No. of students benefitted	100

Topic Covered: Research opportunities in Mathematics.

Details of Resource Person:

Name: Dr. Bhadane Ashok Parasharam

Qualification: M.Sc. Ph.D

Specialization: Mathematics (Applied)

Experience: 32 years

Presently serving as Professor at Loknete Vyanktrao Hiray Arts, Science and Commerce
College, Panchavati, Nashik-3

Objectives:

To get knowledge of Career Paths in Research opportunities in Mathematics.

Report:

I/c Principal Dr. Manjusha Kulkarni facilitated the speaker of the program, Dr. A. P. Badhane, Head, Department of Mathematics of L.V.H. College. They had chosen the Mathematics Department as the venue for the Lecture. The event started with the great introduction of Dr. A.P. Badhane, his past, and his achievements.

He covered following points in lecture:

- Need of the research
- Benefits from research, specific in mathematics for the society.
- Opportunity in research and methodology in Mathematics.
- Live session of various researchers in Mathematics.
- Question session and doubts of students in respected topic.

He has introduced us to a lot of valuable lessons about approaching your studies and being part of things around us. Among multiple valuable lessons we got from the whole session one of them was how research is not only about trending things or problems, sometimes you do things just for the sheer joy of learning and knowing more. The amount of excitement with which he talked, surely reflected the enthusiasm he contains in himself for science. From the whole session one of them was, How research is not only about trending things or problems, sometimes you do things just for the sheer joy of learning and knowing more. The amount of excitement with which he talked. Such sessions help calm down the students and introduce them to a whole lot of opportunities related to research work and we were all grateful to the Principal Dr. Manjusha Kulkarni, and all the teaching staff members who were an equal part in organizing and making this event a success.

Outcome: Guest lecture helped students to:

1. Explore diverse career paths: Mathematics and related research fields and industry.
2. Discover research opportunities: Engage in cutting-edge projects, fostering innovation.
3. Access resources: Utilize mentorship, grants, and publications for research success.

Guest Lecture on Career opportunities after Science Graduation

All the students of TY from science faculty are hereby informed that there is a guest lecture on "career opportunities after graduation " by Mr. Mane Sir. All the students should remain present for the same.

Date : 14-3-2022
Venue : Seminar Hall

 Head,
 Department of Chemistry.
 Head
 Chemistry Department
 RNC JDB & NSC College
 Nashik Road-422 101

Topic Covered:

Guest lecture on Career opportunities after Science graduation.

Details of Resource Person:

Name: Dr. Mane Vishal Uttam

Qualification: M.Sc, Ph.D

Specialization: Organic Chemistry

Experience: 8 years

Presently serving as Assistant Professor at

RNC Arts, JDB Commerce and NSC Science College, Nasik Road

Objectives:

To get knowledge of different examinations after graduation in chemistry.

Summary:

A guest lecture was organized on, 'Career opportunities after Science graduation' for all T.Y.B.Sc.students at 11.00 am.

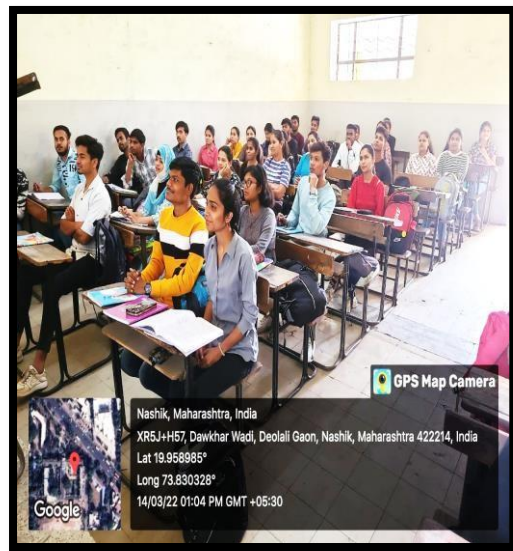

They were guided by Prof. Vishal Mane. He explained different job opportunities and career opportunities after graduation.

After the programme Mr. S.M. Chavan proposed a vote of thanks.

