## **Report:**

The NSS Unit of RNC Arts, JDB Commerce, and NSC Science College, Nashik organized a workshop on International Yoga Day on June 21, 2022 at 10:30 am. Approximately 90 NSS Volunteers and 30 staff actively participated in the program. Dr. Vidya Deshpande, Director of Nisarg Upachar Kendra, Nashik served as the chief guest, delivering an insightful one-hour talk on the physical, mental, and spiritual benefits of yoga. She explained the meaning of Yog, demonstrated Pranayama, and emphasized the importance of daily practice of Asanas.

Principal Dr. Manjush Kulkarni highlighted in her talk the positive impact of regular yoga practice on mental, physical, and intellectual health, positively influencing lifestyle. NSS Programme Officer Mr. Ganesh Dilwale provided a brief program overview, while Assistant Programme Officer Mr. Siddharth Nimbalkar introduced the guest. Dr. Archana Patil skillfully compered the program, and Mr. Vishal Mane concluded with a vote of thanks.

## **Outcomes:**

1. **Holistic Health Understanding:** Students gained a comprehensive understanding of the physical, mental, and spiritual benefits of yoga through Dr. Vidya Deshpande's insightful talk and practical demonstrations.
2. **Practical Application:** The demonstration of Pranayama and various Asanas by Dr. Deshpande and students allowed participants to witness and practice the techniques, promoting hands-on learning.
3. **Lifestyle Impact:** Principal Dr. Manjush Kulkarni's emphasis on the positive impact of regular yoga practice reinforced the idea that incorporating yoga into daily life can lead to improved

mental, physical, and intellectual well-being.

4. Professional Insights: Interaction with Dr. Vidya Deshpande, a director of 'Nisarg Upachar Kendra', provided students with insights from a professional in the field, enhancing their knowledge beyond classroom learning.

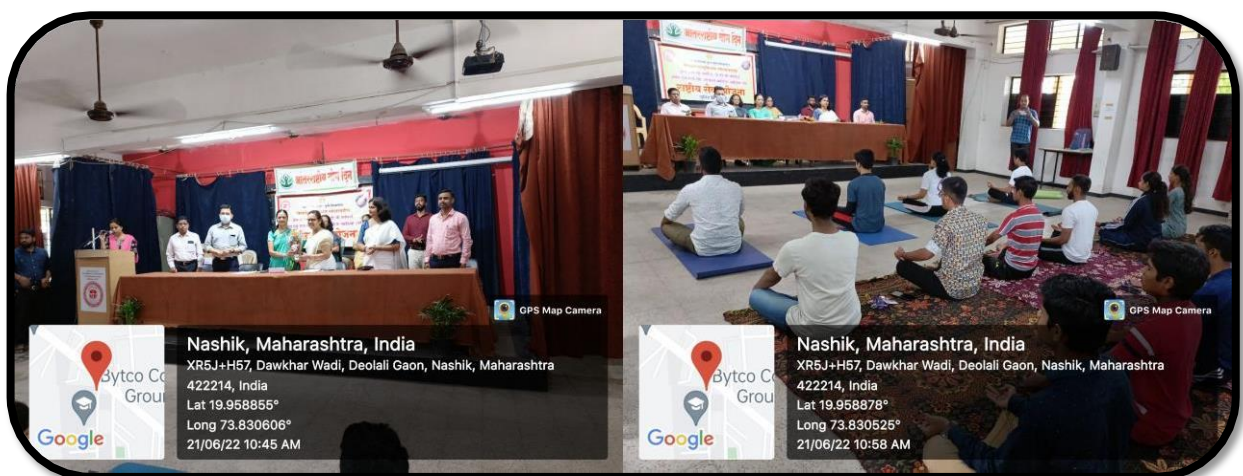

5. Commitment to Well-being: Active participation of approximately 90 NSS Volunteers and 30 staff members demonstrated a collective commitment to promoting a healthy lifestyle and well-being within the college community.

6. Leadership Development: Involvement of NSS Volunteers in organizing the event offered them valuable leadership experience, contributing to their organizational and teamwork skills.

All the students of department of biotechnology are hereby informed that on account of Cancer awareness Day there is a Poster Competition on 07/11/2022 at 11:00 am at the department of Biotechnology. All interested students should register themselves for the same.

