"International Women's Day-2021"

A special lecture on the topic "Respect for womanhood, conscious strength" was organized by the National Service Scheme on Monday, March 8, 2021, at the Bytco College of Gokhale Education Society, Nashik Road, on the occasion of International Women's Day. In order to achieve all-round development of the country, it is necessary to empower women by giving equal opportunities to women. The role of women in the progress and progress of our homes is very important. They prove to be better managers than men in menhoadapi disasters. Every house in the village of Peth of Maval Military Upshinga district has a male soldier and many young soldiers from Peth have died for the country. The ancestors of the Rani of Jhansi also belonged to this village. Many salutes to the courage of these widows. Womanhood means uniformity, uniformity and sacrifice. By making women financially and socially self-reliant in all circumstances, our country will move on the path of progress," said Dr. Digali Jadhav.

The said lecture was conducted online through Google Meet. Program Officer Prof. Ganesh Dilwale introduced the program and conducted the thread, Dr. Archana Patil introduced the key speakers. The college principal Dr. Sanjay Tupe said in his presidential address that 'in today's modern times, women have achieved great heights in various fields and have touched the sky. They have become more and more capable and empowered to handle financial matters along with men. There is a need for students to become self-reliant for their rights and justice and to pursue a career in their field of interest,' said Principal Dr. Sanjay Tupe. Prof. Dr. Kanchan Sanam expressed gratitude for the program. NSS student volunteers and teachers were present in the program.