Outcome:

After completion of lecture students came to know following details:

1. Various job opportunities and how to prepare for that.
2. Basic Skills they must have before graduation .

Career Paths in Chemistry and Research opportunities

Details of Resource Person:

Name: Dr. Varun Singh

Qualification: M.Sc, Ph.D,Post Doc.

Specialization: Chemistry

Experience: 10 years

Presently serving in DRDO, India.

Objectives:

To get knowledge of Career Paths in Chemistry and Research opportunities etc.

Report:

Principal Dr. Manjusha Kulkarni facilitated this lecture by Dr. Varun Singh an alumnus of this college for the career guidance of the chemistry department students. They chose the seminar hall as the venue. The event started with the great introduction of Dr. Varun, his past, and his achievements.

Soon after that Dr. Varun recited his academic journey, how he shifted to RYK College in order to pursue nuclear chemistry and then to many other colleges in order to receive his higher education, in this journey of DRDO was a huge part of it where he worked on a lot of projects including forming a material used in COVID testing during the pandemic. The students were introduced to a lot of other projects Dr. Varun worked on that included a variety of fields including warfare, the food industry, a whole new variety of magnets, neurotransmitters, etc. The students were excited to hear about the research and innovations.

After the introduction about all the different innovative projects, Dr. Varun went on to share the world of opportunities present all over the world and in the field of science and research. The different sets of exams you can give after and before doing your master's and the different research centers that you can be part of. He introduced us to a lot of valuable lessons about approaching your studies and being part of things around us.

Among multiple valuable lessons we got from the whole session one of them was how research is not only about trending things or problems, sometimes you do things just for the sheer joy of learning and knowing more. The amount of excitement with which he talked, surely reflected the enthusiasm he contains in himself for science. From the whole session one of them was how research is not only about trending things or problems, sometimes you do things just for the sheer joy of learning and knowing more. The amount of excitement with which he talked, surely reflected the enthusiasm he containing himself for science. The event came towards an end with Aishwarya giving a wonderful vote of thanks to our chief guest. The event was fruitful for a lot of students who were trying to figure out what to do next, surely the amount of confusion was a lot slower and the amount of excitement for research significantly increased. Such sessions help calm down the students and introduce them to a whole lot of opportunities and we were all grateful to the Principal, Dr. Manjusha Kulkarni, and all the teaching staff members who were an equal part in organizing and making this event a success.

Outcome: Guest lecture helped students to

1. Explore diverse career paths: Analytical chemistry, pharmaceuticals, academia, and industry.
2. Discover research opportunities: Engage in cutting-edge projects, fostering innovation.
3. Network with professionals: Build connections for career advancement and collaboration.
4. Develop essential skills: Enhance critical thinking, problem-solving, and laboratory techniques.
5. Access resources: Utilize mentorship, grants, and publications for research success.

Report:

Mr. Jatin Rawal (MSc pharmaceutical medicine) and Mr. Pratik Namra (Student of PUMBA in Pharma and Biotech), alumni of the Biotechnology department visited the department on Monday, 1st February 2021, and they guided TY BSc biotechnology students regarding future job opportunities and career opportunities. Department of biotechnology organized this session under the guidance of Asst.Prof. Priya Sonawani.

After the warm welcome and short introduction, they guided about further education after BSc biotechnology, they discussed about the scope of biotechnology and opportunities present in this field. Also, they talked about getting admission in MBA course.

The session was concluded with various questions asked by students about their career and future opportunities in the field of biotechnology and MBA respectively.

The session proved to be very fruitful as the speakers encouraged students for their better future.

Outcome: Guest lecture helped students to

Students learn about different master's program and their entrance test and enrolment procedure.

Topic Covered:

Guest lecture on Career opportunities in Chemistry.

Details of Resource Person:

Name: Asst.Prof.Beg Waseem Ahamad

Qualification: M.Sc.

Specialization: Organic Chemistry

Experience:16 years

Presently serving as Assistant Professor at

RNC Arts, JDB Commerce and NSC Science College, Nasik Road

Objectives:

To get knowledge of different competitive examinations after graduation in Chemistry.

Summary:

The Department of Chemistry hosted a guest lecture titled "Career Guidance in Chemistry" for students pursuing graduation in chemistry, by Asst. Prof. Waseem Beg. The lecture aimed to provide students with insights into the diverse career paths available to them after graduation.