Head  
Department of Biotechnology  
Department of Biotechnology

### **Objectives:**

1. Raise awareness about cancer and its symptoms among students through a poster making competition hosted by the Department of Biotechnology on Cancer Awareness Day.
2. Provide a platform for students to showcase their creativity and commitment to spreading awareness about cancer, fostering a sense of engagement and ownership.
3. Encourage participation from numerous students, fostering a sense of community involvement and collective action in addressing health-related issues.
4. Promote interdisciplinary collaboration by involving faculty members from diverse departments in the evaluation process, enriching the educational experience for both students and faculty.

### **Report:**

The Department of Biotechnology hosted a poster competition in honor of Cancer Awareness Day. Dr. Meenakshi Rathi from the Department of Chemistry and Dr. Archana Patil from the Department of Geography served as the judges for the event. Numerous students participated with great enthusiasm, showcasing their creativity and commitment to spreading awareness about cancer and its symptoms.

The winners of the competition are as follows:

First Prize: Miss Prachi Swarge and Miss Sakshi Chaudhary

Second Prize: Miss Ruchita Shinde

### **Outcomes:**

1. **Increased Awareness:** Through researching and creating posters on cancer and its symptoms, students deepened their understanding of the disease, its causes, symptoms, and preventive measures. This enhanced awareness equips them to recognize early signs of cancer and promote healthy lifestyle choices.
2. **Creative Expression:** Participating in the competition provided students with an opportunity to express themselves creatively through the design and content of their posters. This fostered their artistic skills and encouraged innovative ways to communicate complex information effectively.
3. **Public Speaking and Presentation Skills:** Students had the chance to present their posters to the judges and potentially to their peers. This experience helped improve their public speaking and presentation skills, essential for future academic and professional endeavors.

4. Collaboration and Teamwork: For those students who worked in pairs or groups to create their posters, the competition encouraged collaboration and teamwork. They learned to share ideas, delegate tasks, and work cohesively towards a common goal.

5. Recognition and Motivation: Winning or even participating in the competition provided students with a sense of accomplishment and recognition for their efforts. This recognition serves as motivation to continue engaging in activities that contribute positively to society and their personal growth.

6. Community Engagement: By spreading awareness about cancer through their posters, students actively contributed to their community's health education initiatives. They became advocates for cancer prevention and early detection, promoting positive change within their circles of influence.

#### POWERPOINT PRESENTATION COMPETITION

Sr. No.	Particulars	Details
1.	Name of the Department	English Department
2.	Name of the Activity /Competition	Power Point Presentation Competition
3.	Name of the in charge of the activity	Asst. Prof. Swapnil Alhat
4.	Class	Postgraduate Students
5.	Date	27/01/2023
6.	Names of the committee Members	Asst. Prof. Swapnil Alhat Asst. Prof. Kavita Khare
7.	Mode of Conduct of the Event (Online/Offline)	Offline
8.	Number of Participants	05

### **Objectives:**

1. To foster and enhance the presentation skills of PG students through practical engagement in a PowerPoint Presentation competition.
2. To provide a platform for the students to overcome stage fright and build confidence in public speaking by delivering presentations in front of their peers and faculty members.
3. To encourage self-directed learning among the students by allowing them to choose their presentation topics, thereby promoting autonomy and initiative in academic pursuits.
4. To facilitate constructive feedback and evaluation from faculty members (Assistant Professors Kavita Khare and Swapnil Alhat) to help students refine their presentation techniques and communication abilities.
5. To recognize and reward outstanding performance by the students in the PowerPoint Presentation competition, thereby motivating them to strive for excellence in academic and professional endeavors.

### **Report:**

The English department organized a PowerPoint Presentation competition for MA Part II Students on January 27, 2023, with the primary aim of providing a platform for students to showcase their presentation skills, overcome stage fright, and improve their public speaking abilities.

All MA Part II students enthusiastically participated in the competition, where they were encouraged to prepare and present a PowerPoint presentation on a topic of their choice to promote self-directed learning. Assistant Professors Kavita Khare and Swapnil Alhat served as the competition's jury.

The top three positions were secured by Miss Rutuja Sathe, Miss Wagh Purva Sunil, and Miss Priyanka Tungar, respectively.

