6.	Names of the committee Members	Lt. Vijay Sukate
7.	Mode of Conduct of the Event (Online/ Offline)	Offline
8.	Number of Participants	67

## **Objectives:**

1. To promote the practice of yoga among NCC cadets to enhance their physical, mental, and spiritual well-being.
2. To introduce participants to a combination of yoga postures, breathing exercises, and meditation techniques aimed at elevating the life force ('Kundalini') and achieving holistic development.
3. To emphasize the non-religious nature of yoga and position it as a way of living that promotes a healthy mind in a healthy body, accessible to individuals from all backgrounds.
4. To facilitate stress management, flexibility, muscle strength, and overall well-being among participants through regular yoga practice.
5. To extend the benefits of yoga beyond physical exercise, aiming to instill a healthier lifestyle for all students and staff by promoting holistic approaches to wellness that encompass the mind, body, and soul.

## **Report:**

RNC ARTS, JDB COMMERCE AND NSC SCIENCE COLLEGE, NASHIK-ROAD organized a 15-day yoga workshop from June 7th to June 21st, with 67 NCC cadets actively participating. The focus of the practice was to elevate the life force, 'Kundalini,' through a combination of physical and mental exercises. Various yoga postures ('asanas') were incorporated for physical well-being, complemented by breathing exercises ('pranayama') and meditation ('dhyana') for mental discipline. Emphasizing that yoga is a way of living, not a religion, the practice aimed at achieving a healthy mind in a healthy body. Yoga, as a holistic approach, promotes balanced development in the physical, mental, and spiritual aspects of an individual. The program, led by Principal Dr. Dhanesh Kalal, Lt. Vijay Sukate, and college staff, facilitated the control of mind, body, and soul, fostering stress management, flexibility, muscle strength, and overall well-being. The initiative, extending beyond physical exercises like aerobics, aimed to instill a healthier lifestyle for all students and staff.

## **Outcomes:**

1. Enhanced Physical Well-being: Students experienced improved physical health through the regular practice of yoga postures ('asanas'), contributing to flexibility, muscle strength, and overall body tone.

2. **Stress and Anxiety Management:** The incorporation of breathing exercises ('pranayama') and meditation ('dhyana') provided students with effective tools to manage stress and anxiety, promoting mental well-being.

3. **Holistic Development:** The holistic approach of yoga addressed the physical, mental, and spiritual aspects of students, fostering balanced development in all three dimensions.

4. **Increased Energy and Vitality:** Regular practice of yoga resulted in improved respiration, energy levels, and vitality among participating students.

5. **Confidence Building:** Yoga asanas not only built physical strength but also contributed to increased confidence among students, enhancing their self-esteem.

6. **Healthy Lifestyle Habits:** The understanding that yoga is a way of living, promoting 'a healthy mind in a healthy body,' encouraged students to adopt healthier lifestyle habits beyond the practice sessions.

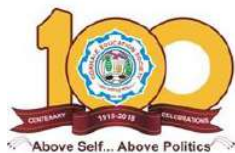

7. **Improved Concentration and Discipline:** The mental disciplines of yoga, including meditation, positively impacted students' concentration levels and disciplined their minds.

Head  
Department of Biotechnology

### **Objectives:**

1. To introduce undergraduate Biotechnology students to the online learning platform 'SWAYAM' to enhance their awareness of alternative educational resources.
2. Educate students about the enrollment procedures, credit system, and examination patterns associated with online courses available on the SWAYAM platform to facilitate informed decision-making regarding course selection and participation.
3. Empower students to leverage e-learning opportunities by providing comprehensive information on the benefits and accessibility of SWAYAM courses, including the availability of free courses and the nominal fee required for certification.
4. Enhance students' digital literacy skills by familiarizing them with the functionalities and features of the SWAYAM platform, thereby enabling them to navigate and engage effectively with online learning resources.
5. Motivate and inspire students to proactively explore and enroll in relevant SWAYAM courses to supplement their academic learning, expand their knowledge base, and develop skills necessary for their personal and professional growth in the field of Biotechnology.

