**Internship 2022-23**

**BBt 507: SEC I Summer Industrial Internship/ Review Writing/ Startup design or Case study**

Students of T.Y BSc Biotechnology has successfully completed internship. 9 students completed internship at Agri Search India Pvt. Ltd, 1 student at Srujan Biotech & 1 student at Nashik Sugar Industry.

TY B.Sc Biotechnology students have completed 2 credit course of BBt-507: SEC I Summer Industrial Internship/ Review Writing/ Startup design or Case study. The objective of this course is to help students in organization of research ideas material and objectives for their dissertation and development of their communication skills. The student may for this course in the 5<sup>th</sup> semester it is a total of 6 credit course it involves laboratory/experimental/field work under the guidance of supervisor of the company leading to presentation of a comprehensive report based on the experimental learning, through focused skill building activity. All the students of TY Biotechnology have successfully completed the internship.. Under the guidance of company supervisors all the students successfully completed the projects and presented the report in front of external examiners.

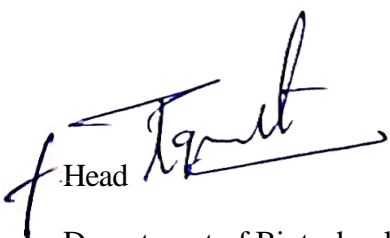

List of Students

Sr. No	Name of Student	Name of Company/Lab in which students have completed internship
1	Kashmita Dhiwar	Srujan Biotech
2	Omkar Suryawanshi	Agri Search (India) Pvt. Ltd
3	Vrushali Kangane	Agri Search (India) Pvt. Ltd
4	Akansha Dolas	Agri Search (India) Pvt. Ltd
5	Harshali Kshirsagar	Agri Search (India) Pvt. Ltd

## **BBT 509 Practicals in Industrial Microbiology Industrial Visit Report**

### **Visit to Krishidoot Bioherbals Pvt Ltd.**

Department of Biotechnology had organized an Industrial Visit for 3<sup>rd</sup> year students on the 22<sup>nd</sup> Jan 2023 to Krishidoot Bioherbals Pvt. Ltd. The industrial visit helped our students to gain hands on practical knowledge in Industrial Processes and its core management concepts. They learnt a lot key stages of positive bioherbals making process using advanced machines. Executive at krishidoot bioherbals introduced students to the biofertilizers, bioherbals and their production. Students also visited to stock rooms where the organic Biopesticides, Biofungicides were stored. Students learned the complete process of Biopesticide, Bioherbicide production and its downstream processing. They have shown their QC & QA department also. The explanation was given very properly by the workers all the students were satisfied and got lot of knowledge.

# DEPARTMENT OF HISTORY

## Academic Year 2022-23

### REPORT ON

### "One Day Trip to Sarkarwada"

*One Day Tour Photo*

<b>Title of activity/ programme:</b>	<b>One-Day Trip to Sarakarwada</b>
<b>Duration:</b>	01 day
<b>Day &amp; Date/s of programme:</b>	Thursday, 24/11/2022
<b>Department:</b>	Department of History
<b>Name of Event Coordinator:</b>	Prof. Dr. Shashikant Sabale Assistant Prof. Pratik Deshpande Assistant Prof. Krushna Godhe Assistant Prof. Sandeep Hirgal
<b>Subject:</b>	History
<b>Class and specialization</b>	BA Special Students
<b>No. of students benefitted</b>	15

## **Objective:**

- 1. Experiential Learning:** Providing students with firsthand experiences related to historical sites, artefacts, or events to enhance their understanding beyond classroom learning.
- 2. Cultural Immersion:** Immerse students in the culture, traditions, and historical context of a particular region or era, fostering a deeper appreciation for history.
- 3. Primary Source Engagement:** Encouraging students to engage with primary sources such as historical documents, artefacts, or landmarks to develop critical thinking and analytical skills.
- 4. Contextual Understanding:** Help students understand historical events within their broader social, political, and cultural contexts, enabling them to grasp the complexities and nuances of history.
- 5. Interdisciplinary Connections:** Explore connections between history and other disciplines such as art, literature, politics, or economics, fostering a holistic understanding of historical phenomena.
- 6. Critical Analysis:** Encourage students to critically analyze historical narratives, perspectives, and interpretations, promoting historical literacy and intellectual inquiry.
- 7. Personal Connection:** Facilitate opportunities for students to connect personally with historical figures, events, or places, fostering empathy and emotional engagement with the past.
- 8. Skill Development:** Develop skills such as research, communication, collaboration, and problem-solving through guided activities and interactions during the tour.
- 9. Inspiration and Motivation:** Inspire students' curiosity, passion, and interest in history by providing memorable and impactful learning experiences outside the classroom.
- 10. Reflection and Synthesis:** Encourage students to reflect on their experiences, synthesize their learning, and make connections between their observations and their broader historical understanding.

Overall, the objective of a one-day study tour for history students is to complement classroom instruction, deepen students' understanding of history, and foster their intellectual and personal growth as historians and lifelong learners.

## DEPARTMENT OF HISTORY

### **Report on "Sarkarwada Vastu Sangrahalay" (Sarkarwada Museum)**

As a wise man said you can understand better when you see things with your own eyes than reading about it in the classroom. We department of History follow the same principle and that's why we regularly conduct Study tours for our students. In this process, we conduct One day Study Tour on **24/ 11/ 2022 Thursday** to "**Sarkarwada Vastu Sangrahalay, Nashik**" operated by the Directorate of Archives & Museum, Government of Maharashtra. Our BA Special Students participate in it. We took them to the Sarkarwada Museum to understand our Local History better. The Museum officer Mr. Sojawal Sali gave brief Information about artefacts & Archaeological sculptures which were present there. "Sarkarwada" itself is a Historical Monument it was the administration office of Marathas during the Peshwa Period for the Nashik Region. Students understand how the medieval period Architecture was built. Because of this tour students understand the local history of Nashik also the importance of the Museum and its role in preserving History.