### **Outcomes:**

1. Enhanced Presentation Skills: Students had the opportunity to hone their presentation abilities by designing and delivering PowerPoint presentations on topics of their choice. This experience likely improved their proficiency in structuring content, using visual aids effectively, and delivering engaging presentations.

2. **Overcoming Stage Fear:** By actively participating in the competition, students were able to confront and potentially overcome their stage fright or fear of public speaking. Presenting in front of an audience, especially in a competitive setting, can help desensitize individuals to the anxiety associated with public speaking.

3. **Increased Confidence:** Successfully presenting their PowerPoint presentations and receiving recognition for their efforts likely bolstered students' confidence in their communication skills. This newfound confidence can extend beyond academic settings and positively impact various aspects of their personal and professional lives.

4. **Critical Feedback:** Students received valuable feedback from the competition's jury, comprised of Assistant Professors Kavita Khare and Swapnil Alhat. Constructive criticism and suggestions for improvement provided students with insights into their presentation strengths and areas for development, facilitating their continuous growth.

5. **Recognition and Motivation:** Securing positions in the competition, such as first, second, or third place, served as recognition for students' efforts and talents. This recognition can serve as a motivational factor, encouraging students to further refine their presentation skills and actively participate in future academic and professional opportunities.

8.	Number of Participants	145
9.	List of participants (upload the list)	Attached

## **Objectives:**

1. To commemorate National Science Day and the International Year of Millet, 2023, by organizing an exhibition, workshop and invited lecture, with the aim of celebrating scientific inquiry and promoting awareness about the nutritional and ecological significance of millets.
2. To showcase innovative scientific projects, experiments, and displays at the exhibition, demonstrating the diverse applications of science in everyday life and encouraging students and faculty to engage with scientific concepts and discoveries.
3. To provide a platform for Mrs. Nilima Jorwar, the invited guest speaker, to deliver a lecture on topics related to the importance of science in society and the promotion of millets for a sustainable and healthy future, offering valuable insights into contemporary challenges and opportunities.
4. To foster a spirit of scientific curiosity and environmental consciousness among students and faculty through enthusiastic participation in the event, encouraging dialogue and knowledge exchange on the role of science in addressing global challenges and promoting sustainable practices.
5. To facilitate discussions and interactions among attendees, encouraging reflection on the significance of science in shaping a better and more sustainable world, and inspiring action towards promoting scientific literacy, innovation, and environmental stewardship.

## **Report:**

The National Science Day and International Year of Millet, 2023 Exhibition, Workshop and Invited Lecture were organized at RNC Arts, JDB Commerce and NSC Science College, Nashik Road on February 28, 2023. The event aimed to celebrate the spirit of scientific inquiry and raise awareness about the nutritional and ecological significance of millets. The exhibition showcased innovative scientific projects, experiments, and displays, highlighting the diverse applications of science in our daily lives.

Guest speaker Mrs. Nilima Jorwar invited to deliver lecture on topics related to the significance of science in our society and the importance of promoting millets for a sustainable and healthy future. The invited lecture provided valuable insights into the role of science in addressing contemporary challenges and emphasized the nutritional benefits of incorporating millets into our diet.

The event drew enthusiastic participation from students and faculty fostering a spirit of scientific curiosity and environmental consciousness. It served as a platform for knowledge exchange and discussions on the crucial role of science in shaping a better and more sustainable world.

### **Outcomes:**

1. **Increased Scientific Awareness:** Students gained a deeper understanding of the practical applications of science in everyday life through the diverse projects and experiments showcased at the exhibition.
2. **Nutritional Education:** The focus on the International Year of Millet provided students with valuable insights into the nutritional benefits of millets, promoting awareness about healthier dietary choices.
3. **Encouragement of Scientific Inquiry:** The event encouraged students to explore scientific concepts and engage in inquiries, fostering a sense of curiosity and interest in the field.
4. **Understanding Contemporary Challenges:** Discussions on the importance of science in addressing contemporary challenges allowed students to grasp the relevance of scientific knowledge in tackling real-world issues.
5. **Promotion of Sustainable Practices:** Learning about the International Year of Millet contributed to a greater understanding of sustainable agricultural practices and the importance of incorporating such practices into daily life.