Dr. Beg discussed classic career paths in research and development, quality control, and analytical chemistry within various industries.

He also shed light on the growing demand for chemists in fields in emerging fields like nanotechnology, green chemistry, computational chemistry, and drug discovery. He also emphasized on the importance of pursuing advanced degrees (M.Sc., Ph.D.) for research-oriented careers or specialized fields.

After the program Mr.Vishal Mane proposed a vote of thanks.

Outcome:

The guest lecture on "Career Guidance in Chemistry" was informative and well-received by the students. They gained valuable insights into the diverse career paths available to them and the skills required for success in the field. The lecture:

- Motivated students to explore their career interests within chemistry.
- Encouraged them to develop relevant skills and gain practical experience through internships or research projects.
- Helped students make informed decisions about their future education and career paths

The guest lecture on "Career Guidance in Chemistry" provided a valuable platform for students to explore the exciting possibilities that a chemistry degree offers. The knowledge and insights gained will undoubtedly empower them to make informed choices as they embark on their professional journeys.

Topic Covered:

Job Opportunities in Banking sector.

Details of Resource Person:

Name: Dr. Sunita Vijay Ranate

Qualification: M.A., Ph.d., M.Phil., B.Ed. G.D.C &A.

Specialization: Economics

Experience: 21 years

Presently serving as Assistant Professor at

RNC Arts, JDB Commerce and NSC Science College, Nasik Road

Objectives:

To spark students' interest in the banking sector and equip them with the knowledge and skills required to successfully compete for and thrive in banking careers.

Summary:

A guest lecture on, “Banking sector: a promising field for commerce graduates”, by Dr. Mrs S.V. Ranate, was organized for the SY B. Com and TY. B. Com students. Dr. Ranate discussed the different types of banks (government, private, etc.) and the various roles and departments within the banking industry. She guided the students with respect to various competitive exams conducted for recruitments in various government and Private banks such as IBPS (Institute of Banking Personnel Selection) exams. She also told students to learn skills of facing interview, personality development, as mere bookish knowledge is not enough to face the corporate world, but smart work values more than simply theoretical knowledge. Techniques for effective communication, confident presentation, and answering interview questions were discussed. The lecture covered the significance of soft skills like teamwork, problem-solving, and adaptability in the banking industry.

This guest lecture by Dr. Mrs. S.V. Ranate provided valuable guidance for SY B.Com and TY B.Com students, encouraging them to consider the promising career opportunities within the banking sector. By understanding the specific requirements and developing the necessary skills, commerce graduates can position themselves for success in this dynamic field.

At the end of the session, Mr. Anurag Ratnaparkhi proposed a vote of thanks.

Outcome:

After completion of program, students came to know following details:

1. Banking sector as one of the field for career
2. The skills required for facing interviews.
3. Various Add-on courses to be done along with graduation course.

Topic Covered:

Guest lecture on Career opportunities after Science graduation.

Resource Person:

Name: Dr.Borase Kailas Shankarrao

Qualification: M.Sc, Ph.D,

Specialization: Mathematics

Experience: 32years

Presently serving as Associate Professor at

RNC Arts, JDB Commerce and NSC Science College, Nasik Road

Objectives:

To get knowledge of different examinations after graduation in Mathematics.

Summary: ‘A degree in mathematics opens doors to a surprisingly wide range of career paths’, was a motivating sentence by Dr. K.S Borse, while addressing the students of TY Mathematics. In his guidance talk, organized by the Department of Mathematics, he explored diverse opportunities available to graduates. He said, Mathematics graduates with strong research inclinations can pursue a Ph.D. and a career in academic research, contributing to the advancement of the field and teaching future generations. The explosion of data has created a high demand for data scientists and statisticians, he added. Mathematical skills in analysis, modeling, and interpretation are crucial for extracting insights from vast datasets. He also pointed that the growing importance of cybersecurity, mathematicians with expertise in coding theory and number theory are needed to develop and analyze encryption algorithms.

After the program, Dr. K.C. Takale proposed a vote of thanks.

