil's encouragement and advice to students to actively participate in preserving biodiversity for a better future instilled a sense of responsibility and empowerment, motivating them to contribute to conservation efforts.
6. **Broadened Perspectives:** The workshop broadened students' perspectives on the importance of biodiversity conservation not only for environmental sustainability but also for food security and human well-being.

**Paper Presentation Competition**

Date: 30 April, 2022

This is to inform you that the English Department is organizing a Paper Presentation Competition. The Competition is scheduled on Saturday, 07/05/2022 at 02:00 pm. This event aims to foster your presentation skills while showcasing your proficiency in English language usage, creativity, and critical thinking. Students can choose any topic from their syllabus; this competition provides a platform for you to express your ideas eloquently and persuasively.

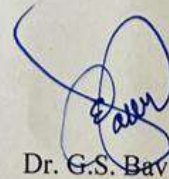

**Guidelines for participation:**

- Each participant must adhere to the specified duration (5-7 mins) for their presentation.
- Visual aids, including PowerPoint slides, should be used effectively to enhance the content of the presentation.
- Presentations should be in English, showcasing a strong command of language and effective communication skills.
- Originality and creativity are highly encouraged.

## **Objectives:**

1. The primary objective was to provide students with a platform to enhance their presentation skills. Through crafting and delivering paper presentations, students had the opportunity to develop proficiency in structuring content effectively, using visual aids, and delivering engaging presentations.
2. To help students overcome stage fright and nervousness associated with public speaking. By actively participating in the competition, students could build confidence in presenting in front of an audience, thereby conquering stage fright and developing resilience in challenging situations.
3. The competition aimed to facilitate the refinement of students' public speaking capabilities. Through constructive feedback from jury members and peer evaluation, students could identify areas for improvement and work towards refining their communication skills, including articulation, clarity, and persuasion.
4. The event sought to foster a culture of self-directed learning among students. By allowing them to choose topics of their interest for their presentations, students were encouraged to take ownership of their learning process, conduct independent research, and explore diverse subject matter.

## **Report:**

On May 07, 2022, the English department organized a Paper Presentation competition for MA Part I & II Students. The event aimed to offer students a platform to exhibit their presentation skills, conquer stage fright, and refine their public speaking capabilities.

The competition witnessed active participation from all MA Part I & II students, who enthusiastically embraced the opportunity to craft and deliver PowerPoint presentations on topics of their choosing, fostering a culture of self-directed learning. Assistant Professors Lekha Chatole and Snehal Gaikwad fulfilled the roles of jury members, providing valuable assessments and feedback.

In the culmination of the competition, Miss Anu Pavithran, Miss Karuna Hiwale, and Miss Khushboo Sonawane emerged as the top performers, securing the first, second, and third positions, respectively.

## **Outcomes:**

1. Students had the chance to connect with their peers and faculty members, fostering new relationships and potential collaborations within the academic community.
2. Preparing for the competition required students to manage their time effectively, balancing their academic responsibilities with the task of creating and refining their presentations within a specified timeframe.
3. Crafting a paper presentation necessitated thorough research on their chosen topic, allowing students to develop and refine their research skills in the process.
4. Creating visually engaging PowerPoint slides encouraged students to explore and develop their skills in graphic design and visual communication, enhancing their ability to convey information effectively through visual aids.
5. Through the variety of topics presented by their peers, students were exposed to diverse perspectives and subject matters, broadening their understanding of different fields and issues.
6. Overcoming the challenge of presenting in front of an audience, particularly in a competitive environment, likely bolstered students' self-confidence and belief in their abilities.
7. The experience gained from participating in the competition equipped students with valuable presentation and communication skills that are essential for success in future academic pursuits and professional endeavors.

## Objectives:

1. To familiarize participants with various research paradigms, methodologies, and their respective applications in different fields of study.
2. To provide participants with practical skills for designing research projects, including formulating research questions, selecting appropriate methods, and developing research proposals.
3. To facilitate discussions on ethical considerations in research, including informed consent, data confidentiality, and responsible conduct of research.
4. To explore advanced research techniques such as qualitative data analysis, quantitative data analysis, and mixed-methods approaches, enabling participants to choose the most suitable methods for their research goals.
5. To enhance participants' understanding of the importance of rigor and validity in research, including strategies for ensuring reliability, validity, and generalization of research findings.