7.	Mode of Conduct of the Event (Online/Offline)	Online
8.	Number of Participants	80
9.	List of participants	Attached

### **Objectives:**

1. To familiarize students with various digital financial tools available in the market.
2. To provide insights into how these tools are revolutionizing financial services globally.
3. To explore the factors driving the adoption of digital financial tools.
4. To examine the latest innovations in digital financial technology.
5. To identify the regulatory challenges associated with digital financial tools.

### **Report:**

The Department of Biotechnology hosted a workshop on digital financial tools on March 10, 2023, highlighting the rapid adoption and innovation. Increased smart phone usage and internet access are driving this trend, promoting financial inclusion by serving underserved populations. However, regulatory challenges remain, necessitating a delicate balance between fostering innovation and ensuring consumer protection. Despite these challenges, the future outlook is optimistic, with advancements in technologies like AI and blockchain poised to revolutionize financial services further. Nevertheless, addressing regulatory concerns and ensuring equitable access are crucial for realizing the full potential of digital finance.

### **Outcomes:**

1. Students acquired a hands-on training of various digital financial tools.
2. Students became aware of the importance of financial inclusion and the role digital financial tools play in promoting access to financial services.
3. . Students gained insights into the regulatory landscape surrounding digital financial tools and understand the policy implications of fostering innovation while ensuring consumer protection.
4. Students equipped with practical knowledge that can be applied in various contexts, such as personal finance management, entrepreneurship, and policymaking.

**Digital Financial Tools**

Now days, everything is digitized. Digitized means we can access or get every service in digital format through mobile phones, computers, tablets, etc. The invention of computers and smartphones has created a huge impact on financial services. Today using computers and mobile phones, a person can access his/her bank account, verify account details, transfer funds, deposit cash, renew deposit, pay bills, book tickets, etc. It helps you to make online transaction anytime and if you availed this kind of facility so there is no need to visit any bank, fill the form, stand in queue, and needs to wait for the results Also, the invention of ATMs reduced the time taken to withdraw money from banks. Digital services help to save time by providing services in a single touch.

**Objective of digital financial tools:**

The main objective of digital financial service is to delivering financial services through technological innovations like mobile phones. Digital finance also has an important role to play for small business. It not only provides them with access to financing but also to electronic payment system, secure financial products and a chance to build a financial history. It can be a catalyst for the provision and use of a diverse set of other financial services including credit, insurance, savings and financial education.

**Card (Credit/Debit)-**

Credit card and debit card typically look identical, with 16-digit card numbers, card validity, cvv number and pin numbers. A credit card allow the consumers to borrow money from the card issuer up to certain limit in order to purchase items or withdraw cash and debit card allow bank customers to spend money by drawing funds they have deposited in bank account.

### UPI (Unified Payment Interface):

It is an instant real-time payment system developed by NPCI (National Payment Corporation of India) facilitates inter-bank transactions. The UPI system is regulated by RBI and works by instantly transfer funds 24\*7 into 365 between two bank accounts on a mobile platform. It introduced in India in 11 Apr 2016. It is a payment system that allows users to link more than one bank account in a single Smartphone app and make fund transfers without having to provide **IFSC code** or account number. This is a real-time payment system where funds are credited instantly on a real-time basis.

UPI (Aadhaar Enabled Payment System)