### **Report:**

The Department of Biotechnology hosted a guest lecture on July 31, 2019, aimed at familiarizing first-year, second-year, and third-year Biotechnology students with the online learning platform 'SWAYAM'. Dr. Meenakshi Rathi, Assistant Professor from the Department of Chemistry, delivered the lecture. The session provided comprehensive information on online courses, including enrollment procedures, credit system, and examination patterns. Dr. Rathi adeptly introduced and elucidated the e-learning platform. It was highlighted that these courses are entirely free of charge, with only a nominal fee required for obtaining valid certificates upon course completion. The students found the lecture beneficial and motivating. We extend our gratitude to Dr. Meenakshi Rathi for her invaluable contribution in encouraging students to explore e-learning platforms.

### **Outcomes:**

1. Increased Awareness: Students gained a better understanding of the SWAYAM online learning platform and its offerings, including available courses, enrollment procedures, and examination patterns.

2. Access to Quality Education: Through SWAYAM, students now have access to a wide range of high-quality online courses across various disciplines, including Biotechnology and Chemistry, enhancing their academic and professional knowledge.

3. Cost-effective Learning: Students learned that the courses offered on SWAYAM are completely free of charge, making quality education more accessible and affordable for them.

4. Certification Opportunities: Students were informed about the opportunity to obtain valid certificates upon completing the enrolled courses, which can enhance their resumes and academic credentials.

5. Inspiration and Motivation: The lecture served as a source of inspiration for students, encouraging them to explore and engage with online learning platforms to further their education and skill development.

### 'Fit India Movement'

Fit India movement aims to encourage people to inculcate physical activity and sports in their everyday lives. Prime Minister Narendra Modi launched the nation-wide "Fit India Movement" on the 29<sup>th</sup> August 2019 and appealed to every citizen to remain healthy and fit. The events was launched at the Indira Gandhi Stadium in New Delhi at 10.00 am.

After colourful presentation of India's indigenous marital art forms, dances and sports, PM Modi paid tribute to Dhyani Chand. He said, "On this day, a great sportsman was born. Major Dhyani Chand. He amazed the world with his fitness, Stamina, and hockey stick." At the event, PM Modi said technology contributed to a sedentary lifestyle. "Fitness has always been an integral part of our culture. But, there is indifference towards fitness issues now. A few decades back, a normal person would walk 8-10km in a day, do cycling or run," Modi said. "But, with technology, physical activity has reduced. We walk less now and the same technology tells us that we are not walking enough," he added.

The launch was also attended by Sports Minister Kiren Rijiju and National Sports Awards 2019 winners among others.

The prime minister congratulated the winners of the national sports awards and lauded India's sporting achievements. "Be it boxing, badminton, tennis or any sport, our athletes are giving new wings to our aspirations. Their medals are not just a result of their hard work but also a reflection of a new India's confidence," he said.

The event was organized under the guidance of Dr. Dhanesh Kalal, Principal of the college. Our college showed the entire program live in the seminar hall. On this occasion, Prof. Wasim Beg, Prof. Naresh Patil, Prof. Shashikant Khemnar and Sudhakar Borse successfully organized the event.

## **Objectives:**

The term "Brahmi Script" can refer to a historical script used for writing the Ancient language, particularly during the Ancient period.

1. **Preserving Cultural Heritage:** Training in Brahmi Script aims to preserve and promote a historical and culturally significant writing system, contributing to the conservation of linguistic heritage.
2. **Historical Understanding:** Students undergoing Brahmi Script training gain insights into the historical context in which the script was used, understanding its evolution and significance in the region.
3. **Documenting Archives:** Training facilitates the ability to read and transcribe historical documents, manuscripts, and inscriptions written in Brahmi Script, aiding in the documentation and preservation of historical records.
4. **Promoting Linguistic Diversity:** Learning Brahmi Script contributes to the recognition and celebration of linguistic diversity, as it represents a distinct script within the broader landscape of Indian languages.
5. **Research and Scholarship:** Training in the Brahmi Script equips individuals with the skills to engage in scholarly research focused on historical texts, literature, and documents that utilize this script.
6. **Educational Initiatives:** Incorporating Brahmi Script training into educational programs supports broader initiatives to introduce students to diverse writing systems, fostering a well-rounded understanding of linguistic history.