Outcome:

1. Students gained a broader understanding of the diverse career paths available to them, both directly related to mathematics and those utilizing transferable mathematical skills.
2. They also learned the value of developing additional skills like programming, data analysis, and communication, which can significantly improve a graduate's marketability across various sectors.

Activity Title:	Guest lecture on Guidance on SET, NET Examination Preparation
Activity Duration:	One day
Location:	RNC Arts JDB Commerce and NSC Science College, Nashik Road
Name of Lecturer:	Assistant Prof. Pratibha Ghuge
Subject:	Guidance for SET and NET exams
Day & Date	18th August 2018
Class and specialization	TY BA and M.A.Students
No. of students benefited	105

Topic Covered:

Guidance for SET and NET examination preparation, syllabus discussion, additional reading etc.

Details of Resource Person:

Name: Pratibha Prakash Ghuge

Qualification: M.A., SET

Specialization: English

Experience: 11 years

Presently serving as Assistant Professor at

RNC Arts, JDB Commerce and NSC Science College, Nasik Road

Objectives:

To get knowledge of preparation of SET and NET examinations.

Summary:

The State Eligibility Test (SET) and National Eligibility Test (NET) are national-level examinations conducted for eligibility to become Assistant Professors in universities and colleges across India. A guidance lecture by Asst. Prof. Pratibha Ghuge was organized for aspiring candidates preparing for these competitive exams.

In her motivating lecture, she insisted students to practice effective time management during preparation and while taking the actual exam, to utilize time-management techniques to ensure that they attempt all sections within the allotted time frame.

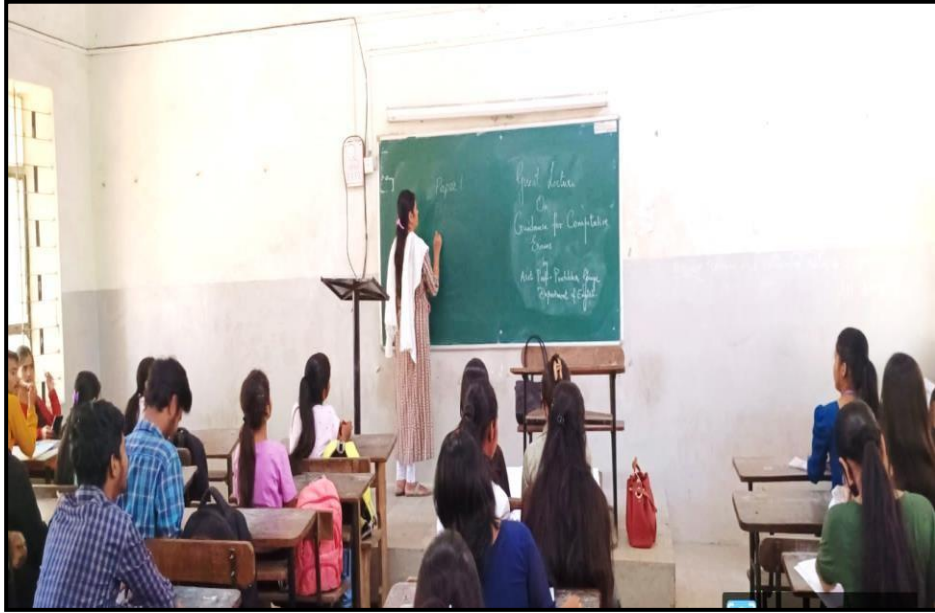

She asked students to move beyond passive reading, engage themselves in active learning through methods like note-taking, mind mapping, solving previous year's question papers, and discussing topics with peers or mentors.

She suggested students take mock tests and practice with previous year's question papers, that would familiarize them with the exam format, help identify areas needing improvement, and build test-taking confidence.

Prof. Pratibha Ghuge also urged students to develop the habit of staying current with advancements in their chosen field, utilize credible academic journals, research papers, and online resources to supplement their knowledge.

Outcome:

1. Candidates gained a comprehensive understanding of the SET/NET exam, including the syllabus, exam format, and essential resources for preparation.
2. They were equipped with strategies for effective preparation, such as creating a study plan, time management techniques, and active learning methods.