### Some important tools are:-

#### 1. Understanding OTP and QR Code:

##### OTP (One Time Password):

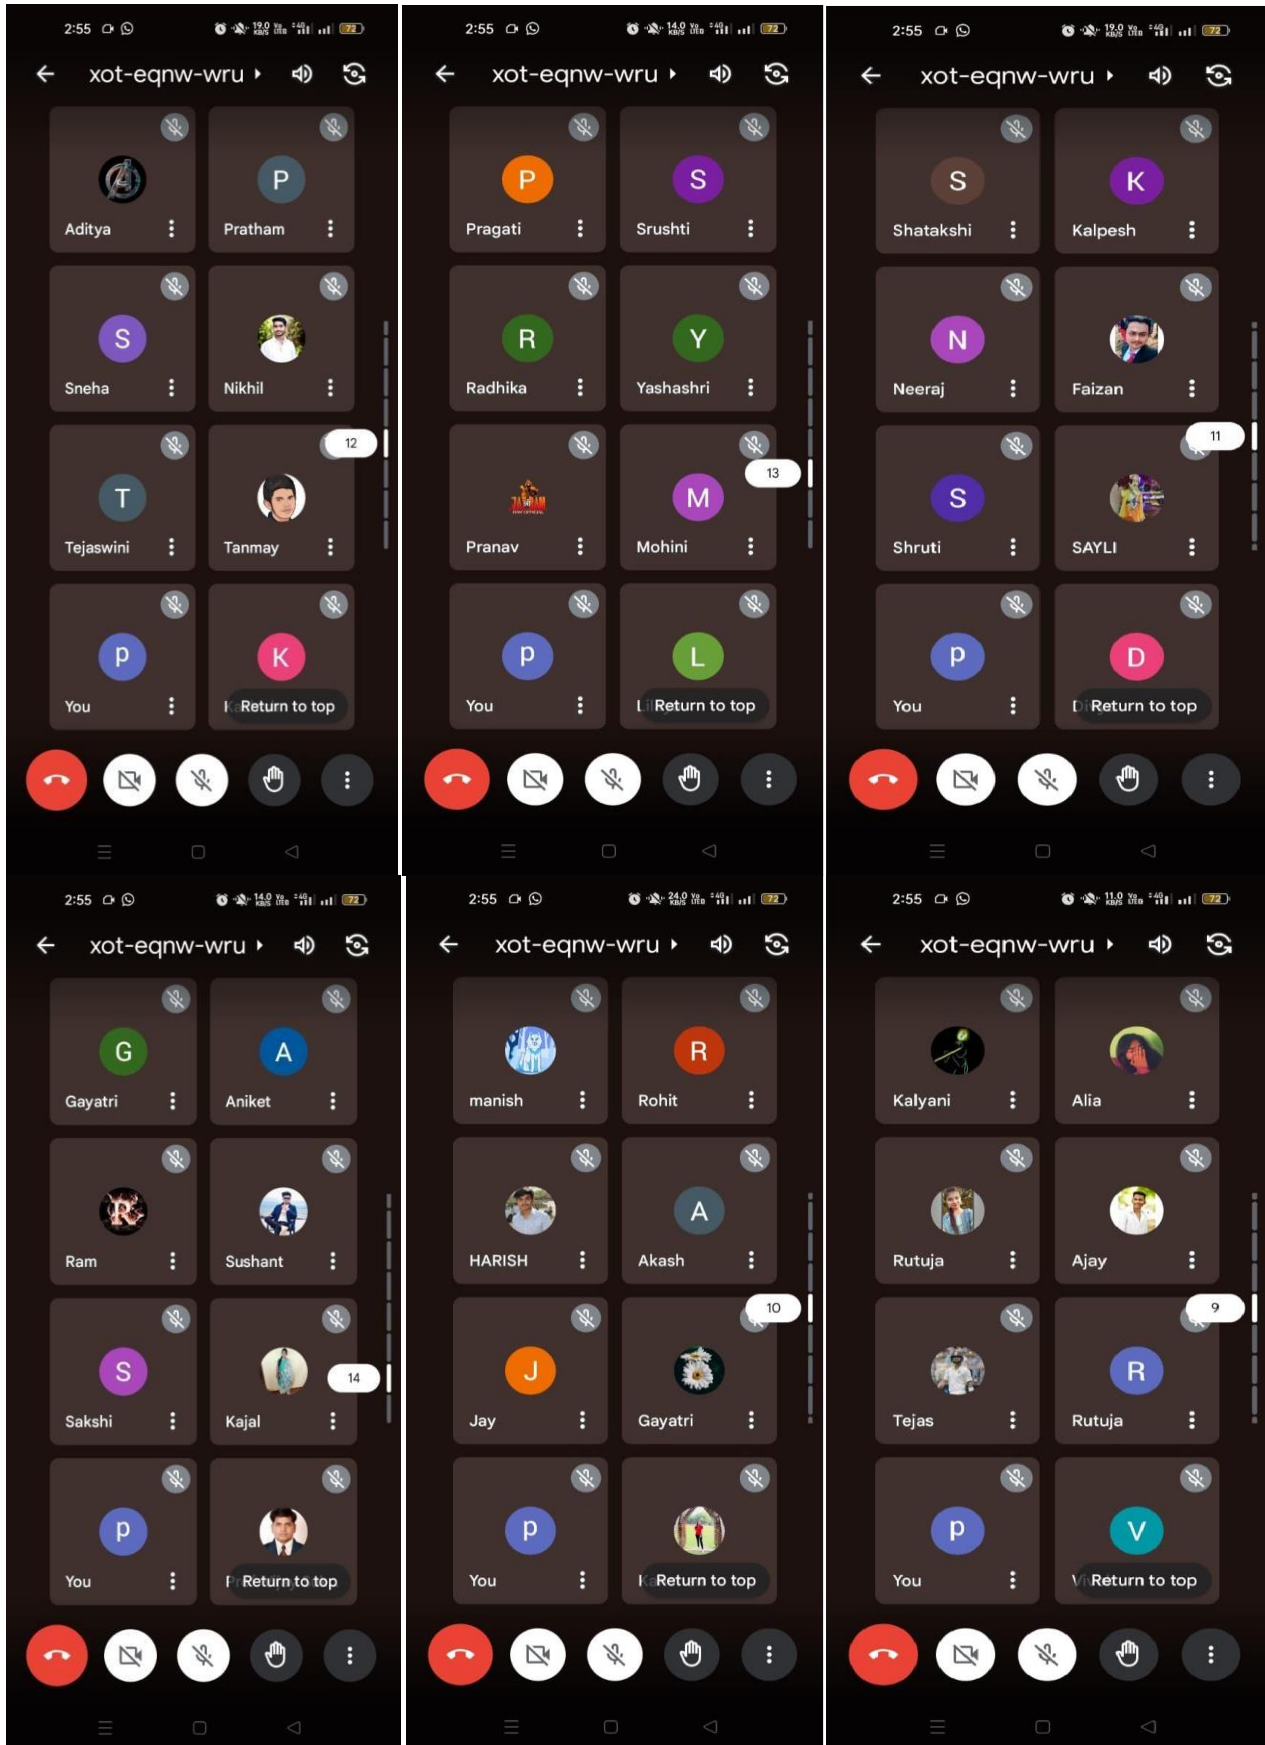

OTP is also known as One Time password. It is a password that is valid for only one login session or transaction, on a computer system or other digital device. OTP avoid number of shortcomings that are associated with static password based authentication. Generally OTP's become invalid within a minute, which prevents attackers from obtaining the secret codes and reusing them.