### Skill Development Program

### Introduction of Brahmi Script Course, September 2019

The Introduction of Brahmi Script course was organized by the Department of History college from 19/09/2019 to 21/09/2019 under the guidance of Prof. Dr. Manjusha Kulkarni, the Principal of the college. Mr. Pratik Deshpande, working as an Assistant Professor in the Department of History, successfully completed this '*Introduction of Brahmi Script course*' under the valuable guidance of Dr. Shashikant Sable, the Head of the Department of History.

Brahmi Script is a First & beautiful script of Ancient Indian history. The Brahmi Script Training Course is a good initiative to teach students about the Brahmi Script and to advance their knowledge towards historical research. The students in the department were enthusiastic about learning the Brahmi Script. Therefore, starting with basic knowledge of Brahmi from the beginning, various exercises were conducted on paper practice until the students became proficient in reading the words and deciphering the texts, recognizing different periods, identifying files, and maintaining a continuous appraisal. The students actively participated in this training program with increasing enthusiasm, and finally, they submitted written reports in Brahmi Script to the department.

The student's active participation and the difficulties they faced in learning Brahmi Script made this Brahmi Script training class a successful and enthusiastic event in the Department of History. During the organization of this training class, Principal Prof. Dr Manjusha Kulkarni's valuable advice and guidance, as well as the timely cooperation of Mrs. Nandini Deshmukh and Mr. Krushna Godhe, were received.

### REPORT

### ANDROID WORKSHOP

Workshop Title	Android Workshop
Duration	9 days
Location	Department of Computer Science, RNC Arts, JDB Commerce & NSC Science College, Nashik Road
Name of Event Coordinator	Mr. Nilesh B Mahajan
Subject	Computer Science
Date of the Event	22 <sup>nd</sup> -September-2019 to 1 <sup>st</sup> -December-2019
Class	T.Y. B. Sc. Computer Science Students
No. of students benefitted	30

**Topic Covered:**

Android Workshop

**Objectives:**

1. Understand the basics of Android development, including the architecture and components of the Android platform.
2. Learn how to set up a development environment for Android app development, including installing and configuring the necessary tools and SDKs.
3. Gain proficiency in building user interfaces for Android apps using XML layouts and UI components such as Text Views, Buttons, Edit Texts, etc.
4. Master the fundamentals of Java or Kotlin programming language, including data types, variables, control structures, and object-oriented concepts necessary for Android development.
5. Learn how to use Android Studio, the official IDE for Android development, to create, debug, and deploy Android applications efficiently.
6. Understand the concept of activities and intents in Android, and learn how to navigate between different screens or activities within an app.
7. Gain knowledge of handling user input, such as touch events and gestures, and responding to them appropriately in Android applications.
8. Learn how to work with different types of data storage options available on Android, including Shared Preferences, SQLite databases, and file systems.

**Summary:**

- Workshop was highly successful with respect to the goal for which it was organized.
- Students were highly satisfied with the manner in which the sessions were conducted. The various technologies that our students learned during the workshop include XML files and JAVA files, foreground, background and bound services.

## **Outcome:**

- Proficiency in developing Android applications from scratch, equipped with the knowledge of Android architecture, components, and best practices.
- Mastery of Android Studio IDE and associated tools, enabling students to efficiently develop, debug, and deploy Android apps.
- Ability to create engaging user interfaces using XML layouts and UI components, resulting in aesthetically pleasing and user-friendly applications.
- Competence in programming with Java or Kotlin, including understanding data types, control structures, and object-oriented programming concepts, essential for Android development.
- Understanding of Android activities and intents, enabling students to create multi-screen applications and navigate between different app components seamlessly.
- Skills in handling user input, such as touch events and gestures, allowing students to create interactive and responsive applications.
- Proficiency in implementing various data storage techniques on Android, including Shared Preferences, SQLite databases, and file systems, to manage app data effectively.
- Knowledge of integrating essential Android APIs and libraries for accessing device features like location services, camera, sensors, and networking, enhancing app functionality.
- Practical experience gained through hands-on projects, empowering students to apply theoretical knowledge to real-world app development scenarios.
- Confidence in adhering to industry-standard coding practices, testing methodologies, and deployment procedures, ensuring the quality and reliability of developed Android applications.

## **Objectives:**

The term "Nevari Script" can refer to a historical script used for writing the Ancient language, particularly during the Ancient period.