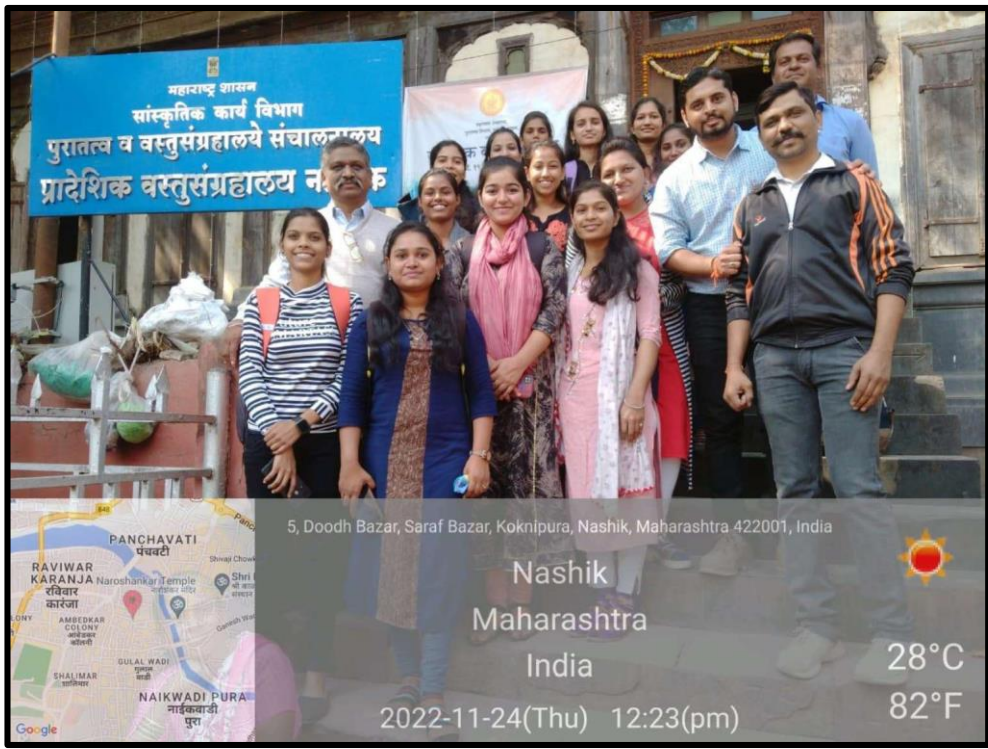

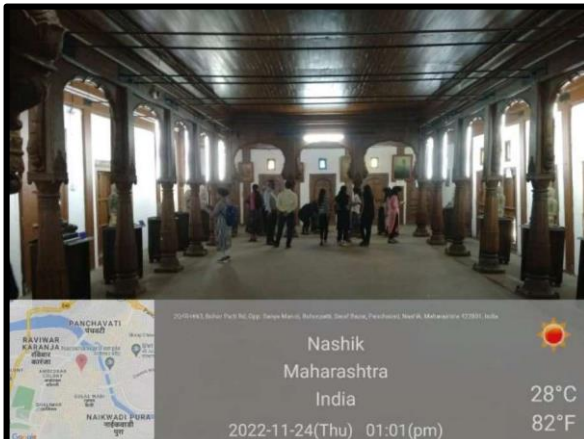

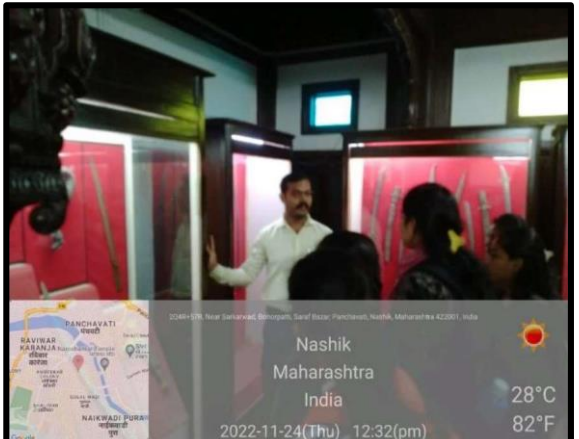

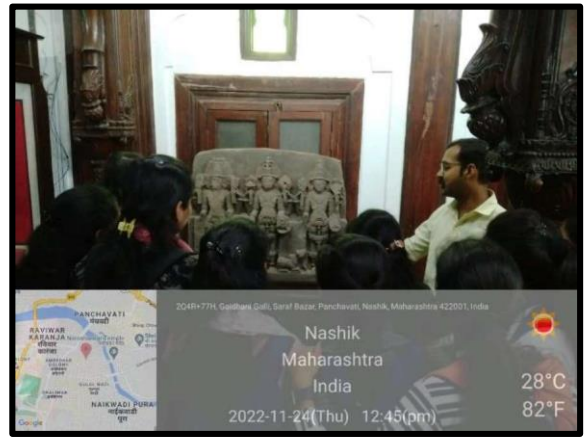

For the Success of this tour my colleagues Mr. Pratik Deshpande, Mr. Krushna Godhe & Mr. Sandeep Hirgal took lots of Effort I like to thank them also I would like to thank the principal of the college Prof. Dr. Mrs. Manjusha Kulkarni Ma'am to support and give us permission for this one day trip.