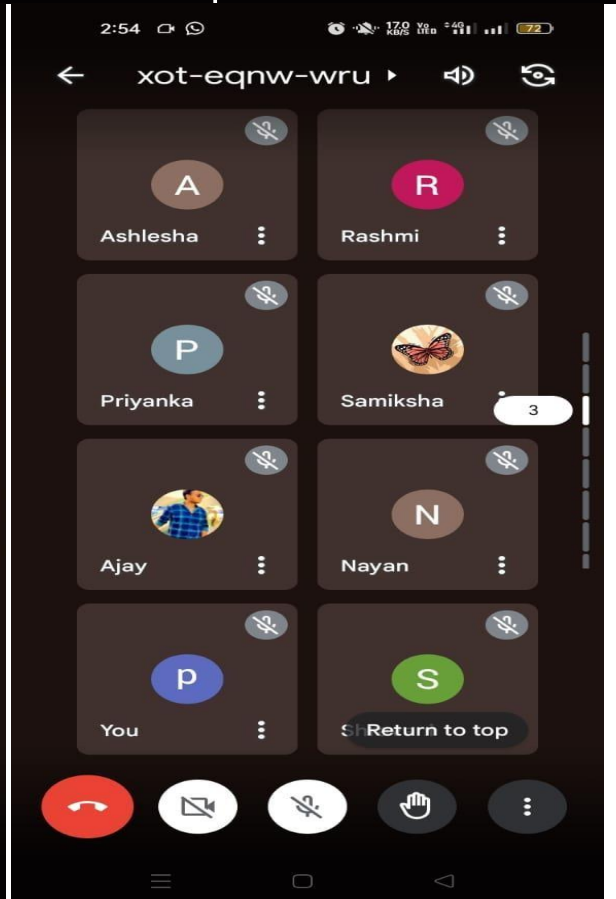

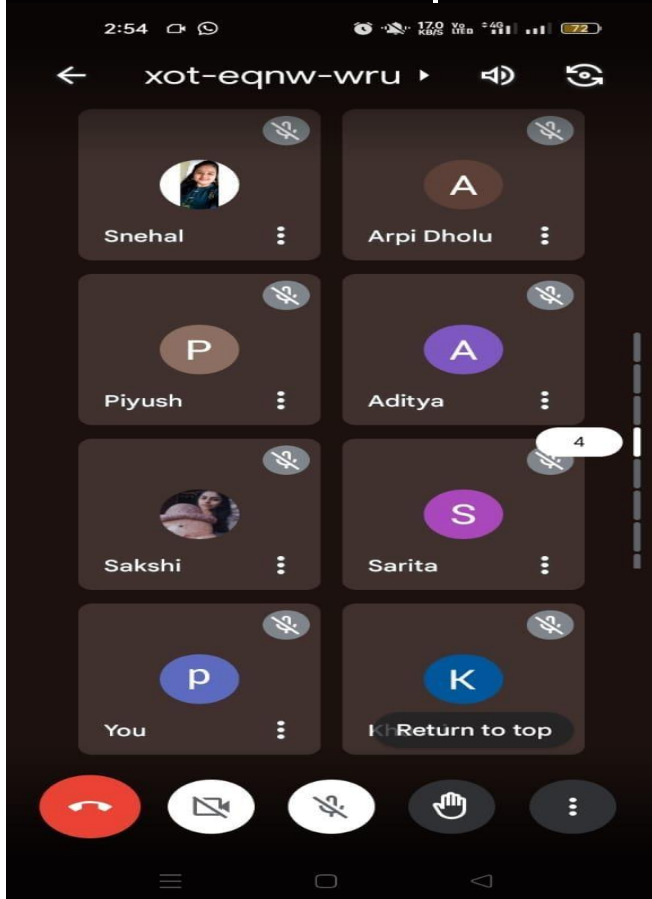

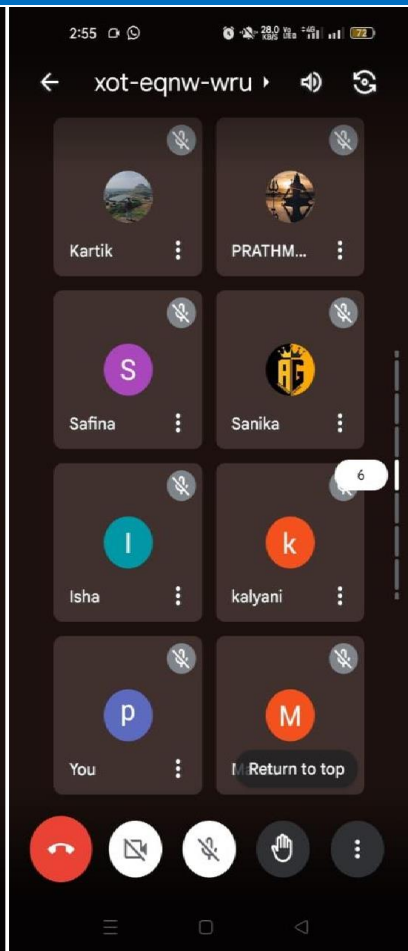

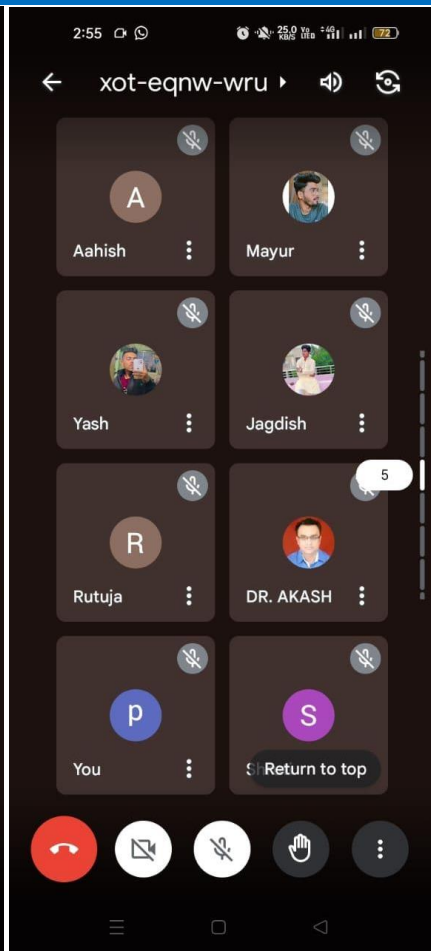

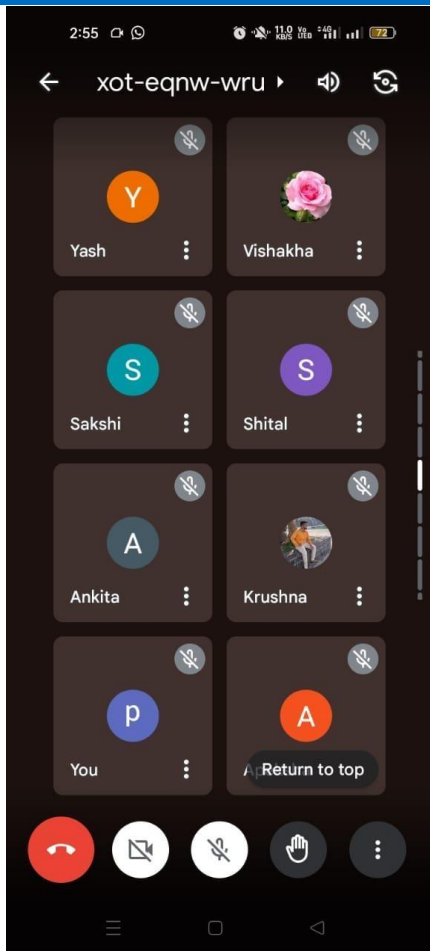

One-time passwords are a form of strong authentication, providing much better protection to e-Banking, corporate networks, and other systems containing sensitive data.

<b>Duration:</b>	1 day
<b>Name of Event Coordinator:</b>	Asst. Prof. Dr. K. C. Takale
<b>Guest for Program:</b>	Manas Gajre (Founder, AI Leela 2023)
<b>Day &amp; Date of Visit:</b>	Tuesday, 14/03/2023 11.00 am to 12.30 pm
<b>Class and specialization</b>	FY, SY, T. Y. BSc, Comp. BSc, BCA students
<b>No. of students benefitted</b>	82

### **Topic Covered:**

Career Paths to inspire students what is role of AI in various field.

### **Objectives:**

To get knowledge regarding its uses in IT sectors.

### **Summary Report:**

A one day workshop on “Artificial Intelligence (AI)” was organised by IQAC of RNC Arts, JDB Commerce and NSC Science College which was guided by Mr. Manas Gajre (Founder, AI Leela 2023) on the occasion of PI-DAY.

The opening ceremony of the workshop began with auspicious lamp lighting ceremony seeking the blessings of Goddess Saraswati followed by Saraswati vandana and felicitation of the guest speakers.

Principal Dr. Manjusha Kulkarni facilitated Mr. Manas Gajare. The event started with the introduction of the Guest.

### **Mr. Manish Gajare guiding the students on AI, in a workshop on “Artificial Intelligence (AI)” organized by IQAC, on 14/03/2023**

- History of AI
- He gave basic knowledge of AI
- Use of AI at various fields
- Job opportunities in the field of IT related with AI
- Practical Session with application of AI
- AI in future in world of technology
- He gave the knowledge about the software and devices in AI
- Different applications of AI

**Students engrossed in learning the wonderful applications of AI, guided by Mr. Manish Gajare, on 14/03/2023**

The lecture was successfully conducted under the guidance of Prof. Dr. M.M. Kulkarni, I/C Principal, Bytco College, Nashik Road.

**Outcome:**

1. Students explored diverse career paths related to AI especially for mathematical field.
2. Discovered research opportunities: Engage in projects related to the mathematical field.
3. Developed essential skills for software development with AI and mathematics.