1. **Preserving Cultural Heritage:** Training in Nevari Script aims to preserve and promote a historical and culturally significant writing system, contributing to the conservation of linguistic heritage.
2. **Historical Understanding:** Students undergoing Nevari Script training gain insights into the historical context in which the script was used, understanding its evolution and significance in the region.
3. **Documenting Archives:** Training facilitates the ability to read and transcribe historical documents, manuscripts, and inscriptions written in Nevari Script, aiding in the documentation and preservation of historical records.
4. **Promoting Linguistic Diversity:** Learning Nevari Script contributes to the recognition and celebration of linguistic diversity, as it represents a distinct script within the broader landscape of Indian languages.
5. **Research and Scholarship:** Training in the Nevari Script equips individuals with the skills to engage in scholarly research focused on historical texts, literature, and documents that utilize this script.
6. **Educational Initiatives:** Incorporating Nevari Script training into educational programs supports broader initiatives to introduce students to diverse writing systems, fostering a well-rounded understanding of linguistic history.

## DEPARTMENT OF HISTORY

### Skill Development Program

### Introduction of Nevari Script Course, January 2020

The Introduction of Nevari Script course was organized by the Department of History college from 30/01/2020 to 01/02/2020 under the guidance of Prof. Dr. Manjusha Kulkarni, the Principal of the college. Mr. Pratik Deshpande, working as an Assistant Professor in the Department of History, successfully completed this '*Introduction of Nevari Script course*' under the valuable guidance of Dr. Shashikant Sable, the Head of the Department of History.

Nevari Script is a beautiful script of Ancient Indian history. The Nevari Script Training Course is a good initiative to teach students about the Nevari Script and to advance their knowledge towards historical research. The students in the department were enthusiastic about learning the Nevari Script. Therefore, starting with basic knowledge of Nevari from the beginning, various exercises were conducted on paper practice until the students became proficient in reading the words and deciphering the texts, recognizing different periods, identifying files, and maintaining a continuous appraisal. The students actively participated in this training program with increasing enthusiasm, and finally, they submitted written reports in Nevari Script to the department.

The student's active participation and the difficulties they faced in learning Nevari Script made this Nevari Script training class a successful and enthusiastic event in the Department of History. During the organization of this training class, Principal Prof. Dr Manjusha Kulkarni's valuable advice and guidance, as well as the timely cooperation of Mrs. Nandini Deshmukh and Mr. Krushna Godhe, were received.

All students of above mentioned class who registered their name for participating in Solar Ambassador Certificate course conducted by our college under the guidance of India Institute of Technology (I.I.T.), Mumbai under the scheme Global Gandhi Solar Yatra (GGSY) should note the followings:

1. Student should remain present in the college on 2<sup>nd</sup> Oct, 2019 at 9.30 am sharp. (Venue : Seminar Hall)
2. In the morning session, students will be sensitized about importance and future of the solar sector followed by familiarization about toolkit, solar components & its testing etc.
3. Students will assemble solar study lamps, given to them, in the afternoon session. (Venue : Physics Department)
4. The activity will run for the entire day and therefore students are hereby informed to bring tiffin with them.
5. The concluding session will be held between 4.30 pm and 5.15 pm.

### NOTICE

#### (F. Y. B. Sc. Students-Regular, Computer Science, Bio-tech)

All students of above mentioned class are well aware that **Choice Based Credit System** has been implemented from the academic year 2019-20. In addition to Compulsory 132 credit points, the students must earn additional 8 extra credit points for the award of B. Sc. degree.

The students can earn 2 credit points by participating and completing the online Solar Ambassador Certificate course conducted by India Institute of Technology (I.I.T.), Mumbai under the scheme Global Gandhi Solar Yatra (GGSY).