## **Report:**

On the 10th and 11th of May 2022, RNC Arts, JDB Commerce & NSC Science College, located at Nasik Road, organized a workshop by the Post Graduate Department of Economics focused on Research Methodology. The workshop spanned two days, comprising one session each day from 9:00 a.m. to 1:00 p.m., totaling eight sessions dedicated to the subject.

The inaugural ceremony commenced on the morning of May 10th, 2022, with the lighting of the lamp and Saraswati puja performed by Principal Dr. Manjusha Kulkarni alongside the esteemed presence of Dr. Ram Kulkuni, Divisional Secretary (Nashik). Dr. Anil Sawale, the Coordinator of the Department of Economics, provided introductory remarks on the workshop's objectives, while Dr. Manish Pawar introduced the honored guests. The compeering was done by Dr. Uttam Karmalkar. Asst. Prof. Geetanjali Indayat extended her gratitude towards the attendees.

Over the course of the two-day event, esteemed educators including Dr. Sunil Joshi from Bhosla College, Dr. Anil Kumar Pathare from Bytco College, Dr. Vijaykumar Wavle from RYK College, Dr. Mangesh Bhavsar from BYK College, and Dr. Anil Sawale from Bytco College, Dr. Naik R.D., Dr. Manish Pawar and Dr. K.M. Lokhande from Bytco College imparted valuable guidance on various research methodologies to the attending students.

The workshop concluded its productive sessions on May 11th, 2022, between 1:00 p.m. to 1:40 p.m. Principal Dr. Manjusha Kulkarni and Vice Principal Dr. Anilkumar Pathare graced the concluding function with their presence. Dr. Anil Sawale presented the report, expressing gratitude to all contributors for their significant contributions. It was evident that the workshop immensely benefitted the students of the college in enhancing their research skills.

## **Outcomes:**

1. Understanding of Research Principles: Students gained a comprehensive understanding of the fundamental principles of research, including its purpose, process, and various methodologies employed in different disciplines.
2. Critical Thinking Skills: Through engaging with case studies and examples, students developed critical thinking skills necessary for evaluating research methodologies, identifying strengths and weaknesses, and making informed decisions in their own research projects.

3. **Research Design Proficiency:** Students acquired proficiency in designing research studies, including formulating research questions, selecting appropriate methodologies, designing data collection instruments, and implementing ethical considerations.

4. **Data Analysis Competence:** Participants developed skills in data analysis techniques relevant to their field of study, including quantitative and qualitative analysis methods, statistical software proficiency, and interpretation of findings.

5. **Communication Skills Enhancement:** The workshop provided opportunities for students to enhance their communication skills, both orally and in writing, through presenting research proposals, defending methodologies, and communicating findings effectively to different audiences.

6. **Ethical Awareness and Research Integrity:** Students gained an understanding of ethical considerations in research, including issues related to human subjects, data integrity, plagiarism, and conflicts of interest, and learn how to conduct research with integrity and responsibility.

7. **Interdisciplinary Perspective:** The workshop fostered an interdisciplinary perspective by exposing students to a variety of research methodologies used across different academic disciplines, allowing them to appreciate the diversity of approaches to inquiry.

8. **Problem-Solving Abilities:** Through practical exercises and discussions, students developed problem-solving abilities necessary for addressing challenges encountered during the research process, such as data collection difficulties, methodological limitations, and unexpected findings.

9. **Preparation for Further Research:** Participants will be better prepared to undertake further research at advanced levels, whether pursuing graduate studies or engaging in professional research activities, equipped with the knowledge and skills necessary for conducting rigorous and impactful research.

10. **Self-Reflection and Improvement:** The workshop encouraged students to engage in self-reflection on their research practices, identify areas for improvement, and develop strategies for continual growth as researchers throughout their academic and professional careers.
