▶ Affiliated to Savitribai Phule University ▶ ID No: PU/NS/ASC/005/ 1963 ▶ ISO 9001-2015 Certified ▶ NAAC Accredited B College

Criterion 7 – Institutional Values and Best Practices

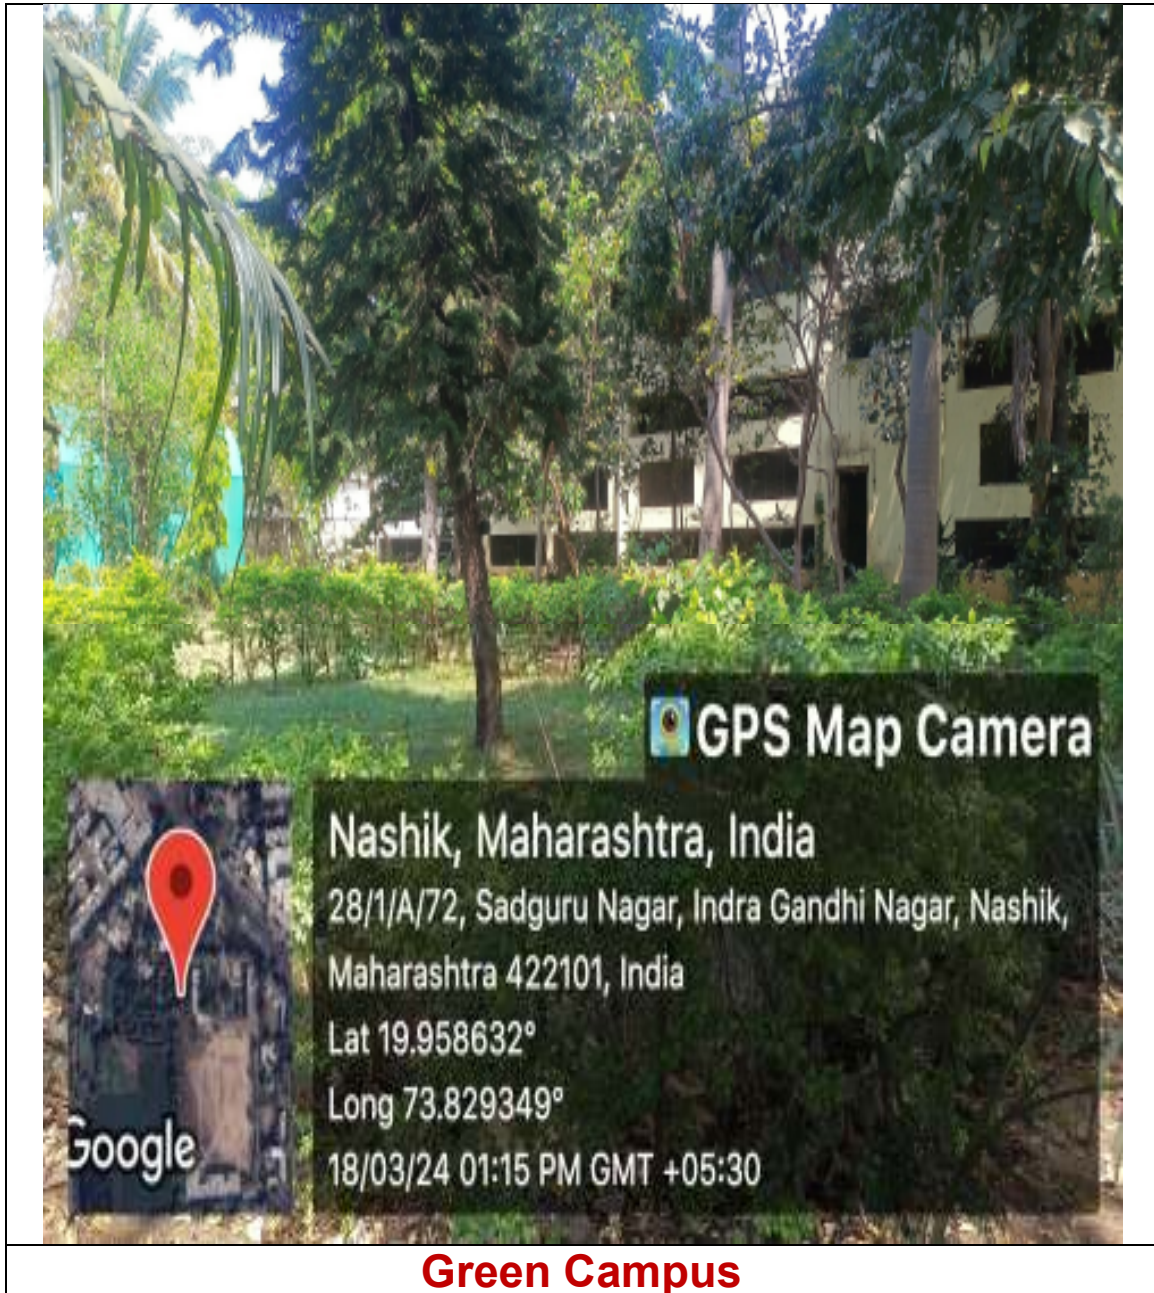

7.1.2. D: Green campus initiatives

Green campus initiatives are sustainability efforts undertaken by educational institutions to reduce their environmental impact and promote eco-friendly practices. These initiatives can encompass a wide range of actions aimed at conserving resources, reducing waste, and promoting sustainability education. Here are some common green campus initiatives in our campus. These initiatives not only help educational institutions reduce their environmental footprint but also serve as valuable learning opportunities for students and contribute to building a culture of sustainability within the campus community and beyond.

Sr. No.	Particulars
1	Energy Efficiency: Implementing energy-saving measures such as upgrading lighting systems to LED bulbs and tube light.
2	Renewable Energy: Investing in renewable energy sources such as solar panels to generate clean energy on college campus.
3	Waste Reduction and Recycling: including composting and reusable material
4	Water Conservation: Implementing water-saving measures such as low-flow fixtures, rainwater harvesting systems, sprinkles and drip irrigation to reduce water consumption on campus.
5	Transportation Alternatives: Encouraging sustainable transportation options such public transit and awareness campaign
6	Green Procurement Policies: Adopting purchasing policies that prioritize

	environmentally friendly products and materials, such as recycled paper, eco-friendly cleaning supplies, and Energy Star-rated appliances.
7	Environmental Education and Outreach: Integrating sustainability concepts into the curriculum, organizing workshops, seminars, and events on environmental topics, and engaging students, faculty, and staff in sustainability initiatives.