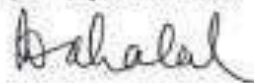

The course details are as under:

1. Course registration fee is Rs. 550.00 per students on or before 20/09/2019 (The fee is charged to cover the cost of the Solar Lamp and certificate from IIT Mumbai).
2. After paying the fees, students should immediate contact Physics department, show the receipt of fees paid and provide the information: Name, Class, Roll Number, mobile number, email address in the.
3. After registration, a student will receive an online course link on their email from (I.I.T.), Mumbai. Students must complete the online course before 2<sup>nd</sup> October 2019.
4. Students will assemble solar study lamps, given to them, in a grand ceremony on 2nd October 2019, coinciding with the 150th birth anniversary celebration of the father of the nation – Mahatma Gandhi.
5. Student should attend Solar Ambassador Workshop in the college on 2nd October 2019.
6. *It is compulsory for all the students of F. Y. B. Sc. to participate in this activity.*

### **Topic Covered:**

- Sources of renewable energy, Solar energy, energy swaraj concept

### **Objectives:**

- To get knowledge of construction and working of solar energy based equipments like solarlamp
- Importance of solar equipments and solar energy sector

### **Summary:**

- Under the aegis of the Department of Energy Science and Engineering, IIT Bombay the F.Y.B.Sc. students were gathered in the seminar hall college at 9.00 am for the Global Gandhi Solar Yatra Program organized by our college to celebrate the 150<sup>th</sup> Birth Anniversary of Mahatma Gandhi to bring “Energy Swaraj” on the lines of Mahatma Gandhi’s epitomized philosophy of “Gram Swaraj.”
- As a culmination of this yatra, a Students Solar Ambassador Workshop is organized to give hands-on training in solar lamp assembly on 2nd October 2019.
- The Global Gandhi Solar Yatra Program was inaugurated by our honourable Principal Dr. Dhanesh Kalal with Saraswati Poojan in the presence of Vice Principal Dr. Manjusha Kulkarni, Vice Principal Dr. Mahesh Auti, Dr. Prakash Landge, Head, Department of Physics, Asso. Prof. Geeta Jagirdar, Assist Prof. Rahul Uplaikar, Assist Prof. Ganesh Dilwale, Assist Prof. S.D.Nimbalkar, Pushkar Kulkarni.
- Assist Prof. Ganesh Dilwale and Assist Prof. Rahul Uplaikar conducted introductory and knowledge-oriented session about solar cell, solar energy, and solar lamp assembly in the morning session.
- In the afternoon, a solar lamp assembly session was conducted in the Physics Department for 4 hours.
- At the end of the workshop, students were flaunting the lighted solar lamp on the college campus and they were ecstatic and proudly happy about their creation of the solar lamp.

### **Outcomes:**

1. This activity can be viewed as a skill development program to enhance communication skills, leadership, problem-solving, active listening, team building, and task planning.
2. It was a noble cause which is based on the Gandhian Principles of ‘non-violence,’ ‘Swaraj’ and ‘self-sufficiency’
3. Students got knowledge about “Energy Swaraj” where people could start generating and consuming their own energy needs.

### **Objectives:**

1. Encourage students to express their creativity and imagination through storytelling, fostering their appreciation for narrative art forms.
2. Provide students with a platform to develop and showcase their public speaking skills in a supportive and engaging environment.
3. Facilitate the evaluation and feedback of students' storytelling performances to help them improve their storytelling techniques, delivery, and overall presentation.
4. Promote a spirit of healthy competition among students, encouraging them to strive for excellence in storytelling and public speaking.
5. Enhance the coordination and organizational skills of faculty members involved in planning and executing the storytelling competition, ensuring its smooth and successful implementation.

### **Report:**

The Story Telling Competition held at RNC Arts, JDB Commerce & NSC Science College, Nashik Road on Friday, 13/12/2019. Students spun tales, showcasing creativity and eloquence. Asst. Prof. Shayonti Talwar's discerning evaluation focused on storytelling techniques, delivery, and overall presentation. The event not only celebrated storytelling as an art form but also honed students' public speaking skills, fostering a spirit of healthy competition. The program was skillfully coordinated by Asst. Prof. Pramod Dhumale.

### **Outcomes:**

1. Engaging in storytelling sharpens verbal communication skills, aiding students in expressing ideas coherently and engagingly.
2. Successfully narrating a story before an audience contributes to increased self-confidence and poise in public speaking situations.
3. Students have the opportunity to unleash their creativity through storytelling, expressing ideas, emotions, and narratives in a unique and imaginative manner.
4. The act of storytelling often involves exploring diverse themes and cultural contexts, fostering an appreciation for different narratives and perspectives.

5. Actively participating in storytelling competitions encourages students to actively listen to others, enhancing their comprehension and attentiveness.
  
6. The process of memorizing and delivering a story helps improve memory retention and recall abilities.

### **Report:**

On Tuesday, August 10<sup>th</sup> 2019, a workshop titled 'Understanding Hard Skills and Soft Skills' was scheduled at 9:30 a.m. in the Seminar Hall. The esteemed guest speaker for the session was Mrs. A. Subnis, an accomplished academician and motivational speaker. With expertise in guiding students pursuing professional degree courses such as CA, CS, and ICWA, Mrs. Subnis delivered an impactful lecture, providing valuable insights to the B. Com students.

The session proved highly beneficial to the attendees, with more than 30 students deriving value from Mrs. Subnis's expertise and experience. Her effective communication and guidance undoubtedly enriched the students' understanding of the subject matter, contributing to their academic and professional growth.

### **Outcomes:**

1. Developed Understanding: Students gained a deeper comprehension of the distinction between hard skills and soft skills, along with their significance in professional development and career success.
2. Practical Insights: Mrs. Subnis's expertise provided students with practical insights into how to develop and leverage both hard and soft skills effectively in various professional settings, including fields such as CA, CS, and ICWA.

3. **Motivation and Inspiration:** As a motivational speaker, Mrs. Subnis inspired students to strive for excellence in their academic pursuits and future careers, encouraging them to develop a proactive approach towards skill enhancement and personal growth.

4. **Career Guidance:** The lecture offered valuable career guidance to students pursuing B. Com degrees, particularly those considering professional degree courses like CA, CS, and ICWA. Mrs. Subnis's guidance helped students make informed decisions about their career paths and understand the skill sets required for success in their chosen fields.

Department of Biotechnology  
Head  
Department of Biotechnology

### **Objectives:**

1. Raise awareness about the Corona virus pandemic among the staff of the Biotechnology Department and empower them with accurate information regarding its history, origins, and emergence.
2. Educate participants about the preventive measures necessary to combat the spread of Covid-19, emphasizing the importance of personal hygiene, social distancing, and other precautionary practices.
3. Provide attendees with insights into the symptoms associated with Covid-19, enabling them to recognize potential signs of infection and take appropriate actions promptly.
4. Equip participants with knowledge and guidance on how to protect themselves and their communities from the transmission of the virus, contributing to collective efforts in controlling the spread of Covid-19.
5. Foster a sense of responsibility and preparedness among the staff of the Biotechnology Department to actively contribute to public health efforts in addressing the challenges posed by the Corona virus pandemic.

### **Report:**

To commemorate Women's Day, the staff of the Biotechnology Department organized a lecture series aimed at raising awareness about the Coronavirus and the necessary precautionary measures to combat the pandemic. Principal Dr. Dhanesh Kalal chaired the program, which comprised three informative sessions.

In the first session, Mrs. Priya Sonawani discussed the history and origins of Covid-19, providing insights into its emergence.

The second session, led by Asst. Prof. Jyoti Pekhale, focused on educating attendees about the preventive measures essential for mitigating the spread of Covid-19.

In the final session, Asst. Prof. Priyanka Shivanikar elaborated on the symptoms associated with the virus and provided guidance on appropriate actions to be taken.

Through this initiative, the department aimed to equip participants with essential knowledge to safeguard themselves and their communities during these challenging times.

## Outcomes:

1. Heightened Awareness: Students gained a deeper understanding of the history, origin, symptoms, and preventive measures associated with COVID-19, equipping them with essential knowledge to protect themselves and others.
2. Empowerment Through Education: The lecture series empowered students with valuable information about the pandemic, enabling them to make informed decisions and take proactive measures to stay safe and contribute to community health.
3. Enhanced Preparedness: Students became more prepared to navigate the challenges posed by the ongoing pandemic by learning about the symptoms of COVID-19 and the steps to take in case of exposure or infection.
4. Community Engagement: The lecture series fostered a sense of responsibility among students to disseminate accurate information and promote adherence to precautionary measures within their communities, thereby contributing to collective efforts to curb the spread of the virus.
5. Appreciation for Women's Leadership: By witnessing women take the lead in delivering crucial information about COVID-19, students gained a greater appreciation for the role of women in healthcare and public health initiatives, inspiring them to advocate for gender equality and female representation in STEM fields.
